Dear kindred spirit friends of Jakob Lorber and related servants as Emanuel Swedenborg and Gottfried Mayerhofer and further writers of our Lord Jesus. We wish you a blissful enjoyment in reading. G

INTROSPECTION- SELF EXAMINATION

Contacts and reactions

We received friendly and useful responses to the Jakob-Lorber-Bulletin Nr. 16. Reactions will be published to the incoming order again:

=====

The send copy [preferably between the 15th and 17th of a month] is processed in the next issue. Incoming copy outside the specified dates is then postponed and is naturally included in the subsequent publication

“For where two or three gather in my name, there am I with them.”

Matthew 18:20

=====

As promised, the Lord is in the midst of those who are gathered in his name and talk about him and are busy with Him.

We can always trust blindly that He wants to give us everything we need and what is best for us.

Question: Is especially the big number of people important to the Lord important so that he with His presence can stay with us?

Proposal: No, the Lord attracts the hearts of the people. All those who gather sincere in his name, which may be sure that they stay in communion with the living Lord.

Jakob Lorber Bulletin International exists – together with Giuseppe [the founder!] – already two years!

In the first place, I especially thank the heavenly Lord that He made it possible for us to come to an international exchange. Without Him, there could be no blessing upon it.

We thank Giuseppe for the establishment and realization of this beautiful useful magazine.

The fact that this organ magazine, together with him, has now been in existence for two years, is also due to the translators.

Elke K. from Germany and Relana v.d V. from the Netherlands. Without these lovely people, this would not have been possible. We also thank the sponsors for their donations; We are and remain dependent on donations and this makes it possible to finance the translations and corrections.

We would also like to thank all those who have proposed the themes and have contributed so far; Without these writers, this bulletin cannot function. G

Günter from Switzerland

Dear Gerard,

Wilfried is moving towards improvement. When he was brought yesterday to Stuttgart by me, he could sit at the table, cut his own food and eat without help and speak understandable and he could even stand for the first time! Arrived in Stuttgart, he first needed his computer. Maybe he will soon be writing again.

Kind regards,
Günter

Answer

Dear Günter,

Thank you very much for the good news - these happy tidings about Wilfried, I will mention separately in the bulletin.- This is just in time for the March Bulletin! Your wonderful contribution on LOVE, I will of course publish with 'care' in the upcoming April issue.

I am cheerful and grateful to the Lord that Wilfried has physically become 'alive' again.

Praise the Lord! G.

Ricardo Arruda ut Brasile

Caro Gerard,

Respondendo a sua pergunta feita no Jacob Lorber International Bulletin DEZ/2016, eu gostaria de dizer que existem pequenos grupos de leitores assíduos da Nova Revelação também no Brasil.

Mantemos um modesto site (www.novarevelacao.org) e costumamos nos corresponder com outro site brasileiro (www.neoteosofia.org), ambos apenas em Português. Além disto, mantemos permanente contato com o pastor Egídio (www.refugio_betania.org), de Portugal.

O pastor Egídio foi quem nos apresentou o Jacob Lorber International Bulletin, o que muito nos alegrou. Seria fantástico para nós se o Jacob Lorber International Bulletin fosse publicado também em Português! Esperamos que vocês consigam um tradutor adequado!

Atualmente procuramos seguir orientações do pastor Egídio, pois sentimos no Refúgio Betânia a presença forte de nosso Pai.

Nosso site se baseia na obra de uma alemã chamada Yolanda Linau, que veio para o Brasil como refugiada da Segunda Guerra e trouxe com ela muitos livros de Lorber (segundo ela, seu verdadeiro tesouro). Yolanda passou a traduzir os livros para o Português ao longo dos anos, e uma associação de apoio se formou em torno de sua obra.

Após a morte de Yolanda, uma amiga de seu grupo de estudos chamada Hannelore Segala, brasileira de pais alemães e ainda vivendo entre nós, continuou as traduções do Alemão para o Português, mas interrompeu recentemente o trabalho por causa de sua idade avançada.

Hoje dispomos de algumas obras e artigos em Português que não são encontrados em outras línguas. Aos poucos, também tentamos traduzir para o Inglês todo o material de que dispomos aqui. Destacamos o livro “Dádivas do Céu”, um diário de Lorber registrando conversas íntimas e ensinamentos cotidianos dados pelo Pai.

Segundo Hannelore, o problema não é só financeiro, mas principalmente encontrar um tradutor Português x Inglês realmente “tocado” pelo Pai. Não sendo assim, a tradução não ficará verdadeira.

Por acaso você se interessaria pelos originais em Alemão para serem traduzidos direto para o Inglês? Nosso interesse é exclusivamente disponibilizar ao mundo o que temos aqui, e sabemos que o Inglês hoje é praticamente uma linguagem universal. Se preferir, você gostaria de conversar a respeito com Hannelore (por telefone, email ou por Skype) direto em alemão?

Nota 1: Eu não falo uma palavra em Alemão e, como você pode ver, meu Inglês é limitado... (ainda bem que existe o Google Tradutor). Posso passar os dados de Hannelore para você, caso haja interesse. Ela está de acordo.

Nota 2: Há alguns anos perdi o contato com um casal da Nova Zelândia (Ben e Loes, da Jacob Lorber Foundation of New Zealand) e de outros amigos nossos que residem na Holanda. Nós nos comunicávamos pelos emails bendk@clear.net.nz and lorber/info@clear.net.nz , mas não temos recebido mais respostas. Você os conhece?

Abrços fraternais!!

Ricardo Arruda from Brazil

Dear Gerard,

Responding to your question in the Jacob Lorber International Bulletin DEC / 2016, I would like to say that there are small groups of assiduous readers of New Revelation also in Brazil.

We maintain a modest site (www.novarevelacao.org) and we usually correspond with another Brazilian site (www.neoteosofia.org) both in Portuguese only. In addition, we maintain permanent contact with the pastor Egídio (<http://www.refugiobetania.org/>), from Portugal.

Pastor Egídio was the one who introduced us to the Jacob Lorber International Bulletin, what greatly pleased us. It would be fantastic for us if the Jacob Lorber International Bulletin was published in English too! We hope you get a proper translator!

We are now following the guidance of Pastor Egídio because we feel in the "Refúgio Betânia" (Bethany Refuge) the strong presence of our Father.

Our site is based on the work of a German named Yolanda Linau who came to Brazil as a refugee from WWII and brought with her many Lorber books (according to her, her true treasure). Yolanda went on to translate the books into Portuguese over the years, and a support association was formed around her work.

After Yolanda's death, a friend from her study group named Hannelore Segala, a Brazilian from German parents and still living among us, continued the translations from German into Portuguese, but she recently stopped working because of her old age.

Today we have some works and articles in Portuguese that are not found in other languages. Gradually, we also try to translate all the material we have here into English. We highlight the book "Gifts from Heaven", a diary of Lorber recording intimate conversations and daily teachings given by the Father.

According to Hannelore, the problem is not only financial but mainly find someone Portuguese-English translator really "touched" by the Father. Not being so, the translation will not be true.

Would you be interested in the originals in German to be translated straight into English? Our interest is exclusive to make available to the world what we have here and we know that English today is practically a universal language. If you prefer, would you like to talk about it with Hannelore? (by phone, email or Skype), Speaking directly in German?

Note 1: I do not speak a simple word in German and, as you can see, my English is limited (It's good that there's Google Translator...). I can pass the Hannelore data to you if there is interest. She agrees.

Note 2: Some years ago I lost contact with a couple from New Zealand (Ben and Loes, from the Jacob Lorber Foundation of New Zealand) and other friends of ours who reside in the Netherlands. We had communicated through emails bendk@clear.net.nz and lorber/info@clear.net.nz but we have not received

any more answers. Do you know some of them?

Fraternal hugs !!

Answer

Dear brother Ricardo, greetings in the Lord!

Your message is received with great enthusiasm. **Where two or three are gathered in my name, there am I in their midst**, Jesus says in **Matt. 18:20**. And I firmly believe in it. We have occasional contact with brother Amsterdam from Brazil with his homepage www.neoteosofia.org-, You must know him! The monthly publication of the Jakob Lorber Bulletin International also appears in English since February 2016. If you are interested, I can send all the Bulletins. This might be a surprise for you and a plus.

Yolanda Linau was already introduced by the Brazilian brother Amsterdam in our September 2016 Bulletin [I will also send it!] Her name is certainly known to us.

Hannelore Segala did a good job. At a certain time, the body stops with gradual decay of the precious body that with a special purpose was allowed to serve the Lord, on this small earth. This applies to us all. Moreover, there are already a lot of books about Jakob Lorber in English. Of course, I would like to get in touch with Hannelore. The email address is: zelfbeschouwing@gmail.com. In the e-mail contact, I will gladly disclose my phone number. Unfortunately, the e-mail addresses mentioned by you, are not known to me. Nowadays, there are also search engines for lost emails but I am not familiar with them. E.g.

<https://metager.de/meta/meta.ger3?eingabe=lorber%2Finfo&focus=web&encoding=utf8&lang=all#>

What a good thing we have been able to contact each other, in this way. May the Lord bless you all for the good work in this big world.

With brotherly greetings, also from all our readers from Europe and other parts of the world. Gerard

Lorberfreunde-Schwarzwald.de [Germany]

Dear Gerard,

Wilfried is now in my seminar house in the Black Forest (Schwarzwald)- when he

arrived here by ambulance, he said: Now it's uphill.

He is well taken care of here, doctors, the Social station, his wife Susanne and I try to take care of him with our best welfare assistance, and help with the daily conversation with JESUS with devotion. That is, He can barely talk. He is half-paralyzed and his right eye is closed and we will do our best that he can come into the wheelchair for a short time, despite his unnatural movement. Wilfried is mentally alert and he would like to ask you to publish the "Berta Dudde and Jakob Lorber" article which I have attached in the annex.

It is also a clarification since Berta Dudde understands something quite different under JESUS.

In case you have any questions for further information, Wilfried can only answer them if he is better. If I can inform Wilfried on something, please write to:

Wilfried Schlätz - c / o Günter Oberschmid - Seminarhaus Heidewuhr - Bergalingen 9

79736 Rickenbach - Germany - or by mail:

Best regards to you and all the good from the beautiful Schwarzwald.

Günter

ANSWER

Dear Günther,

Several times I have wondered how it goes with our brother Wilfried, and also other readers of our mutual exchange bulletin have probably thought also.

If Wilfried appreciates some homeopathic support, I can send him via you, some globuli [among others C200 Arnica, Hypericum ,what will do him definitely good. [This is my job] and privately mediate him anything further in order to prevent any relapse.

The important differences in the content of Bertha Dudde and Jakob Lorber, which he sent me, can only be published in parts in the next bulletin - because of the large amount of information of 30 pages- so that the bulletin does not become too large- Although a very important and extraordinary theme.

It pleased me greatly that Wilfried despite his precarious health condition - with the help of Jesus knows how to sustain himself and get his strength from it. I wish him God's help and blessings in this process of purification.

Wilfried, good recovery and rehabilitation, I wish you - and all readers- all the best!.

Gerard

Gerd Kujoth from Switzerland

Dear Gerd Kujoth,

First of all, I would like to thank you very much for your extraordinary interesting topic. Your conversation topic has done something with me, so I now want to know everything down to the smallest detail. Your story has kept me intensively busy. Your described facts are almost acceptable to me. But since I am a man who wants to have more facts on the table in this respect, for example, I want to know how you have come to your data on **Mars** and do you have more documents available about what you have described in the previous bulletin?

There is unclear information relating the year data between Emperor Tiberius and King Herod! 782 is the year 29 AD. In September of the same year begins the 15th year of Tibérius. 782 minus the 30th age of Jesus = 752 – In this year Jesus must presumably be born.

But this gives a great a difference and this is even **two years** in contrast with Herod, the child murderer, who died in 750 after the foundation of Rome according to the information of Flavius! I have gathered all the facts that were known in the Great Gospels of John, and I published them partly here. Gerard

Manuela from Portugal

Dear Gerard,

Thank you for your answer and your appreciative words that touched my heart. We do our best to live according to God's revelations through the good brother Jacob Lorber - that's all.

And according to his instructions, we have spread from there "complete light" around the world; we have also started with a modest monthly bulletin and are waiting for the next step: the site listed below.

Hans de Heij from the Netherlands

Dear Gerard,

As a continuation to my previous response, I have created a German and an English version of the geometry of creation and simultaneously gave it a new look.

I would like it if you want to publish this English and German version of my films of the "Geometry of Creation" and the golden ratio in your Bulletin. These are the two links to the two films:

1. Geometrie der Schöpfung

<https://youtu.be/qVB9HQqivOA>

2. Geometry of creation

<https://youtu.be/iGN6DyTfaSc>

Yours sincerely, Hans de Heij

Answer

Dear Hans,

Nice that you have produced the films in two languages. The first in the German language and the second in the English language. **Really international!** And now wait for Response. G

Rudy Vercauteren from België

Dear Gerard,

I probably missed something last time but is it possible to get in contact with Hans (...) who has published something on the Golden Ratio?

Thank you very much for this.

Greetings,

Rudy Vercauteren

Answer

Dear Rudy,

The email-adres of Hans de Heij is: jth@upcmail.nl

I wish you all the best. G

Helmut from Austria

Hello Gerard,

In short, some text about the Sun; This message matches this time the contents of the Lorber-bulletin. Supposedly, the answer to the difficult question: "How can the substance of the Sun on your soil contain "water" as Lorber claimed that?

Water on the Sun?

For over 20 years, my copy of the "NATURAL SUN" has a little piece of paper enclosed, I must have put it in at the time. In the year 1995, I read on Teletext a headline which has put me completely under a strong current. Every news after that has subsequently not confirmed that there is actually water on the Sun and that this is even scientifically proven! How can it be, that on the glowing hot sun with an assumed temperature of 2900 to 5700 degrees even water can or should exist? Not surprisingly, that since then a little has heard of it, there is a common Sun(solar) theory. Almost the death blow. One would prefer to be silent in the space research

because one does not like to develop a new theory; It would mean that so far falsehood has been proclaimed as "assured knowledge!"

And what does such alleged headers in the text mean? Literally this: p 652, Thursday 1.06.95 - Austrian Television 1 - 16:20 pm - SCIENCE: WATER ON THE SUN: 'US researchers have discovered water on the Sun'.

According to a study published in the magazine "Science", the water floats above the sunspot as clouds. Their temperatures are 2900 degrees, far below that of the rest of the sun where temperatures of 5700 degrees prevail. With the help of a special telescope, the very dense, irregularly shaped clouds were confirmed, said a chemist of the research team.

Good friends of the Revelations of Jesus via Jakob Lorber, the Lord speaks in Chapter 9,14 of "various large water circles" which from the pole to the Equator the seventh times divide the most solid Earth Kingdom. These circular waters always have a width of several thousand (G) miles and near the middle, a depth of often ten to twenty (G) miles. [source: the natural sun, Chapter .9: 14].

Because I do not speaking Latin, I can only say here: the sages don't need much .

Significant differences in content between Bertha Dudde and Jakob Lorber - in the light of the New Revelations of Jesus by Jakob Lorber

- Opposition -

from Wilfried Schlätz

Adam and Eve

Bertha-Dudde (BD):

God created the first couple of people at many different places on the Earth's surface (about 6,000 years ago): Adam^{1, 2, 3} and Eva^{1, 2, 3} (WS) – "I created humans in large numbers." - the act of creation of the first man. thus repeated again in areas that were inaccessible to the individual human tribes -.. And it was only after a long time that the different tribes took connection with each other. (1)

And there was a report given of the earthly evolutionary process since Adam and Eve, which does not exclude that the same took place in other parts of the earth, which were so far apart for these first humans, and were partly separated by great

seas, So that each Empire was a world for itself where the once fallen spirits could mature and were able to embody in the people. "(2)

Jakob Lorber (JL):

God created only a single human couple (about 6,000 years ago): Adam and Eve, from whom all other human beings descended (WS) –

"In the beginning, only one human couple was placed on the Earth and the man was called Adam and the woman Eve. "The first human pair had certainly received the purest and best education from God and could pass it purely on to all his descendants. But look at the people, 2000 later in Noah's time and you see them walking around as the most evil Devils '.(3) 8. GGJ 24.11

Only the first human couple received the body from the will and the hand of God - all other human beings only from a mother's body. " (7.GEJ 121.7 + 12)

The entire household of God by Jakob Lorber knows only one first human pair: ADAM and EVA (WS) (6.GGJ 90,8)

Were Adam and Eve the first full human beings? How did they arise and what did they experience? "(GG)

1. The substantial Soul.

Bertha Dudde [BD]: "The soul is the real 'I' of man, which is contained in a material outer shell." (5) - And so is the soul, the real 'I' of man But this can also exist without the body. P- And thinking this, this willing and feeling something - the soul - moves in other spheres after death, but always as the same being that formerly inhabited the human body. (6) - 'The soul is the innermost of man' (10)

Jakob Lorber [JL]: The substantial soul or the natural soul is not the real 'I' of man. The substantial soul, by itself, is by no means higher than a monkey soul - And the same goes for a nature stupid. **If we look more in detail at the life of the soul as such, we soon will discover that also he is a substantial bodily being who in himself, stands not much higher than at best, for instance, the soul of an ape'.** (7), 8. GGJ24.11;

The soul without the spirit is thus a mere dumb polar force. It is to be compared with an earthly creature without any reasonable sense. See, the same is the soul without the spirit. "

And these mentioned almost mindless creatures have merely a Soul life, that is, in its soul there is either a too weak Spirit or often no Spirit at all. " (8) 2. SS 79,13 + 14 –

See also the articles by K. Eggenstein on the secrets of the soul.

3.The created essential Spirit.

Bertha Dudde {BD]:

There is no created spirit in man. The Spirit is the uncreated Divine in man, i.e the spirit is directly present in the substantial soul (WS)

"But what is meant by" spirit?" It is the Spirit -the Divine in man-he is that what characterizes men as divine creatures." (9)

"The soul conceals in itself the divine spirit - the divine spirit-spark, however, God Himself places the Spirit-spark in the human- The embodied soul." (11)

Jakob Lorber (JL)

The created essential spirit is the true "I" of man. This spirit (1) became angry at the Fall of Lucifer and he can become angry again at an evil man. (WS)

"Remember this! About three days before the birth, directly from the finest and at the same time, one of the most solid substances of the soul, exceptional fine vesicles are formed in the heart area, and in these vesicles is an ever become evil spirit [1] laid which according to the being is a divine spark of divine love -. Now the spirit is still dead, as it was banned to the matter since a long time"(12).

"From this ever-increasing demand, the spirit which is thus becoming more and more awake, then transcends into a revenge of self-rejection which in this feeling becomes more and more a despiser of God" (Devil) " **[Editorial note...: the last paragraph refers to "the worst case!"]**

The Full Moon

These data are elaborated using the relevant astronomical program 'Redshift8-Premium'; The geographic location was set at the **Jerusalem** stand. With the perpetual calendar, as Gerd Kujoth and Oene Zijda this also recommended us, we get the same identical results for the data of a full moon phase. E.g.

http://www.thkoehler.de/midnightblue/m_kal.htm

<http://www.paulcarlisle.net/mooncalendar/>

In the Great Gospel of John [GGJ.03_082,11] and [GGJ.07_208,02] there is spoken about a **Solar eclipse**. On the basis of this, we can actually figure out in which year this happened, as on **28 March, 24 AD at 15:04 hrs**, at the time there was a **total solar eclipse**, as well as on **1 Aug. 26 AD 10.03 hrs.**, [also 2 years later!] Then also a complete eclipse of the sun on the **10th of July, 28 AD at 18.37 hrs**.The reader

can draw his own conclusion from this. **A solar eclipse can never have occurred naturally during the crucifixion of Jesus because it [apparently?] was full Moon on the eve of the 14th and that according to the calculations.**

But where is the month of Nisan in connection with the full moon at Easter mentioned in the Bible and the New Revelations?

Question about the full moon!

That it was full moon at the crucifixion of Jesus, is not known in the Bible, not even in the GGJ. The Jewish Easter was celebrated 2,000 years ago - according to [GGJ1-6: 12] until three months later so around June [Maybe until 3 July]; but the most common Easter we celebrate today in late March or April **[depending on the full-moon phase of the Moon!]** - The Jewish Easter was during the period of Moses in the month Abib or Nisan but this Easter shifted only much later [in the time period of Jesus] – and thus three months later!

Pontius Pilate wrote the following letter to Emperor Tiberius:

"Gradually the day began to darken like a winter dusk. It was like in the middle of March .I was still a procurator of a rebellious province, leaning against a pillar of my gallery in the gloomy darkness, pondering how the evil spirits of Tartarus had dragged the innocent Nazarene to the execution, all the people who had been around me had left me ... "

Note: Here it is clear that Jesus was NOT crucified in the spring on the 14th Nisan as JL and the Bible also confirm ...

Whether the Easter Feast is now three years later at the end of the tenure of Jesus' at the crucifixion has been regulated to the previous Easter, as in the time period of Moses in Egypt, **which was obviously connected to the full moon**, that hopefully someone among the readers might know! Response? G.

In what year the child Jesus was born!

It is indeed true that in the Revelation of Jovian, a German translation copy is found with an original Syro-Aramaic written apocalypse.

The time period of the emergence of this concept can be found in the text itself with an exact date which falls on the **28th May at the 837e Roman year [according to the origin of the city of Rome] on which event the time on the account of the Roman Empire is derived.**] - [Gerd Kujoth]

The Roman year 837, would correspond to our Christian year 84 AD according to the prevailing standard Julian calendar. Now you can count: our present time calculation is actually incorrect, because Jesus was born according to the Roman writings in 4151 after Adam, and according to Josephus is that the Roman year 746-747. [Jesus was incidentally born in the cave of Rachel, shortly before Bethlehem!]

Jovian wrote [according to Gerd Kujoth]; in the third year of my exile - the Romans wrote the year 837 [in the third year of the emperor Domitian) - **on a twenty-eighth day of the month Maius [May 28] at the Lord's day - I was alone on the rocks and in Spirit with him because it was the fifty-fourth anniversary of His glorious Ascension.**

A small calculation shows the following information: 837 minus 54 = 783 minus age of Jesus: 33 [= 33.5 teaching years of Jesus] = 750 - minus 1 [because of the astro nomic year 0 which still will be counted in all calculations!] = the 749e Roman year.

On 5 & 6 JANUARY 6 before Christ [BC] the Moon was Full! On 7 and 8 January it was in the year of birth 9 b. Chr. [BC] also FULL MOON. This data can be tested with several astronomical and astrological software.

I hereby consulted an **astronomy** and astrology expert, who thus has occupied for decades with it - Oene Zijda from the Netherlands - who was also previously briefly mentioned in one of our Bulletins. He pointed out to me - after a lot of detective work,

-that the following scientific data can be placed in connection with it and with the greatest certainty is also detectable!

Namely, **the planet Mars stood on February 14 in the 24th year AD the closest to the Earth! Mars was 24 AD also in Lion from January to May.**

The date shall be, inter alia, copied from the Ephemerides which was sent by a professional person. I received from the same astronomy expert also the **oppositions [180 degrees] of Mars opposite the Sun. And that is where it's actually about:**

The Sun was at 03:07 o'clock in the morning on February 10, 24 n. Chr. 180 degrees opposite Mars

Oene Zijda from Groningen [the Netherlands] wrote:

Mars is seven times opposite the Sun every 15.8 years. Of these seven times, he's three times close to the Earth and four times he is far from Earth. After 79 years the cycle begins again.

Readers who are interested in this data can obtain this, free of charge, for personal inspection. During the first 10 years, before Jesus' birth, it was 9 BC. on 7 and 8 January full moon, also on January 5 in 6 BC The full moon gives an accurate and reliable indication of the birth year of Jesus. The Moon and the planet Mars - as well as the **Jovian** remain as the only reliable clues.

The Julian and Gregorian calendars differ exactly 13 days with each other. For example, December 25 is according to the Jul. calendar the actual calendar date of January 7 in the Gregorian calendar.

Filtzinger is trying to prove the official time of Cyrenius. According to him, the supremacy of Quirinius began in Syria in 11 years BC. The testimony of his governorship "is reduced to an inscription found in Antioch. 2000 years ago governor

meant **'King**, a high title. He was called, the King of Syria. **According to Filtzinger there was such a count in 9. BC!**

[Childhood of Jesus 01, 012,03] The Roman Emperor Augustus gave orders throughout his lands whereby all people of his empire should be assessed and counted, in order to be classified for tax and recruitment purposes.

Luke.2,1-14: 1. In those days Caesar Augustus issued a decree that a census should be taken of the entire Roman world. **² This was the first census that took place while Quirinius was governor of Syria.** ³ And everyone went to their own town to register.

Josephus reported on the tragic child murder by Herod in his own family in 7 BC. He let his own innocent sons strangle in Sebaste !!! [Josephus Ant. 16.11; Bell. I, 27.6]. The church father Tertullian [200 AD] Had already suspected, that the census actually was done under the proconsul Gaius Sentius Saturninus [Cyrenius!] which then certainly had occurred between 9 and 7 BC.

Only the Armenian Church has kept the birth date of Jesus on January 6 until today while the 'world' celebrates on this date, only the visit of the "Three Kings" to the Christ child. Celebrating Jesus' birth on January 6 or January 7 by the Orthodox churches, is related to of the fact that 25-12 [Julian calendar] matches 7-1. [Gregorian calendar]. Both calendars differ from each other 3 days in 400 years. With other words, the Eastern churches celebrate the birth of Jesus usually on December 25, not according to the Gregorian calendar but according to the Julian calendar !!!

Summarized: In view of the fact that there are only a few possibilities to trace the full moon at the time at the birth of Jesus in 5 to 9 BC on 5.6, 7 and 8 January and From the fact that the planet Mars was visible and very close to the Earth in 24 AD, we can reduce that Jesus probably has died in 25 AD. [And the birth year speaks for itself!] – I fiend the hypothesis and facts [as the theme Jovian!] Submitted by Gerd Kujoth, very clear and also very acceptable; [Except Mars!] Which has led to have come forward with even more facts. G. To be continued!

Swedenborg prophesied about Jakob Lorber

Swedenborg has done a prophecy which probably points to the direction of Jakob Lorber. He, Swedenborg, wrote a letter to the Prelate Oetinger on November 11, 1766 in which he notes that after him, only a bit later, a man will come with a speaking enlightenment, and that he will be a part on this. On the basis of this, Swedenborg has emphasized that this voice of inspiration did not come from outside but from within. [Adversia IU, 6966]

From Jakob Lorber, we know that he heard the voice from within, from the area of his heart. And Swedenborg was able to write down his gazes in the spiritual world with his own words.
