Dear friends of Jakob Lorber and related servants as Emanuel Swedenborg and Gottfried Mayerhofer and further writers of our Lord Jesus.

Dear kindred spirits,

All greeting in the Lord. Sometimes we cannot avoid discussing certain [current] themes double, even triple or quadruple. Many people will respond: 'That theme is already defined once!?' And that conclusion is also correct but the difference is in the nuanced comments. This can put certain texts by Jakob Lorber (proverbial) often in a new light. In this 'end time', it is very important to pay attention to the important instructions of the Lord. A text more often read, can all of a sudden read again in an entirely different context. G

Once more, we wish you a blissful enjoyment in reading-

Dear JESUSfriends by Jakob Lorber,

Gerd Gutemann from Germany

Dear Gerard,

Thank you for regularly sending me the international bulletin. As a supplement to the theme; "End time ", I add in the annex a text with the theme: ' When are the main events in the end times to be expected? In which our brothers and sisters may be interested. If the text is translated, then it is very important, that all of the links to the original texts are working properly. With thanks!

Answer

Dear Gerd,

Also thanks for sending me your interesting theme about the coming and the expected things to us which the whole world should experience as a necessary purifying. If people just want to [over]rule, where is then the brother –sister love? Where one comes under the people – even in the own family circle, then hardly or not at all is talked about God or about our Lord. Still, one prays [maybe] but often out of habit or **even more out of duty** without praying really from the heart? Your theme gives a good overview of the many still predicted [Matthew 24] events that await us which we humans still might be able to turn around, if humanity would adhere to the rules of God! G.

" My dear Spiritual friends "(deliberately placed in quotation marks),

I am now, for 30 years a friend, confessor and preacher of the New Revelations. But what good is all the knowledge if we only know it? ...

I have – frankly said – still not met real "friends" on one of the Lorber- meetings or other events and also we are not selfless at all just as we all always pretend to be ... precisely on the contrary!

It would be desirable to wish for the naked truth among each other, as how this awaits us on the other side so that we therewith, could separate and group the equal spiritual-minded. And we would truly be surprised how lonely and abandoned we all were in the meetings and communities.

N.N., you're not "my" N.N. and I am also not "Your" Hanno... Let us all finally be sincere and have the courage to be, who we really are and how God knows us! ...

Regards, Hanno

Jakob Lorber Bulletin exists 1 year

Personalia

How did I come to write this circular [JLBI] on the teachings of the Bible and the New [very enlightening] Revelations of Jacob and to exchange thoughts about it with others? Where Guiseppe from Italy quit, I immediately felt called upon to go through with it. I've always had the need, - said, in small size – to publish a monthly magazine in the sphere of Jakob Lorber and thus to realize.

In time, when the Jakob Lorber Foundation began to take its shape in the Netherlands - this was in the early 1980's - the Foundation published a few A4 pages, every two months. And it became popular. Mr. J. Bos Warnsveld ['The field of warnings!'], Along with his wife were the founders of the Jakob Lorber Foundation at the time. When he and his wife were "aging"[both died on high ages around the turn of the century!] and hand on the further organization of their foundation, I have volatile considered to take the Foundation on me. But I was still far from capable to do this and not mature enough. And I was still too full and poll and contaminated by the mire of Earth. It was taken in good hands by today's Lorber Foundation which remained responsible for the German-Dutch Jakob-Lorber- Translations. up to today and tomorrow.

In my younger years, I was attracted to religious topics. Initially, I wanted to be a pastor but a serious illness in my life - especially in my youthful years - forced me, after many wanderings to choose another profession which had to do with health and disease. Now, almost a 'seventy-year-old', Pensioner and doing some part-time work, I have a lot of time left to devote to the described youth-wish-entirely different now. In the meantime, this bulletin exists exactly one year! I should, however, emphasize that translating and designing the Bulletin requires a lot of available time.

I originally intended to remain anonymous. However, this was not possible because that would raise a lot of questions from the readers. And ... see ... with a happy

feeling " I look back" [with all readers] to the past 12 months, that we with all of us, could have designed this Bulletin with God's blessing and help. G.

In the various Bulletins, prophets and prophets are sometimes mentioned who are partly incompatible with the teachings of the New Revelations, e.g. Franz Schumi, Bertha Dudde and others. Readers of these doctrines cannot be accused because they can hardly recognize the differences. That is why Wilfried has been trying for many years to work out the differences between the teachings of those prophets and the NR. The problem: where are these works to be read? I have therefore tried a little note and also discussed it with Wilfried. Klaus Opitz

New prophets

by Klaus Opitz

Comments on the topic on true and false prophets:

Despite all the statements in the New Revelations of Jesus (NO) by Jakob Lorber, Leopold Engel and Gottfried Mayerhofer, it's not so easy to take apart the true from the false prophets, especially since many of these prophets and prophetess - measured to the New Revelations, preaching both good and falsities and often in such a subtle way, that the reader does not notice any differences.

Therefore, be particularly pointed on the articles of Wilfried Schlätz in which the declarations of new and older prophets are analyzed and related to the teachings of the New Revelation got a spot. This can be read under [www. www.JESUS2030.de](http://www.JESUS2030.de), left side, under the theme group Propheten Vater und Medien [prophets and father-mediums]

Discussed prophetesses and prophets: Gabriele Wittek, Anita Wolf, Bertha Dudde, Carl Welkisch *), Karin Gerlinde Simpson, John Gerber, Franz Schumi, Roque Rojas and other counterfeit and fake fatherwords.

*) = The explanation about the teachings of Carl Welkisch is continued in the short!

A further indication is the article of Wilfried under the theme heading: The New Revelation criticized? [Kritik an der Neuoffenbarung?] "Also every true revelation has something wrong", in particular paragraph 6: fundamental truths about the Being of God and the Being Jesus.

Consider what Jesus tells us through Gottfried Mayerhofer about the last three great prophets in the NO:

"... That's why I've woken up once new seers and although according to another significance which should show my Word unadulterated to the people. And that herewith no falsifications enter on the human side, I dictate now my writers (Jacob Lorber, Gottfried Mayerhofer Leopold Engel) Self, what I want the people to know and what I want to be believed and obeyed ! "
(From Gottfried Mayerhofer: Does the Catholic or the Protestant church stand Me or My actual Church closer? "" Leben Garten ", Lorber-Verlag, see also under JESUS2030)

"look and trust nobody besides me. It speaks to you, who created you, redeemed and sanctified by His Word and by His Spirit." (Gifts from Heaven 03_48.11.17,01)

"Therefore, gather you for Me and hold on to Me and My teaching" (LS.01_053,15)

Helmut Nadlinger from Austria

Dear Gerard,

In case you want to publish something from me, then you can, of course, mention my name. I agree with you that the JLB should be shorter - it is only up to you ...

Now I want to take a point on several cases in Jakob Lorber Bulletin: Dear Gerard, if you're not vigilant than JLB will become a place of bigotry and all sorts of followers of a sect! My unimportant opinion about the quotes in the July issue of the "deeds" of the Lorber movement:

Take "Wilhelm": "... the Lorber movement opened a world war because ... LB built the German U-boats so that they ... advised the Fuehrer to march to Russia with over 3 million soldiers ... in the Netherlands, they set the angular direction of the solid rockets wrong ... '

Forgive me, friend Wilhelm, I have seldom read such nonsense! The Lorber movement had seriously opened a world War ??? ... Thus, the Lorber movement was actually sitting with the Fuehrer at the table in the headquarters? Great, what they all have done ... But unfortunately the opposite is true.

However, the fact is that the editorial board of the journal "THE WORD" had initially arisen with the national socialists and the "new " time-spirit with the announcement of the 'German messenger of God" was in harmony with Jacob Lorber.

Only after the prohibition of publishing, it was recognized that one had been tricked by the tempter. That's just human! The management of the Lorber movement has even in the beginning arisen blindly by the Nazis and praised the new time, in Germany because '... the German messenger of God had already proclaimed a similar position ...!'

At the beginning, Friedrich Zluhan and his deputy got completely carried away with the Nazis and did not recognize the demon in Hitler! Dear Wilhelm, please excuse me that I absolutely cannot agree with all your statements.

The Lady "Mariëtte": a lovely woman, in my opinion. Is not sure whether Lorber is the greatest prophet or not? Or nevertheless Nehman or Dudde or Helga?

Dear Mariëtte, who does not fully and completely finds the Lord at Lorber and charges her spiritual stomach with further search, falls from one doubt in the next in search of even more and the "greatest" prophet: Lorber, Dudde, Nehmann, Helga, etc . The Lord himself gives us the outspoken answer: "Moses is nothing without me". So, where are the differing statements of spiritual messages? In the SPIRITUAL SUN, Band 2, we learn that every prophet (or mediator) who receives a spiritual message about heaven can only speak about his own heaven! And it is formed with every blessed according to his own kind of love. Whoever does not find the Lord fully in the Lorber, only charges his spiritual stomach more and more. Nevertheless, The "greatest" is Jesus, without him Lorber is nothing as also Moses is nothing without him.

At Nehmann, Lorber is "... just ONLY a folk teacher and a Word-bringer yes, a great work has been made, I (who is " I "Nehmann or even God?) Here, I give you right. But not the greatest. .. "I've read only a few lines of the web link from Nehman and found it good. If, however, is referred to a "light circle" to which its adherents belong then, there is already a foreclosure against those who do not belong to this exquisite circle.

And: Lorber... ONLY a folk teacher? Jakob Lorber went never among the people with his revelation ...

All the mediators after Lorber have been stimulated and awakened by him, they are dancing around the writing-servant of God, and say in other words, nothing essentially new but just the same.

All other publishers are anyway only spurred mediators through Lorber-literature. In Germany, there are dozens of such father mediums spread fatherly words, they all say nothing new and dance just to Jacob the testimonies.

For me, the Lorber-works are the greatest, because they came directly from the Lord!! All the other heralds, nowadays, are only mediators inspired by the Lorber-literature. In Germany there are dozens of such fathers' mediums who spread the father's words, they all say nothing new, they just dance around the statements of Lorber and express their personal opinion.

I believe it is the own spirit of such mediators (Nehmann, Helga, etc.) who makes himself known here and speaks in the I-form. This spirit, though still from God, is still tied by the faults of the soul. Just recently, in the Spiritual Sun, I read that a prophet

who gives through a spiritual message about the heavens can ONLY TALK ABOUT HIS OWN HEAVEN! This says it all, why spiritual messages often differ, yes must differ.

So Gerard, be careful otherwise you give with the JLB the many Father-medium a platform for spreading their "light circle" - as I have found this word also at a short reading in the web-link Nehmann. Since the alarm bells ring with me, when is spoken of "light circle", there are probably only the selected(chosen) ones inside ...

Also I find the 11th volume of the Great Gospel of John by Leopold Engel good. I mean, the Lord deliberately called Jakob Lorber before the end of the Lorber-work, to make us ask ourselves : "Children, will you recognize ME when I come in the garment and word of another?" Have I not guide you, for decades, with my own hand So that you could always recognize ME with your eyes closed but with an open heart?

Well, dear Gerard, you can print something from it, shorten it as you please - I hope my lines are not too critical, I do not want to bring disagreement into the bulletin. Sorry, but if Lorber was just a folk teacher, then maybe Jesus was just a TRAVELING PREACHER!? One cannot follow all the media, they are all still more affected by mental weaknesses than Jakob Lorber, whom the Lord has specially chosen and purified for his greatest work on his incarnation.

A bye-bye in the North!

That was it, a cordial bye bye

Answer

Dear

Helmut

Those are powerful pedantic words. That could open many perspectives. In a private message, I have already written you that I fully agree with your principles. All of us, including you and I, are "seekers" to the given light in each of us through the New Word of the Revelation of Jacob Lorber convert into practice.

That mainly to Jakob Lorber, Mayerhofer, respectively. Leopold Engel, the most important works are given, of which are only a few on Earth who know this [and presumably some 500,000 people!]. That other writers of God are "cited" is not in itself a bad thing but a circuitous path. In my opinion, this has only to do with consciousness-gradations, each at his own level. I see this only as a preliminary stage of initiation and development. Everything is written in the Great Revelations, - and it clarifies the Bible all the more and takes away this covered veil. The higher the

level of the soul, the more alignment with the Great Revelations and the Bible can be read even at a much higher level of the soul.

My insights have only to do with the consciousness of gradation, [each according to his way!]. In the Great Revelations, everything stands, and the Bible tells us more and takes away its veiled veil. As higher the level of the soul, the more there is a vote on the Great Revelation and the Bible can be read at an even higher soul level.

I also noticed that there are still many under the Lorber readers, who - despite the knowledge about it- not only read the Great Revelation but also read books by Max Selltmann, Hentschell, Widmann, Thomas von Kempen, Gerhard Tersteegen, Riehle or Joanne Ladner and many other smaller prophets. And that is all their right and freedom. As you write, all these authors describe a number of sidings of "the Great Revelations, although the Lorber-works are anyway so obviously" divine reveals! We have more than enough there.

Persobnally, I do not prefer Bertha Dudde-texts because the writings seem 'loveless' hard and cold and without any charisma to me. In her writings, the 'justice' is emphasized more than 'love'. What is wisdom when there is no wisdom in it?The Lord allows these contradictory writings sometimes - although on the same level to make our souls practice the true and the false things. E.g. at a Franz Schumi! It contains good things, but sometimes things that scares you! You can then ask much better if it suits the soul! I used to read the books of Franz Schumi, but with some question marks! In this way, the soul can really be practiced! In all this, I always ask myself what I read, listen to or look at, 'does it serve my soul'? Then that's all right.

Helmut, you EXACTLY describe how it stands with the 'seekers'. They are all on the way to God. Even the Non-Lorber readers in Christian churches find their way also without the Jakob-Lorber-works. Only they deny themselves an awful lot in their life to the Lord. In Jakob Lorber it is often repeated that it is only about love; That is the fastest and more direct way to God, then to go by side ways. So there is a more direct way to God. If the soul does not experience it yet, it will- even in the Hereafter- take longer to reach its path to God .In the latest news from Mariëtte she wrote: 'I prefer not to read these messages any more, and this gives me more peace.' You only know this message today because this message is new. About Michael Nehmann [and Helga Hoff] you can learn a lot via [http: www.-wi.info/](http://www.-wi.info/) where Wilhelm Erdmann puts some topics for discussion. The reader can also take his stand.

The Bulletin, as we have it so far, will continue its way steadily. Whether this is a Bertha Dudde, a Franz Schumi or a Jakob Lorber, the last is VERY IMPORTANT and **the most**

important. Who or what does the reader need? Does she chooses for Budde or Schumi or Jakob Lorber?- the last is a decision of course of destiny. About Bertha Dudde or Nehman

there is enough to read on the Internet. Dudde and Michael Nehmann were briefly mentioned as examples. In this Bulletin, the works of Jakob Lorber will always determine the main themes. And Helmut..... in this direction you've got it right!. **There is a big difference between the gold of Lorber, the copper of Schumi and the lead of Dudde. G**

The Bible

Our current books have pages of paper. But that was much different in the past. The paper comes from the Papyrus plant, as an ornamental plant in some living rooms, now days. It used to be the most commonly used material for the Book of Books in Antiquity. The origin was in Egypt. [GGJ.04_182,03] - There these plants also grew for the book industry. [Note: At this point, all sat on the benches made by Joseph and refreshed themselves beneath the fragrant shade of roses - myrtle trees and papyrus trees. [Youth of Jesus.01_184,05] See also Gifts from Heaven 2-42.01.25.07 - this is also about the paper-time! What firmness must justify the paper? The Lord: "I tell you, she will not tolerate pressure! How easy paper can be torn which shows you the weakest children! Do you understand this sign?

...Because the old Egyptians still did not have paper to write on, for a long time. Therefore they used stone tablets, initially engraving on them with bone tools and later with iron styluses, to carve all kinds in remembrance! [GGJ4-204-3]

King Hanoch invented **paper** [Household of God-3-194-07]. They were the inventors of gunpowder and rifles, the parchment and **paper**. The force of the water vapor was known them and knew how to use it frequently. Egypt was the origin of paper [GGJ 4-182-3] The papyrus stalks, as thick as a strong arm, could be up to 6 m. High. They placed slices of fibers at right angles to each other and they were consecutive compressed and cut into papyrus-sheets, in a light yellow or light gray color. The sheets were then fixed to each other in a long row, up to 10 meters. **On the offered strip of material could now be written.** It could be rolled up: the scroll. Later they put the sheets on top of each other and they were folded and sewn in the middle, whereby a book was created: the codex. Of course, parchment was also formerly used to write on: leather, animal skin and it is still associated with Pergamum, a city in antiquity, the capital of the former kingdom of Pergamum in what is now Turkey.

The letters were written with a pen and with a kind of ink "with black and reed-shaft " and usually written in succession without word separation. Also see 3 John 1:13, Act. 8:30. Philip heard the eunuch reading. Because reading words that are written after each other was formerly facilitated by the custom to read them aloud.

Parchment was already known by Hanoch. [HG.03_194,07] - see also: [GH.03_64.03.21.a, 10 to 13], [GH.03_64.03.22.b, 11], [GH.03_64.04.07,08], [GGJ.03_073,04]

The genealogies

Two Gospels describe the two genealogies of Jesus: Matthew 1: 1-17 and Luke 3: 23-38. Both have a linear character. It is shown here how Jesus descended from Adam and the line from Abraham to Jesus. Matthew begins with Abraham and stops at Jesus but Luke begins exactly the other way around and ends with Adam. Both lists are characterized by fluidity because some names are omitted in this selection. Matthew mentions the 3 x 14 generations between Abraham and Jesus while Luke enumerates 11 x 7 generations from Adam to Jesus. Matthew let it come out so that Jesus inaugurates the 7th week [after 3 x 2 weeks] because the Old Testament reaches then its climax and fulfillment through His second coming. With Jesus the kingdom of the heavens has come near. [Matt. 4:17] - The Luke genealogy represents a division of the world history in eleven weeks [11 x 7]. This is followed by the messianic era: the 12th week of world history. Matthew gives the shortest possible overview of the history of Israel to Jesus. The Apostle Paul does not seem to be positive at all, about keeping up the genealogies. He is against such persons who consider their origins as a merit for God. See Titus 3: 9.

The Egyptians kept their god-records neatly [Zeus = Jupiter, Chronos, Kronos = Saturn- [see GGJ.04_175,05]. Now you know [in German there: Nun wisset ihr einmal genealogiter] with who you are dealing with in the person of the so extraordinary Galilean, and this is certainly also necessary in order to have a good idea about Him. [GGJ.08_06,16].

Why does Paul seem to be negative about the determination of the gender lines? Because it seems that individuals, groups or nations are more often searching in the past to find their roots and their identity.

The rapid reading of the ancient genealogies could keep the reader at a distance of the actual intention and it may thereby appear useless although, with some effort, one gets the essence from it.

Exercise in the Arcanum of the miraculous Medicine!

[Source: Taken from the book: the spiritual sun, Volume 2, Chapter 18 received by Jakob Lorber]

The Spiritual willpower united with the LORD does wonders

[SS.02_018,19] But now, you who have to learn to know the Spirit a little, I can now explain to a little bit of whereupon it is most important to work right from the Spirit, powerful, infallible, definite and truly wonderful.

- . Immediately after waking up, I join in spirit with the LORD through love in His will. This I do also in the evening!

[GS.02_018,22] If he has done this, then he will ask the Lord that He would like to unite with His infinite strength with the weakness of his own will, whereby he will grasp the Lord with His love, which is the third ingredient. If this has been done in all unswerving strength, then add a fourth to these three ingredients which is are fixed firm faith.

- If I want something, I ask HIM, for example, "beloved Father, please tell me what separates me from You or how I can get closer to You?"
- Then I pay attention to the answer, a word or the first thought that comes in.
- I keep this word or the few thoughts firmly with me and do not exchange them with all the worldly riches!.

[SS.02_018,23] When these four ingredients are together, the miracle medicine is already ready. [SS.02_018,24] Anyone who does not want to believe it will probably hardly be able to carry out the test; But he that believes, go, and do the same, and he shall be convinced of the unified power of the Lord in his spirit. I had to tell you this secret because it is here in the right place.

- Then I ask the LORD that HE may unite His infinite strength with my own weakening will and I will take the LORD firmly with my love. I ask HIM, for example, "I want to follow your word. Help me please see in that, which

separated me from YOU, as well as YOU have named it, can reach that also. Only I am too weak and can only do it by YOU. Let YOUR will be done.

[GS.02_018,25] So you also now know what you have to do here in this world so that we can go on; one thought, one fixed destiny and we shall have the place before us where we all want to go to.

- If it has been done with all certain strength, I will take to that the fixed faith.
- If these points are performed completely and together, the miracle has already been completed.

[GS.02_018,26] This secret, which I have now told you, applies to all natural and to all spiritual worlds; for it is wholly the same, what the Lord have taught all His Apostles and disciples because He said, "Without Me you can do nothing; With Me, of course, everything! "

- Do this every day, and in this way, you will experience the unified power of the Lord in your spirit; A thought, a firm determination and you reach the purpose, the approach and the place where you want to go to get further.
- He who has the united firm will-power in the LORD will thereby find endless riches in his spirit and has then possession of power and wealth, and that is a possession in the fullness. It is there, in the main point, that we must be able to work infallible, decisive and truly miraculous, out of the spirit of God.

GS.02_018,27] And further, when He said, "Whatever you will ask the Father in My name, He will give you." Here the Lord did not make an exception in the request, saying, "Whatever."

[GS.02_018,28] So He also showed that when two or three are gathered together in His name, He will be in the midst of them; And what they will ask is given to them. The continuation of our journey through this world, however, will, as I have already pointed out above, will reveal many hidden Secrets to you.

- It is the same as the LORD taught all HIS apostles and disciples because he said: "without Me you can do nothing, do nothing; But with MIR everything can be explained by itself. Whatever you ask the Father in MY Name, He will give you.
- An additional possibility is to exercise self-examination or introspection and for example, to write down the dictated words or thoughts.
 - The intention is to use such steps as an opportunity for transformation. One can occasionally work further on this and thereby always turn to the Lord, as described above.

UFO'S, do they really exist?

Wilfried Schlätz

1

Question:

What does Jesus say through JL about UFOs, extraterrestrials and the crop circle phenomena? Are all these merely inventions, manipulations of some pomposity, etc., or is it a form of reality which is to be brought closer to the attention of a spiritually growing earth population at this time?

Why would higher-developed inhabitants of other planets do not want to visit their siblings on this earth, if the time was ripe to do so?

2.

Answer:

2.1. Jesus reveals to us through JL, that on all central suns respectively. All planetary suns and all planets, as on the back of the Moon, plants, animals and people exist because without these nature souls – developments, no redemption of the once fallen spirits from the matter in the purely spiritual could exist!

2.2. At the same time, Jesus reveals through JL to us that these extraterrestrial people have less free will than the Earth people and are therefore not capable of inventing anything new. Therefore, only Earthly man possesses that unlimited freedom of thought and will, which, on the one hand, enables him, for example, set up An ISS (International Space Station) in an Earth orbit, and on the other hand allows them to the sonship of god.

2.3. Jezus via JL:

*[GGJ03_221,03] Look up, all the countless stars are worlds very much greater and more magnificent than this Earth and on each of these worlds you can find people who completely resemble us in form, and you can find great wisdom everywhere among them, and they also do not fully lack love; **but they come into the world, almost like the animals of this Earth, already complete and do not need to learn everything that they want to know and should know right from the beginning. The language is one and the same almost everywhere, and there are very***

distinct limits to its understanding; but everywhere the recognition reaches the highest spirit of God, a recognition which is more a guessing than recognition.

[GGJ03_221,04] In short, you can find people on all the countless planets who are almost fully the same as the better heathens of this Earth, only with the difference that the people on the planets basically do not invent anything new; but what is there is in the highest perfection possible, while the heathens can always invent something new and therefore the way to an endless, ever progressing completion is not and in no way limited.

[GGJ03_221,05] But on the great worlds [suns, planets etc.] there are also wise men here and there who from time to time meet with higher spirits and learn about the deeper recognition of God. Then it happens from time to time that here and there the desire appears in a more enlightened person to also become a child of God!

2.4. Therefore the alien people are unable to develop and build spaceships! Therefore there are no UFOS!

2.5. Therefore, the crop circle phenomena are not caused by UFOS but by either Earthly people or the local natural spirits!

[Editorial note: yes, the last sentence is, of course, interesting to discuss in the future! G.]

When can we expect the end-time and its main events?

Evidence from the old and the New Divine Revelations.

When Jesus was born? When his prophecy about the end times took place?
When were his predictions about the end time?

Jesus was born on 7.1.7 BC and lived 33 years (from 7 BC to 26 AD).

More about the time calculation of the birth and apprenticeship of Jesus:
(<http://jesus2030.de/cms/index.php?view=article&id=342%3>)

The 3-year apprenticeship of Jesus lasted from 23 to 26 AD And in total just over 3 years.

For what end-time events did Jesus reveal more precise times?

In the second year of the year 24 AD, Jesus said, " a great change takes place on the earth, almost **every two thousand years**, and so will be calculated from now on

Completely 2000 years' (prophesied in 23 AD: : ^a www.j-lorber.de/jl/ev01/ev01-072.htm#jl.ev01.072,03, (prophesied in 24 AD:

Time Calculation of the Last Judgment.

Because the predictions of Jesus (through Lorber) from the teaching years 23-25 AD. come, and since **the return of Jesus, the raptures of the last believers, the**

downfall of the false chair of Peter, of the Islam and of all the godless by fire-Justice will take place on the same day, these related events **shall at last take place in 2024 or 2025.** (www.jlorber.de/jl/ev08/ev08-162.htm#jl.ev08.162.05, www.jlorber.de/jl/ev06/ev06-150.htm#jl.ev06.150.17)

The following biblical and recent indications provide information about the duration of the reign and the end of the antichrist:

- The antichrist will rule for about 7 years ([Dan.08,13](#) f.)
- During the last three and a half years, an intense persecution of Christians and all those who believe in God will take place through him and his followers. ([Dan.07,25](#), [Dan.08,13](#), [Dan.12,11](#), [Offb.13,05](#))
- **"Three full years will pass** before the entire Christianity has passed the test of faith, in order to be solidified in itself or to have completely rejected the faith in Jesus Christ as the Savior of the world **And in these three years**, The world with its followers will try to enforce **the complete separation from faith, while the others will become more and more united, and submit themselves more deeply than ever to their Savior** "([BD 0754](#))
- The end of the Antichrist and his followers is done by the Fire (last judgment). ([Dan.07,26](#))
- "I end the cruel game of My opponent If he believes that he has won, **I will come in the clouds and judge the living and the dead** I will take Mine (by rapture), Before I will carry out the extermination of the earth (burning of the Earth surface) and all its inhabitants: the need shall be great but My love will save you, and **My power will put them Who is against Me in chains because His time is fulfilled.** " ([BD 5606](#))

Time calculation for the Great Justice by the 'enemy from the air' (disaster from the cosmos to purification)

The New Revelations of Jesus via Lorber point out that the second coming of Jesus "will be preceded by a great and sharpest judgment" (www.j-lorber.de/jl/ev06/ev06-150.htm#jl.ev06.150.17).

This Justice will be done by the 'enemy from the sky'. A heavenly body coming from the cosmos will cause a huge natural catastrophe. This is clear from the following announcement:

^a This (coming) **natural spectacle will cause a tremendous turmoil among men**, and the **fear** will not be unjustified, for the peculiar phenomena accompany the star, it is always nearer to the earth, and a **collision** seems unavoidable according to the calculations of others Who discovered his appearance and followed his course. But I have predicted this long before that "I send you ^b **an enemy out of the sky**, that a natural catastrophe of the greatest extent awaits you humans who are at the last end The total reconstruction of the earth's surface and will **cost innumerable victims.** " (a. [BD 7423](#). b www.j-lorber.de/jl/ev05/ev05-108.htm#jl.ev05.108.02)

While the Bible and the Revelations via Lorber, in my opinion, will not give sufficient indications when this 'Greatest and sharpest judgment' will be carried out by the 'enemy from the sky', the New Revelations lead to a more precise determination of the time - referring to the second coming of Jesus and the final judgment :

"You will recognize him (the Antichrist) when he will appear but before that the world will **be frightened** by the extent of a natural catastrophe ('the enemy from the sky', the publisher) **He will appear and promise help and salvation** from that great chaos. " ([BD 8734](#))

As now, The Last Justice, **the final end by fire**, happens at the **latest in 2024 or 2025** and the antichrist reigns then seven years till so far but his appearance will take place immediately after the disaster from the cosmos ('enemy from the sky') so will **the catastrophe by the enemy from the sky** will happen about seven years earlier, thus take place in **2017 or 2018**.

Time calculation of the 3rd World War and its end.
From ^a the old and ^b the new Divine Revelations, it is clear that in the end time there will also be an all-encompassing war which is hardly recognizable by the Third World War. (^a[Offb.09,13 ff., Offb.16,14](#), ^b [www.j-lorber.de/jl/ev06/ev06-150.htm#jl.ev06.150,15](#), [www.j-lorber.de/jl/ev05/ev05-107.htm#jl.ev05.107,04](#))

The following biblical references can be interpreted as happenings during the 3rd world war:

In the end time, ^a it will come against Israel and its allies to an Islamic and Russian multi-national coalition - to ^b ' Holy War '= jihad of the Muslims against Israel and the allied Western Christian states.
(^a [Sacharja.12,03](#); [Joel.04,11](#), [Sacharja.14,02](#), ^b [Joel.04,09](#), [Jihad](#))

This ^a coalition of many Islamic states will invade Israel and ^b it comes in the 20x30 km-wide valley of Joshafafat to the decision-making battle. (^a [Hesekiel.38,01-17](#); [Zephanja.03,08](#), ^b [Joel.04,12](#))

Hereby ^a the entire Islamic and Russian coalition army will be destroyed by an intervention of God in the cosmos, which is e.g. also is a divine judgment on Islam.
(^a [Sacharja.12,09](#), ^b [www.j-lorber.de/jl/0/endzeit/nat-kat.htm](#)).

The cause of this detailed specified conditions, leading to ^a the destruction of the Islamic opponent and ^a turning point for Judaism and Christianity, is a ^b direct intervention of God in the cosmos, which ^c unleashes all the elements..
(^a [Joel.04,01](#), ^b [Sacharja.14,03](#), ^c [Sacharja.14,04](#)).

On the decisive day of battle, it will be dark as at night and ^b a tremendous quake will shake the land, air and water.
(^a [Joel.04,15](#), [Sacharja.14,07](#), ^b [Joel.04,16](#), [Hesekiel.38,19 f.](#),).

The Turkish-Muslim leader ^a 'Gog' (Erdogan?), Humans and animals will perish in a hitherto unprecedented way. ^B Soldiers are dying and decaying suddenly, dripping and hailstones, fire and sulfur will pour over the armies and destroy them completely.
(^a [Sacharja.14,12-15](#), ^b [Hesekiel.38,22](#)).

Not only the battle for Israel but at the same time, the Third World War will be ended by the intervention of God from the cosmos ('enemy from the sky'). The latter joins nicely through Biblical evidence inter alia about the battle outcome of the struggle for Israel.

This battle can take place at any time when in the sky a large celestial body (star, asteroid?) is causing a major collision with Earth or is threatening passing by, surrounded by a dark toxic cloud, that triggers every phenomenon and effect with far-reaching consequences and three dark days, what since millennia has repeatedly predicted and visionary was seen. (a www.j-lorber.de/jl/0/endzeit/nat-kat.htm)

The predictions and the supernatural manner of annihilation and the perfect timing would prove that ^aGod himself would intervene. Finally, this intervention of God from the cosmos is intended to end not only the devastating Third World War, but also to revive the faith in God's existence, wisdom and unlimited power. (^a [Hesekiel.38.23](#), [Hesekiel.39.07](#)).

What from Biblical evidence can only be combined, will clearly be told by newer prophetic references:

- ^a "God Himself extinguishes this (world-war) fire by taking away every opportunity of the human to continue the struggle, through ^b by nature event which is unimaginable in its effects. He makes powerless what was previously forceful and powerful, and He shows To them, that His will and power are stronger. " (^a [BD 2803](#), ^b www.j-lorber.de/jl/0/endzeit/nat-kat.htm)

- **"I make an end, when the climax of cruelty (in the 3rd world war, the publisher) is reached** at the side of the people so that the world may know that there is a God in heaven that punishes sin which apparently comes to light in this way ... that it recognizes that the people do not determine the outcome, but I myself And this is different than people expect. ([BD 3371](#))

- **"God will prove His power and sway the weapons of the earthly rulers from their hands.** He will decide everything and the outcome of people's war against each other will disappoint the people who wanted to achieve by violence what was not entitled to them; who therefore must acknowledge their powerlessness " ([BD 3143](#))

Many seers point to a short duration of the 3rd world war (a frequent indication of approx. 3 months). It is clear from the ancient biblical and the New Revelations that the Third World War will be ended by divine intervention from the cosmos (by the 'enemy from the sky') in order to prevent the earth from being completely devastated.

Calculation of when the 'enemy from the sky' will end the 3rd World War.

Since the antichrist will only appear after the intervention of God by the 'enemy from the sky' and that he can rule about 7 years in total until the end of his life (2024 or 2025), ^ait can be calculated back to the time point of (the end of) the Third World War by The 'enemy from the sky' around the year **2017 or 2018 at the latest.** (^a [BD 2803](#))

But nobody knows the exact day and hour of the return of Jesus, the rapture and the final judgment of the Fire which follows immediately ^a "No one knows about the day and the hour, nor the angels in heaven, ^b also nor the Son but only the Father. (^a [Markus.13,32](#)), ^b www.j-lorber.de/jl.him2.066,05 ff.)

Therefore, Jesus advises:

- ^A Watch, for you do not know at what hour your Lord comes.)
(^a ([Matthäus.24,42](#) = [Markus.13,3](#); [Matthäus.25,13](#); [www.j-lorber.de/jl/ev08/ev08-098.htm#jl.ev08.098,11](#))
- (Matthew 24:44) Therefore, be ready. For the man's son comes at ^a an hour when you do not believe anymore.(^a = [Lukas.12,40](#); [www.j-lorber.de/jl/ev09/ev09-144.htm#jl.ev09.144,15](#);

Based on this evidence all Christians should, in particular, the New Revelation Friends - ^a be alert for the signs, pray and ^b prepare appropriate. ^a [www.j-lorber.de/jl/0/endzeit/index.htm](#), ^b [www.j-lorber.de/jl/ev09/ev09-144.htm#jl.ev09.144,15](#))

Editor's note: The historical count is:

-10 -9 -8 -7 -6 -5 -4 -3 -2 -1 +0 +1 +2 +3 +4 +5 +6 +7 +8 +9 +10

-11 -10 -9 -8 -7 -6 -5 -4 -3 -2 -1 +1 after Christ. And so further

Historical year is - 1 before Christ. = astronomical time

astronomical year is + 1 after Chr. = historical time

Thus Jezus is born on 7 January in the year 8 BC. {astronomical time!} or in the year 7. BC. {historical time!}

Why do friends of the Works of Jesus by JL know still far more than the churches and theologians?

Wilfried

Schlätz

1.Question:

On occasion, I am constantly confronted with answering from the New Revelations of Jesus with provocative questions: "Why precisely I know this and that - the theologians, clergy, etc. should all have no knowledge of this or at least, do not want to bring out? This reaction is somewhat odd and comical. But a single and simple person, although teacher, who is related to the whole church?"

2.Answer:

2.1. My answer would be: "My knowledge derives from approximately 10,000 present printed pages, which the Austrian musician and composer Jakob Lorber in the years 1840 to 1864 wrote down. These texts, I have studied since 67 years and examined and that I come more and more to the certainty that, Jakob Lorber was also a true new prophet as the prophet Jeremiah in the Old Testament for example.

2.2. Jeremiah 7,1+3 and 9,22+23:

This is what the LORD Almighty, the God of Israel, says: Reform your ways and your actions, and I will let you live in this place.

This is what the LORD says: "Let not the wise boast of their wisdom or the strong boast of their strength or the rich boast of their riches, but let the one who boasts boast about this: that they have the understanding to know me, that I am the LORD, who exercises kindness, justice and righteousness on earth, for in these I delight," declares the LORD.

(Luther-bible 1984), where in the original text: "JHWH = JAHWE = (formerly :) JEHOVA" was used, the word "LORD" was written in the translation.

2.3. In exactly the same way, the word of the Lord came to Jakob Lorber and he dictated him for 24 years [1840 to 1864] the answers to all the fundamental questions of our life through a literal verbal inspiration [= the inner Word], which also highlighted entirely new concepts, such as shellglobes, specifica of intelligence particles, and life outside the spheres of life, etc.!

2.4. Just as Jeremiah was not acknowledged and fought at the time, just as Jesus was not recognized and fought by the Temple, likewise is today the prophet Jakob Lorber is not acknowledged, silenced or contested by the Christian confessions and sects.

2.5. Since I have lived for 67 years in the ever-growing certainty that we have the real words of the Lord, in the texts which Jakob Lorber received through the inner word, more precisely, with genuine, living words of Jesus, I can in this context apply the words of David in Psalm 119 :

2.7. Psalm 119.99 + 105:

*"I have more insights than all my teachers: for YOUR testimonies [in the Bible by Jakob Lorber] are my speech." -
"Your word [in the Bible and by Jakob Lorber] is a lamp to my feet and a light for my path."*

2.8. For the work of Jesus by JL is the original teachings of Jesus, which has been newly and purely reproduced from the heavens of mankind, especially in the main work of Jesus by Jacob Lorber: in the Great Gospel John (volumes 1-10) and by Leopold Angel (volume: 11). In these 11 volumes, all the important words and deeds of Jesus are received in chronological order in his three years of teaching, as if a dictation machine had recorded all the important conversations, which were then the years 1840 to 1864, translated in the German language. This is how each person can experience the three years of Jesus' teaching as if he had been there like John and Peter at the time, overcoming the large gap of nearly 2000 years:

2.9. Jezus via JL:

*[GGJ.09_094,04] So I also will awaken men from time to time **to whom I will say by means of their heart to the pen, everything that now during My presence, is, happens and is being discussed.** What will then be written once will in a short time of a few weeks and days be multiplied in many thousands of copies in a very artful*

manner which will be very well known by the people of that time, and so they can be conveyed to the people. And since the people of that time will almost generally know how to read and write, they also will be able to read and understand those new books themselves.

[GGJ.09_094,05] In this way, the spreading of My teaching will then again be given **anew and pure from the Heavens** to all men on the whole Earth, much faster and effective than now by messengers in My name from mouth to mouth.

2.10. Jezus via JL:

[GGJ.04_112,04] Nevertheless, all this will not be lost, and when a thousand and almost another thousand years have passed **and My teachings have been completely submerged under the vilest materialism,** I will at that time again awaken men, [Jacob Lorber and Leopold Engel] **who will conscientiously make a full verbatim record in a large book**[the 'Great Gospel of John' via Jakob Lorber (books: 1-10) and via Leopold Engel book 11) **of the discussions and events that have taken place here in our joint presence. This will then be given to the world and will cause many eyes to be opened again!"**

2.11. Only to the extent that Christian confessions and sects acknowledge the work of Jesus through JL, and partly through LE, and will no longer be silent or will no longer fight, only to this extent will they be eternal true to all the theological problems and questions, indeed to all fundamental questions of our lives And the only valid answer of Jesus!

2.12. The friends of Jesus 'work through JL know much more than the churches, theologians and scholars of all disciplines, because they whole-heartedly acknowledge and internalize the eternal truths of Jesus' work through JL. Therefore, as long as the churches, theologians, and scholars of all disciplines, do not acknowledge or condemn the work of Jesus through JL, they will know much less than JL's friends of the work of Jesus.
