## International

Date: 15-06-2022, number 76

Friends of the Jesus Revelation through the writing servant and writing prophet Jakob Lorber feel connected to all people of the world as creatures and children of one and the same Father. This Heavenly Father embodied Himself in Jesus Christ about 2,000 years ago and did not manifest Himself as Savior and Teacher until age 30, for three years. The spirit friends of the Divine Revelation recognize in this eternal declaration a new and great Word of God and aim to achieve a joyful mutual exchange.

## Contacts – News – Reactions

**Christiane Krüger from Germany.**

Dear Gerard,

First of all, I would like to thank you for your tireless work in the service of the Lord and I am always looking forward receiving your bulletins. With the Lorber Work, we have received a great gift. I have been reading the work since 1981 and am a member of the Swedenborg Centre in Berlin. Peter Keune told me about your bulletins at the time, previously from Italy.

I know you have already been made aware of the "3rd Testament" (Mexican Revelation). That did not go down well. No wonder, because we have enough to do with Lorber and Swedenborg! Our congregation is doing exactly the same! There is no need for more. The result of the godlessness that has befallen us as humanity is clear!

My 54-year-old son was an alcoholic. He has been reading the 3rd Testament for 3 years and he is thrilled with it. He has kicked his addiction. He knows a few books by Mayerhofer and Lorber (natural testimonies) from before. The "Great Gospel of John", which we love so much, unfortunately, remained unread on his family shelf and was sorted out at the time. Now I have given it to him for the 2nd time (he lives alone now) but his strength is not enough at this time ..... Now I'll make it short:

in 2018 I held a 3-part combo of lecture and reading with Michael from our congregation under the motto "The lights will recognize each other" GGJ 9th vol. chapter 94 verse 14 ff. [www.drei-offenbarungen.net](http://www.drei-offenbarungen.net) 49 pages by Manfred Bäse. For these 3 tea rooms, as we call them, I made a drawing, appendix (which could be improved)! There it is not Swedenborg **or** Lorber **or** Mex.Ofb., but all 3 are connected like **Father-Son-Holy Spirit**. By the way, the translation from Spanish (Mexico) was mainly done by a Lorber expert from Paraguay. "Introduction to the "Book of True Life" can be obtained free of charge from the Unicon Foundation [www.unicon-stiftung.de](http://www.unicon-stiftung.de) (also downloadable as a pdf file).

Info and appendix: in 2018, 2 Swiss Lorber friends published a book: "**The Meaning of Life**" **Woher - wohin?** in which they also mention the 3rd Testament. There are interviews with the two authors every 14 days on Swiss health TV. I will send you more information. Now I wish you continued success with your bulletins with God's blessing.

With kind regards,  
Your Lorber friend Christiane Krüger

## Answer

Dear Christiane,

Thank you for the nice contribution. It is nice that you also thought of it; every little amount, blesses our work from above, I am convinced of that.

As for the book: "The Third Testament", as you yourself state, it has also been described by us several times. I fully understand that your 54-year-old son got rid of his alcohol addiction by reading 'The Third Testament'.

God's ways are inscrutable and some people experience this in the churches, no matter in which church because every church has set itself the goal to serve the Lord and to bring his word.

From the Jacob Lorber literature, Jesus the Lord says that every church, where you feel comfortable, has the goal on its own level. And so this can also be compared to the "Third Testament". Each in their own sphere or level.

We all eventually arrive ONCE - even the worm at the goal that the soul has once set itself to choose the path to the true light. For me personally, the literature of Jakob Lorber remains the highest good and love, which is always in the foreground and is also emphasized.

But I like to repeat here again that every soul needs that what comes to its own path at the right time. Then it will certainly be blessed by the Lord.

Thank you for your messages and with attachment in Jesus, our only Father. G.

## ‘Catching ‘fish’

Abram said, Behold, Thou hast not given me any seed; and behold, the son of my house shall be my heir! [Genesis **5:3**] - [**Genesis is the GNOSIS and written by MOZES!**]

‘And they sang the song of Moses, the servant of God, and the song of the Lamb, saying: Great and marvellous are your works, O Lord, God Almighty; righteous and true are your ways, you King of the saints! John mentions here the SINGING of MOZES and that of the LAM. [Rev. **15:3**]

‘**The sons of God**’ means in Hebrew: **beni ha elohim**, which corresponds to the Hebrew number 153 of 2 + 50 + 10 + 5 + 1 + 30 + 5 + 10 + 40 [**ינב אלוהים**]

1+2+3+4+5+6+7+8+9+10+11+12+13+14+15+16+17 = 153 and 1+5+3=9x17 = **153**

Moreover, on **15 March** [15-3] the Lord revealed Himself again for the first time in a long time before HIS CHILDREN: **the great AGE OF PISCES!**

It is "creative" to say that the 153 fish have the value of "the children of God" in Hebrew and that the Lord with His great PISCES also started on the 15th of the third month [March 15] with the New Revelations, to share His teachings with mankind. (John 21:11)

In Matthew 13:47, the kingdom is like a dragnet thrown into a lake, with which all kinds of fish were caught.

The triune number of 17 [ $1+2+3...+17 = 153$ ] - The seventeen nations are described at Pentecost in Acts 2.

Noen =  $50-6-50 = 106 \times 153 = 162.18$

From Engedi to En-Eglaim, there will be fishermen, and there will be drying places for nets. There will be as many kinds of fish as there are in the Great Sea. (Source: Ezekiel 47:10, New Bible Translation). Here in Hebrew, 'GEDI' has the numerical value of 17, and 'eglaim' has the numerical value of 153. Since this also concerns a catch of fish, John, with his 153 fish, would have made a subtle connection to Ezekiel's words. [Ezek.47:10]

The Bible explicitly states that there were 153 fish in the net, which may have had a special meaning for the apostles. First of all, in ancient times people knew 153 kinds of fish. Jesus had already called disciples 'fishermen of men' (Mark 1:17), but they focused exclusively on Israel. **The number 153 represents all kinds of people or the whole world.**

Now it appears that 153 is the numerical value of the word Paschal Lamb and also of the Hebrew words 'scattering' or 'casting out' and of the expression 'sons of God'.

The number 153 is the numerical value of the nine letters of the Hebrew words

bny h'lhjm (Benei Elohim), 'The Sons of God'  
 $2 + 50 + 10 + 5 + 1 + 30 + 5 + 10 + 40 = 153$

But there is more to this number. By a happy coincidence, 153 is also a multiple of the God's name number 17 ( $9 \times 17$ ) and moreover the triangular number of 17, the sum of the numbers from 1 to 17.

The God's name Yahweh, in Hebrew "JHWH" =  $1+0+5+6+5 = 17$

**(The Yod is counted as 1 + 0)**

The 17 can stand for the 17th day of the year, the 17th day of the first month, the day of Christ's resurrection (17 Nisan). On the 10th of the first month, they took the paschal lamb and the "entry" into Jerusalem was made.

One week later the Lord rose from the dead and so it was the 17th of the first month.

Israel passed through the Red Sea on the 17th of the first month. This is an image of resurrection. The people of Israel were born there. The 17th was also the day Noah's ark rested on Mount Ararat. Although that was the 17th of the seventh month, later on, that seventh month was made the first month. Then the new world takes shape, as it were. If you do the math, that same 17th day also turns out to be the day on which Abraham arrived in Canaan, although it is not explicitly mentioned. The 17th was also the date when Esther appeared before the king and received salvation.

**1 to the power of 3 plus 5 to the power of 3 plus 3 to the power of 3 = 153 = 1 + 125 + 27**

Number 153 has the mirror image 351, which is itself, the triangle of 26 (the sum of 1 to 26). There are not that many triangular numbers. Number 26 is also the numerical value of YHWH ( $10+5+6+5$ ); Jewish tradition also adds the numbers together ('small count'):  $1+0+5+6+5 = 17$ . This number refers to the bitter end of an old world and the good beginning of a new world.

Both 26 and 17 are 'holy' numbers. [In the worldly world 26 is an unholy number]. In John 17:17 it says, 'Your Word is truth' and that has the numerical value  $26 \times 62 = 1612$ .

Joseph was sold by his brothers to Egypt when he was 17 years old (Gen. 37:2). Father Jacob was cheated with the blood of a goat (Hebr. gedi, 3+4+10=17). Good' is *tov* (9+6+2=17).

Here the beginning of Joseph's misery meant the passage to a new time, both for Israel and the 'world' (that is Egypt). After his great sorrow, Jacob lived another 17 years in this 'new world' (Gen. 47:28).

**The 153 men** who died by Elijah's fire represent the sons of God who would later be baptised by fire. They are the same as the 153 big fish that disciples caught after the resurrection of Jesus. [John 21:11]

The Hebrew letters for 'Sons, children of God' together appear to yield the number 153. The narrator of the gospel began with this description: 'He who receives Him and believes in His name and acts accordingly has the privilege of becoming a child of God. (John 1:12).

**Everyone's process of making one after one into an apprentice..  
fish after fish...**

The numbers 17 and 153 are both found in the prophecy of Ezekiel 43, where we see fishermen (!) spreading their nets along the Dead Sea. Between En-Gedi [3-4-10 - goat] and En- Eglaim [70-3-30-10-40 = 153 - calves].

There is also a reference to the end times as described by Ezekiel. It is about the children of Israel.

Genesis 48:16: "And let them multiply as fishes in multitude, in the midst of the land! Be as many as the fish in the midst of the earth [of the world]."

## **IS THERE A FEEDING MOUTH OF THE EARTH AT THE NORTH POLE?**

By Helmut Nadlinger from Austria

According to the information received by the scribe of God Jakob Lorber 150 years ago, the answer here is a clear "yes". Even the size of the rim of the mouth crater and the extent of the chasm leading into the bowels of the earth are indicated from 20 to 30 miles.

But why has nothing of this nature been found and discovered until now, despite the most modern research methods with satellite photographs, radar, planes flying in large numbers over the North Pole, and also scientists working directly on the North Pole!?

The Lord tells us about this from His omnipotence that no one should ever find this place, because mankind in their ignorant stupidity and selfishness would cause devastating damage to the planet.

Is there not another, more natural reason why this [northern] mouth of the earth, this huge crater through which ice crystals with all their spiritual-psychic contents are sucked, could not be discovered?

Nowhere in the New Revelation does it say that this crater is located directly and exactly at the northernmost point of the North Pole, nor that there is a visible hole to fall into.

Let us go one justified step further and consider man as a material product of the earthly body: where is his organ for absorbing food?

Certainly, in the head, but just as little should lie in the center of the earth as a nourishing mouth. Just as our mouth is not in the middle of the head but at the bottom of it, so the "mouth of the earth" must probably be somewhere at the far edge of the North Pole.

And this place could also be in the north of Greenland! And the ominous "rift depth"? It may lie under thick layers of ice from which the Earth magnetically sucks up the lower crystals, which then grow new ones from above and are therefore never visible.

Under "Meteorite impact in Greenland" on the internet you can find news and also pictures of a round crater with a diameter of 31 km with steep walls, completely covered with an incredibly thick layer of ice so that its existence can only be confirmed with a special radar of an airplane that could recognize and record it. It is believed to be the crater impact of a meteorite. But is it really?

**In Hosea 4:6 it says: "My people are destroyed for lack of knowledge".**

**Belarusian President Aleksandr Lukashenko has stated via the Belarusian telegraph agency BelTA that the World Bank and the IMF have offered him a bribe of \$940 million in the form of 'Covid Relief Aid'. In exchange for this \$940 million, the World Bank and IMF demanded that the President of Belarus:**

- Place his people in lockdown.
- Force them to wear mouth masks.
- Impose a strict curfew.
- Establish a police state
- Crash the economy

**President Aleksandr Lukashenko of Belarus refused the offer, stating that he could not accept such an offer and would put his people above the needs of the IMF and the World Bank.**

Now IMF and World Bank are bailing out bankrupt airlines with billions of dollars, and in return, they are forcing airline CEOs to implement VERY STRONG POLICIES, such as REQUIRED mouth masks for EVERYONE, including SMALL CHILDREN, whose health will suffer as a result of these policies.

**And if this is true of Belarus, would it also be true of other countries?**

## The prophecies of Veronika Lueken in the 70s

Remember, My child when the world cries 'Peace! Peace!', then you know that the end is not far off.

Those in power are already working to bring about this great world war... but often the truth is hidden.

On the right side of the sky there is now a very large map - the outline of Africa - I recognize it. Our dear wife [Veronika] says: "Divisions and struggles; disagreements and quarrels with communism".

The outlines of Africa are now disappearing and another outline is appearing. I recognize it as Western Europe. And our wife says the same thing again. Then an outline of Italy appears...on the map: here too "division and strife, blood will flow in the streets during the revolution."

I want to send you a signal of warning when the time comes: when you see and hear that a revolution is going on in Rome and when you see the Holy Father fleeing, taking refuge in another country, then you know that the time is ripe.

It is as if everything in the air would explode - the flash! It is very hot, very warm. It feels like it is on fire. Now - the sky is very white... Colors: shades of blue and red, like from an explosion. NOW - that voice, that voice... your warning of the target - lightning, fire, and a voice inside you.

**Syria holds the key to solving world peace or world war. Everyone should know that there is a plan now in Russia, a plan against the United States and Canada. Your nation and Canada are surrounded. Preparations are being made for a major invasion of the United States and Canada.**

**Russia is planning to conquer the United States and Canada with missiles. I see a very big, terrible war. I see it... it looks like a mushroom. A huge explosion and everything is destroyed.**

I'm looking down a street right now... and people... running and screaming. Mothers with their children in their arms are running with many others out of the city into the countryside. And when they look back I hear a mighty voice saying: Don't look back, grab your things and run!

Oh my God, I look back and when I look back, I see something what looks like bodies, but I cannot see them... they look like they've been burnt, black from burning... Now I see - something has been levelled. It looks like it used to be a city, but it is flat and smoke is rising and everything looks like it has collapsed like a house of cards.... and the land is almost completely destroyed.

The punishment will be in two parts. One part is carried out by men with their own hands: a war that will become so great that it will almost wipe out the whole earth if the merciful heart of the Eternal Father does not intervene; and **the second part**

**is the judgment from heaven through the bullets of salvation.** You will be warned of the approach of the Judgment sometime before. **But the atonement comes too late for many: the Father has already sent the ball [star] to you.**

The visions of the ball of fire: it quickly revolves around itself, it passes behind the moon. The moon looks blue on one side, a part seems to melt. On the right side of the moon, it reappears as a flaming star, sparks fly widely like fireworks. The colors are deep red and orange. **As the atonement approaches, it becomes very, very hot, and parts of the sky turn white...**

**On Earth, the water rises fifteen times higher than the normal waves...** Buildings collapsed, and all kinds of things floated by... Then out of the atmosphere floats a huge celestial sphere [star] like a burning sun, trailing a trail of fire behind it, whirling with great speed through the air towards the earth. Unbearable, fire-sweating heat everywhere - cities are in flames, people are running for their lives, falling, **and many are looking for candles, but the air is heavy and suffocating, oxygen is lacking, and even the candles will not burn.**

All the lights on earth have gone out. The fireball spits out huge clouds of hot dust, which fall - coughing spasms. Large boulders start falling and people run in all directions, but there is no safe place.

Aahh, I see the sky becoming all bright red, almost orange...orange-red. And the light is so bright it hurts my eyes. And I see this huge fireball... **and as it rushes through the sky, part of it separates.** And now it's disappearing behind the sun. I see this huge ball, the sun - it's a ball of fire, and the fireball I'm talking about is another fireball.

And part of it has fallen from the fireball, and it falls on the sun, and, ooohh, there is an explosion.... everything is paralyzed. Now I see people holding on to the chairs of their houses - everything is shaking. It's... it's... as if the foundations of the houses started to tremble. And everyone is scared, many run into the street.

But others run to the windows to close them and lower the blinds. Ah, ah! Many look outside, I see them looking out of the windows. But they don't go out, they are not allowed to go out... And now I see this black, the big, thick smoke... the moon is completely covered, I can't see it, and it doesn't give any light. Now the sun seems to be spraying particles as well...

Now we see a piece of fiery rock over there, it's very big, it's falling... it falls into the water. Now the water is more steam, hissing steam, and I think the piece that fell into the water was very big because the water rises very, very high.

**A sight of the approaching celestial sphere [star]** - buildings collapsing - voices screaming in despair - great scorching heat - flashes of fire. The earth seems to stand still, to stop turning - lights go out - people walk aimlessly back and forth in the dark - panic everywhere. In one house a candle is burning, and people are clinging to the door like animals trying to get in.

Another house has boarded-up windows, a candle is also burning, but no door opens. Glowing fire dust and lumps of stone begin to fall from heaven onto the people in the streets. There are cries for mercy - blood flows in all the streets. Veronika counts about fifty corpses lying outside. Under a sink a man can be seen holding a cross out of the crevice, a voice shouts shrilly. - "Three days, three days."

The Darkness of the atmosphere - Beware of the sunrise. Do not look at the sky - the lightning. Close your windows. Draw your curtains. Stay inside, don't venture outside your doors, you won't come back. Pray.

Kneel down on your floor, pray with outstretched arms and beg your God the Father for mercy. Do not try to take your animals into your homes, but the animals of those who are good in spirit will be protected.... Make sure you have consecrated candles, water, blankets, and food ready in your homes. Amen. I tell you, when the day follows the night, great darkness will come upon mankind.

## **Mankind & the environment are getting worse.**

### **The New Revelations says:**

Through Jakob Lorber the Lord manifested Himself or made Himself known through the Word some centuries ago. The present time in which we live and will continue to live He then says: *'Others believe nothing, do as they please and put all their trust in silver, gold and bank shares.*

*Then there are those who only speak of Me with great enthusiasm and only praise Me when they have been enlivened by a little wine or beer. But when this spirit has evaporated, I have become a very dry patron of their hearts. When this spirit has evaporated [so have drugs], I have become a very dry patron of their hearts. Then there is no more enthusiasm, no more love glow of sprinkling words, and no more diamond solid trust!*

*And if here and there My word is treated as dry as the sand of the Sahara desert, but alongside that, an extraordinarily stupid and insipid novel is treated as a source of salvation ... [TV or an exciting one when the dregs are mistaken for gold, but the gold, the real gold, for pure dregs! [Gifts of Heaven, Part 2 - 5 June 1847]*

**Do people still have 'compassion' for one another? The Lord describes here the 'judgment of lovelessness' that applies to our present industrial society.**

The Lord: *'This is only the beginning! - I have given the peoples, all the great, powerful, and rich and all the merchants, craftsmen, and industrialists sufficient time and opportunity to improve themselves by means of the many signs, such as small*

popular uprisings, smaller wars, by means of a thousand petitions, posters and all kinds of magazines, as well as by epidemics, local famines, by lack of money and unemployment, as well as by violent hailstorms and floods. [Gifts of Heaven, Vol. 3 - 1-10-1848] [Note: this also includes the so-called 'sham pandemics' - all these phenomena have developed at a rapid pace during the last year!]

The Lord: "I **gave the earth a lasting peace**. Then the princes slept, their ministers robbed and oppressed the people, and the people whistled and danced and forgot Me along with the princes and ministers. But I did not sleep and did not oppress and really had no reason to whistle and dance; for a true Father cannot rejoice when a serious epidemic comes and kills one child after another from him. But if the epidemic plague long indulges its wantonness, the Father can only be seized by just wrath; and since this Father is also a Lord over all epidemics, it is now time to trample the head of the epidemic over all Europe, yea over the whole earth! [Gifts of Heaven, Vol. 3, 30-12-1848]

Rudolf von Habsburg spoke to the Lord of the Beyond and said: '*O Lord, I believe that there is not much more to be done with these present people, for the judgment of death is already written on the forehead of almost everyone. Where no one cares anymore for the needs of his neighbour, where the loud lamentation of misery is drowned out by the noise of the boastful world, there all effort is in vain. That is why I think that no special efforts should be made for this spiritually almost dead mankind, but that we should let it die out quite naturally through all kinds of epidemics. Only the few good people should be retained, so that through them the earth may once again have better inhabitants.*

I say: "*My dear friend, you are quite right; it is really a misery as it is on earth now! I tell you, **it is much worse than in the days of Noah and Lot.** But what can be done but to be patient and patient?*

*Let them all die today, and they will be no better in the spirit realm than on earth. If, however, you leave them to their fate on earth for a time, so that their stupidity makes them truly miserable, many will come to repentance.* [Heaven and Hell, Volume 2, Ch. 257:12,13]

The Lord said to an innkeeper in Jericho: '*Yes, friend, that fire will be great and general distress, misery and sorrow, of a greater magnitude than the earth has ever seen. Faith shall be quenched and love shall be chilled, and all the poor generations shall lament and pine; **yet the great and mighty and the kings of this world shall not help those who entreat them, because of their pride and therefore because of a hardness of heart.***

*'So shall one people rise up against another, and fight them with firearms. This will cause the rulers to fall into great unpayable debts and to torment their subjects with impossibly high taxes. As a result, there will be excessive cost, famine, **many***

***malignant and contagious diseases, and epidemics among men, animals, and even plants.***

*'Also there will be violent storms on the mainland and on the sea, and earthquakes, and the sea will overflow its banks in many places, and then the people will be in great fear and dread because of the things that will come upon the earth!'*

*'All this will be permitted to turn men away from their pride and selfishness and great inertia. The great and the mighty will be tormented with boredom and will be forced into action to be freed from that torment.'*

*'And behold, that is the first kind of fire, by which men will be purified before My Second Coming.'* [GGJ8-185:2-6]

What these two angels of God and what I as Lord and God Himself foretold of the then Second Coming of Christ have now come to maturity and will shortly come to pass; **for all preparations are now almost in process.** The hearts of men now look as they do in these times with their greyish appearances. They are full of lordliness, avarice, envy, fornication, brasserie and whoredom, full of strife and contention, savouriness, full of robbery, war, and pestilence of various kinds.'

Discontent, lovelessness, and utter mercilessness have taken possession of them, and with them has come upon the earth such misery as their kind has not yet borne, felt, or tasted on this earth.

That is why it is necessary that this most wretched time should soon come to an end since otherwise all those who have been counted among the chosen ones up to now could still be shipwrecked. **Before I can return as the Lord and Creator of all life, the earth must be cleansed of all weeds;** and this cleansing applies to all corners of the earth. He who is now greatly diseased in his soul and does not try to make his soul well, he will not make it until he is ruined. [Gifts of heaven, Vol. 3-49.04.06,09]

We are really at the tail end of the end times. You don't have to be a prophet to do that. It is purely a matter of paying attention to the 'signs of the times'. Some will say, "Here is another one of those who predicts this and that as soon as there is even a threat of war.

The time will soon come when everyone will distribute all the abundance to his fellow man. We will no longer go on in the usual way. And instead of heavy industrial auxiliaries, horses will again serve us. Also, we will have a complete true [spiritual] RESET from above.
