Dear Mr. Gerard,

I am really looking forward that I can read the Lorber International journal again on the computer and don't need written paper sheets anymore. I will transfer 25 € as the smallest amount.

Sincerely,
Maria from Italy.

Answer

Good Maria,

Many thanks for this gift. I can use this very well, as more and more translation costs arise.

Best regards, G.

Regarding the theme **the Flood**: see Hannelore Winkler – '**Sinflood – decrypt from the learntext** since 2000 years before Christ.' Text collection: Sumer, old Babylonia, Judea - Israel, Greece, Roman Empire and Empire Austria 19th century - LIT Publishing House, 448 pages, printed with the support of Jakob Lorber-promotion work e.V. **See: www.JESUS2030.de under new books.**

It seems that the JLIB is published monthly. Would you tell us your editorial deadline, every 15th or 20th of the each month? So we can offer our proposition text in time.

Best regards, Klaus

Answer

Dear Klaus,

We appreciate it very much that all delivered text, preferably in the first week from the 15th day until the 20th day of the month] after receiving the JLIB-Bulletin, are sent to

It seems difficult, to me, to prevent "discussions" in this bulletin, because at some text or responses I put question marks. (raise questions to me) For example the text from Giuseppe on a book about 'professionals topic 'sexuality'. Who o who, is a greater 'professional' than Jesus?! Such an opinion I read with great astonishment. The tone of that specific piece of text I find reproachful. That is not in love, I think right away. Do you know what I mean?

These are my first responses for now,
Yours sincerely, N.N.

N.N. from the Netherlands

Answer

Dear N.N.,

Here you hit the nail on the head. I can underline what you emphasize. There is none other than the Lord, is our professional. Also, I felt bad at that time for choosing that word, in the translation of German to Dutch, for describing the word 'Expert' as professional.

(allow me to confess]. With regard to the tone of that article, is not explicitly stated in my nature. I really like to receive such [constructive] comments in this bulletin. We can learn a lot about it. Thank you again for this good remark.

Yours sincerely, G.

Al I. Lima Filho from Brazil

Hi.

I'm actually part of the organization that publishes the New Revelation books here in Brazil. We call ourselves Neoteosofy Union and our site is www.neoteosofia.org.br

We distribute the books printed, in PDF, EPUB and Kindle for everyone interested without any cost. I'm now working on the EPUB version of the Great Gospel of John Volume I.

I was thinking about using short versions of the titles for this book. It is the only one that has very long titles. Did Lorber also receive the titles for each work, or were they introduced later by the publishers?

Answer

Hi All. L. Lima Filho,

You do a good job. We have viewed your site. There are beautiful sounding songs on it. We are very excited about this. All titles as Jakob Lorber received this from the Lord, are original and not added later on. This makes everything so special. We wish you all the best and may God's blessings rest upon the spread of his teachings. G.

Dear Gerard,

hopefully you had a cozy and consciously experienced Christmas, in the meantime. Now the holidays are over I have summarized my thoughts from the past 20 years (see annex). You may, if you consider it useful, publish this annex in the newsletter. Still my best wishes - Rudy Vercauteren

Jesus' year of birth

My quest for the year of birth of Jesus came from trying to figure out how the human part of Jesus could be situated, based on astrology. My reasoning is as follows:

The time of birth of Jesus, as we read in the book "the childhood of Jesus", happened when the moon was full and stood just above the horizon. Joseph, who went to find a midwife in Bethlehem, told on his return that whole of nature remained silent (stood still) for several minutes.

The first Christians and the remaining present Christians in the Middle East celebrate Christmas on January 6.

The Romans have, at the introduction of Christianity as an official religion (beginning 4th century), based their calculations of year of birth of Jesus Christ on the seven years old Roman census at least 300 years earlier and have miscounted the number of censuses when wrongly assumed that the Roman calendar started 7 years from the actual year of birth of Jesus, at that time.

Astronomers have discovered that every 243.5 years a conjunction of Jupiter and Saturn can be seen on the earth for three days. Using the computer program Skyglobe 3.6 I have found: located the time of full moon and the conjunction of Jupiter and Saturn as well

The full moon rose around 22:00 .That's why we can assume that the hour of birth of Jesus must have been around 22:30 on **6 January of the year 6 BC**. There were no retrograde planets at that time. Jupiter and Saturn conjunct the sign of PISCES at that time, which had a

possible connotation with the fish symbol used by the early Christians as sign. Below the astrological birth chart (horoscope) of Jesus Christ*. I have been written down a report of this horoscope using some astrology books but can also be reviewed by others, more experienced and also Jesus ' friendly people.

The science of astrology, also practiced by the three wise men from East, highly regarded since ancient times, is through the centuries, mostly degenerated to an occult and world's forecasting system.

The characterology (soul) and the medical astrology (body) are useful applications of astrology. Concerning the predictions of astrologers, I consider that as useless, unnecessary, unreliable and annoying for normal human development.

However, the three wise men were able to find the Lord in Bethlehem thanks to their astrological calculations, predictions and searches. Apparently exceptions are allowed if the Lord wants it.

Rudy Vercauteren, 3 januari 2016

Answer

Best Rudy,

I did not post the horoscope drawing* because it would take up too much space. Others, who are interested, can possibly contact you about this. Your article sounds very acceptable. However, according to Jakob Lorber the Lord was not born on 6 January but on 7 January in the Jewish year 4151 around midnight. [This makes a big difference of 24 hours!] That this happened before midnight is clear!

The only date of full moon, in the period around the birth of Jesus, we can find in the new and most advanced professional astronomical Redshift 8 Premium program. **At January 7, 8 BC the moon was full for 99.1%.** The year 8 BC seems a very special year to me. **I couldn't find anything in that program about the year 6 BC!**

Also is looked at the date of a complete Lunar Eclipse at the time of child Jesus in Egypt.

When the child Jesus stayed in Ostracine [in Egypt] not far from the Israeli border, there was **a full Lunar Eclipse. Here we prefer to use the time of the complete Lunar Eclipse, when the child Jesus was almost two years old.** This was on november 18 in 7 BC to 03.03 [Midnight].

At that time a Lunar Eclipse occurred, that ended at exactly 06:37 hours, **and lasted 3 hours!** [see childhood of Jesus {revealed in 175, verse 24}. This is also in line with the information we have set out in detail in the previous edition about the year of birth of Jesus.

In the year 19 n. CHR. and the year 24 n. CHR. [at 10.59 hours – Jerusalem] a total solar eclipse took place, for a short time. **This would refer to 6 BC!** There was no Solar Eclipse at the time of death of Jesus! No other data is found, around the birth of Jesus, than those just mentioned. Here we use of astronomy to determine solar and lunar eclipses and all moon phases. Other astronomical programs are also tested, but strangely it turned out not to have the same alignment to each other. This should be! This raises some questions.

The Lord himself says on the theme of astrology in the Johannes revelations: As said, **from your time calculations only the seven to seven days continuously changing moon quarters, the emerging week from it, the time of a moon and the duration of a year, are true and right,....** '. [GGJ6-96-12]

Therefore I think that ,the full moon phase at the time of birth (hour) of Jesus' is very important. Apparently this is now astronomical double outdated in twofold. [even though the opinions are still divided by to lack of 'good' astronomical software, that not match eachother] And this allows us to close this theme.

Dear friends,

This time we received two very important themes about homosexuality. Brother Wilfried Schlätz and Klaus Opitz have always indicated the source of information in their articles, so you can go deeper into the matter. We like to thank them for this great work.

HOMOSEXUALITY

Klaus Opitz

What does the New Revelations say about homosexuality?

To start: What do the churches say?

SYNOD. Protestant Church marries homosexuals

“Homosexual couples may marry in the Protestant churches in the Rhijnland, from now on.

The marriage of the same sex is also registered in the church book. That Synod of the two largest Evangelical churches decided this on Friday in Bad Neuenahr with the necessary two-thirds majority. 198 synods voted in favor of the changes in the ecclesiastical Code with two votes against and 11 abstentions.

In the rheinische Church only blessings of same-gender sex couples were possible, Up to now. The wedding ceremony can now also be registered retroactively. Condition to get married in the Church is that at least one of the partners must be a member of the Protestant Church ... (dpa/Kölner Stadt-Anzeiger vom 16/17.1.2016))

In "YOUCAT", youth Catechism of the Catholic Church of 2010, is set out:

415) "How does the Church -look at-homosexuality?

“God created man as male and female and destined them for each other in a bodily way as well. The Church accepts without reservation those who experience homosexual feelings. They (people who are experiencing homosexual feelings) should not be unjustly discriminated against because of that. **At the same time, the Church declares that all homosexual relations in any form are contrary to the order of creation.“ (Youcat, 415) [2358-2359] > 65**

"What does the Bible and the New Revelations say about homosexuality?"

Old Testament:

“You shall not lie with a man as one does with a woman. **It is an abomination”.** (Leviticus 18,22) (and Leviticus 20,13)

New Testament:

For this reason God gave them up to dishonorable passions. **Their women exchanged the natural function for which is against nature. Likewise the men, abandoned the natural function of the woman, burned in their lust toward one another, men with men committing indecent shameful acts, and receiving in themselves the due penalty of their error. (so it shall be) [Romans 1:26-27]**

The New Revelation:

The Lord: ‘...Behold, the pure thought in your head about things which are still concealed by the dark future before your spirit, can be compared to a man **who wants to procreate a**

living fruit in a man as he can do it in a woman, which at the same time would also be the largest sinful fornication! [HHG-3-31-13]

*‘But the very most shameful **whoring consists of the violation of boys and of the sullyng of other limbs and parts of the female body, as are ordained by God[for that purpose of procreation], or even in the violation of animals;** such violators are to be completely eradicated from all human societies for ever’. (GGJ.03_068,09)*

*‘Therefore it will be said to you in all truth, that male and female fornicators, adulterers and adulteresses and lecherousers of all kinds **and all genders will with great difficulty or not at all find an entrance to My kingdom**’ (GGJ.04_230,05)*

As surely God lives and whose Word through my mouth comes to you, so shall everything you desire now as a heaven full of pleasure and seduces your hearts, will soon become a hell of most horrible kind to you and all your kind! the Lord did not give the flesh this sense as a necessity, but as a quality for a balanced and wise use. Those who make a necessity out of it, are miserable sinners. [...] The Grace of God abandons his heart, because he obeys the stupid law of the flesh and builded a heaven goats and dogs according to the justice of death and judgment. [Heaven and Hell - RB.02_203, 15f tot 18)]

“The marriage is first, the first discipline in which humanity must be conceived since they should ever come to a higher order!

*Marriage is a free unity of two hearts, two souls, two spirits, from where someday **the great Union in Me and with mySelf should emerge as an purpose of all being**”...*

*But when and how should this be achieved if the seed not received in first place, by a **well-ordered and correct marriage and by its induced conception?** So comprehend, those who can understand it!*

*By sexual **abuse, lust and harlotery** of the flesh also by adultery of any kind, no fruit can be conceived for God! – That's why it is such a sin **for I, God the Lord am the highest and most perfect Order** and therefore cannot admit, **that the man, as the end of all My creation, should be conceived as frogs in stinky pools**. Understand that, those who can comprehend! Amen." (Gifts from Heaven 02_47.06.10, 12)*

In the **responsibility of the churches**, as to every individual Christian, it is not so much about to sacrifice the spirit of time but mostly focusing to live their lives to the **teachings of Jesus'**.

Lord says in Gifts from Heaven:

“A church is only a church, if they learn My will and preaches life in name of love, that on the Cross bled for the whole earth, yes for the whole of creation.”
(Gifts from Heaven, part 1, the true Church, 01,01)

Continuing contacts and reactions:

Wilfried Schlätz from Germany

Dear Gerard,

- 1.** Many thanks for sending the first three editions of JLIB! Brother Klaus Opitz has urged me to support your new JLIB, what I love to do from now on because the international contact and exchange through Jakob Lorber in the already started focusing time, the personal return of Jesus is especially important to me, with friends of the Jesus Revelations through Jakob Lorber!
- 2.** Attached my article: A3214- (Homosexuality) my contribution.
- 3. Remarks about the individual person of Lucifer.**

3.1. Emanuel Swedenborg (ES) denied the existence of all ancient-created angels (Raphael, Michael, Gabriel, Zuriel) and also the existence of Lucifer;

3.2. ES: "Heaven and Hell":

*311. PEOPLE in the Christian world are totally unaware that heaven and hell come from the human race. They actually believe that angels were created in the beginning and constitute heaven, and that the devil or Satan was an angel of light who became rebellious and was cast out together with his faction, and that this gave rise to hell. Angels are utterly amazed that there can be this kind of belief in the Christian world, and even more so that people know absolutely nothing about heaven, even though this is a primary doctrine of the church. Knowing that this kind of ignorance is prevalent, they are profoundly delighted that it has now pleased the Lord to reveal to us so much about heaven — and about hell as well—and so as much as possible to dispel the darkness that is rising daily because this church is drawing to a close. So they want me to testify on their behalf that in all heaven there is **not a single** angel who was created as such in the beginning, nor is there in all hell a devil who was created as an angel of light and cast out. Rather, **all** the people in heaven and in hell are **from the human race**—in heaven the ones who have lived in heavenly love and*

faith, and in hell the ones who have lived in hellish love and faith. Hell as a whole is what is called the devil and Satan. The hell at the back, where the people called evil demons live, is the devil, and the hell that is in front, where the people live who are called evil spirits, is Satana...

544. People in the world still believe that there is a devil who rules the hells and that he was created as an angel of light but was cast into hell with his gang after he led a rebellion. The reason for this belief is that the Word talks about the devil and Satan, and about Lucifer as well; and in these cases the Word is understood literally. However, in these passages the devil and Satan mean hell. The devil means the hell toward the rear where the worst people live, the people called evil demons; and Satan means the hell that is toward the front where the less malevolent people live, the people called evil spirits. Lucifer means the people who are from Babel or Babylon, the ones who extend their control all the way into heaven. We can also see that there is no devil to whom the hells are subject from the fact that all the people who are in the hells, like **all the people in the heavens, are from the human, [...]** see the numbers 311 to 317]...

3.3. ES: "True Christian religion":

121. That the **ANGELS** are not **PURE** to God is shown by the prophetic writings of the Word and also in Job; there it also states: that there is no angel who was not previously a human being.

3.4. ES has only spoken with the new, become angels, who all formerly have lived on Earth as human. But ES has not spoken with the ancient old Angels — e.g Raphael and Michael.

3.5. Also in the words of Jesus through Jakob Lorber [JL] there are some texts, in which apparently the ancient created individual fallen satan is rejected. Whenever one considers this more exactly, only on these places the primitive understanding of the Devil, (how this lived among the Jews and how this occurred in the middle ages and also appear in fairy tales [the devil in our size with horns and horsefoot) is rejected! The individual big Lucifer, who froze to matter as the greatest soul and is now the greatest material creation of man, is shown by Jesus in many places:

3.6. Jesus by JL:

*I say, 'now, hear all the big secret! This man in his total shape is the originally [ancient] created spirit which the Bible calls Lucifer (light bearer).. **He is still in full possession of his great self awareness** but no longer in the possession of his primal force. He is caught and judged in all his parts. Only one way is free to him the way to My father's heart. For any other way however he is judged and as good as dead and unable to move a foot or a hand hair's breadth .[Heaven and hell – RB-2-301-6]*

*[Heaven and Hell - RB-2-301-10] Just in this globe, and only at dot Earth, is now the whole life of this largest originally [ancient] created spirit confined . **There he wants to discourage himself and when he returns to me, his primal life will released again** and this great man will be free like there's a totally free life blowing through*

him. **But would this original spirit of My creation persist in his pridefull stubbornness** this arrangement can, as it is now, also last forever. Or at least as long, until the whole matter in a new, endlessly reproduced souls- and spirits life will be resolved.

GGJ.04_105,01] (The Lord:) "Behold, just like people are now becoming to such an extent full of matter by selflove, by haughtiness and by the thereby resulting imperiousness, that they for many thousand times thousands of years cannot be completely freed there of, - **in the same manner primordial created spirits existed, who also became too self-loving, selfish, arrogant and finally imperious by the impulse given to them,** and the result was, that they changed into the purest matter.

3.7. See also my article: 'Does a ancient created, individual and fallen Lucifer exist?' in the magazine 'DAS WORT' 1999/3 + 4 in www.jakob-lorber.org (left menu column: "Das Wort")

4. According to my calculations the flood took place in the year 2495 BC see my article: "the earliest history of mankind and Egypt" in: "DAS WORT "1991,3 + 4.

5. According to my knowledge there is no place within the total writings of Jesus, in which Jesus in concrete terms says, **when,** according to our current time calculation, the exact year of birth of his earthly body, -took place (e.g., in the year-or-6 or 7-4-1 or 0 or or). but it was only in the afterlife after reaching the complete rebirth, we have access to the heavenly archives".Therefore we will know exactly when our current time of his earthly year of birth was or the exact time of the flood! Because Jesus has not revealed to us yet. So it shall be For our main course: the creation of the childhood of God , not that important!

Warmest blessing greetings!

Your Wilfried

Answer

Dear Wilfried,

Many thanks for this great effort, this means a lot to me. Concerning **point 4**, I wrote to Albert, 'that according my calculations the flood took place in **1656 after Adam**', which is exactly **2495 BC** [1656 + 2495 = 4151]. Happily we agree about this.

Point 5: Both Rudy and in Qene only astronomical reasons were considered when Jesus could be born. Jakob Lorber gives us some [open] clues about this, also precisely-as, where Jesus had stayed in Palestine, although nothing is to be found about it anymore but in some places, from archaeological and geographical point of view - nothing is verified. The answer I specified in the answer at Rudy and **I this concludes this theme also.**

There to be said: how impressive the astronomical calculations are and with what we know through Jakob Lorber, thus exactly agree. Actually you are right: the main goal should always be reaching the Sonship of God. This must always be emphasized, every man for himself individually. With **point 3** I would like to explain myself further because it seems to me more complex, than at Lorber. At Hans de Heij I have already expressed a lot more in such connexion. (G).

Good Marie Luise and good Wolfgang Kirisits,

Thanks for your participation and good works in the medicament procedure of the Sun-globuli, [sungranules] as Jakob Lorber by the Lord Jesus Christ has informed us and has described in the book: 'the healing power of sunlight'. At home we still have a few Sun granules in the emergency stock. As first aid [ICA]-and with prayer! this sun remedy can achieve much in difficult times. We will also put a link to our home page. Thanks for this indication! G.

Claudio Graf from Germany

Hello, be greeted.

You have contributed good articles. How did you get my address and that I should be interested in this? Thank you already for the reply.
Best regards, Claudio Graf

Answer

Dear Claudio,

We are in possession of a large number of email addresses [ca. 300] from people who are interested in Jakob Lorber, acquaintances, friends, and even some theologians. Many email addresses are very old [2005] and some returned, as 'no-longer-in-function' [sender unknown]. In various correspondences under the Lorber-readers old data is 'automatically stored' also. It is therefore no longer completely to determine how I got your email address because many of these old and new emails [also by Giuseppe – 195] are 'sorted' and processed alphabetically. And if it should be appreciated, we have to make a great effort to figure it out how we got your email address and will be time consuming. We hope however, that you are not harmed by it, otherwise we appreciate a reply. We thank you, for participating on the 'background'. If you want to be removed from the list, hereby we apologize.

Hello Oene,

Thanks for sending me the Ephemeris related to the full moon phases to 50 BC and 100 AD. That I didn't think about this! Somebody else also already pointed it out to us. G.

Sequel Main theme: homosexuality by Wilfried Schlätz

1. Our soul = our daily-I has to take a test on this earth, in other words a test of freedom of the will in this world, in order to achieve fully godlikeness while in all the world's stimulating matters [sexual drive], has made to a full self-denying skill.

2. Jesus by Jakob Lorber(JL):

[GGJ.10_017,07] [...] However, to the soul of man a free will is given, and the law is revealed to him so that he would accept it and conform his will to it and would live **and act accordingly in order to become in this way completely similar to God, which is his destiny.**

[GGJ.10_017,08] However, in this world of development, only a very little part of the law of the divine order has been entrusted to the soul to observe. If he is loyal in that small part, he also will be set over great things, but not before **he has come to such great skill in the small part of the law of order - which has been revealed to him - that it has become completely his own as if inborn.** For otherwise he cannot attain in himself to the inner awareness of his free independence and can thus also not discern all the things that the divine will can do in him and through him.

[GGJ.10_017,09] [...] do not need to give you any further proof of what I, who am also a man, can achieve through the full power of the divine will. Once you will have come to a great skill to observe the divine will, which you fully came to know here, **and also to deny yourself of all the lusts of the world that seduce you,** then you also will be aware in yourself what kind of power your soul has received.

[GGJ.10_017,11] [...] God does not need to test man in all manners and put him to the proof to convince Himself if he is already capable for a great and important position, for He always knows very clearly how much progress a soul has made in his inner life's completion. **But let the soul examine himself to know how far he has progressed in all self-denial for what concerns the enticements for the lusts of this world,** how far he entirely has become one with the chosen and actively observed will of God and if he is still a bungler or maybe already a master, and then God the Lord will not hesitate to make the power of His will known in him.

3. Originally on Earth there must not have existed an animalistic procreation at all but like at Saturn a full sex free conception.

4. Jesus through JL:

[Sa.01_038,13] How do Saturnites procreate? - **Through the sole love and the firm will, exactly as it could have occurred on earth if only man had not fallen away from Me before I could bless him. – through alone the Love and through the fixed will.**

[Sa.01_038,14] When a man on Saturn wishes to procreate, he presents himself with his wedded wife to the eldest (a man on Saturn never has more than one wife). The eldest blesses him in the name of the Great Spirit, upon which the man and his wife fall to the ground and fervently ask the Great Spirit for the awakening of a living fruit.

[Sa.01_038,15] When they have completed their supplication, the man takes his wife into his arms, presses her against his heart and gives her one kiss on the forehead, one kiss on the mouth, and one kiss on the bosom, whereupon he places his right hand on her body and fixates her with his will. This is the complete procedure of procreation, during which the man and woman both perceive a truly heavenly, pure love which inspires them and makes them overly cheerful for the longest time.

5. *After ADAM and EVE became renegades from God, because they had performed first a non blessed animal procreation against the will of God and thereby the immature nature soul (Kain = Cahin) has incarnated, the animal procreation only was still possible on Earth:*

6. Jesus through JL:

[GGJ.03_066,02] Now if **a man** and **a woman** are of a similar nature in their hearts and in their souls, they should then take part in this act of reproduction, wedded and according to the order that is easy to find in nature, **in order to achieve a living fruit in their image; more than is necessary for this goes against the order of God and of nature and therefore is an evil and a sin, which is not much better than those of Sodom and Gomorrah!**

7. *Because neither two men for themselves or two women for themselves nor a single man for only himself can conceive a new human, thus every other sexual activity except in mark: (6) defined sexual act of a man with a woman for the sole purpose of procreation of a new human being, **is against of the order of God and of nature and also an evil and a sin, that is not much better than the dumb of Sodom and Gomorrah!***

8.Jesus through JL:

[GGJ.04_230,01] (The Lord:) “However, with regard to the virtuousness of the flesh and life and a true maiden chastity, there does not exist another nation on earth, which upholds this virtue more than these blacks, and to whom the vice of prostitution, lewdness and immorality is more foreign than again these moors.

[GGJ.04_230,02] But this is also something of the biggest importance of life; because if the white people **would avoid this vice and perform the coitus only to awaken a fruit in the body of an orderly women**, I say to you: There would be not one among you who at least would not be clairvoyant! However, as it is customary among you, the man as well as the woman squanders the best forces by the often daily exhaustion of the most noble and soul related juices of life and therefore does not have any supply left, whereby finally a continuously intensified light could be building up in the soul!

9.Jesus through JL:

[GGJ.08_041,06] However, a man who is not married with a woman, but is only living his lustful life with cohabitants is as evil and often even more evil than many weak adulterer, for he harms not only his own soul but also the souls of his sensual cohabitants. Such people are already in

this world preparing for themselves a wicked and bitter fate, and an even worse and bitterer fate in the beyond, **for by their way of life they have wasted almost all ethereal life elements of the soul!**

[GGJ.08_041,07] He who, according to My teaching desires a quick and complete rebirth in the spirit of his soul, needs to live a life that is as chaste as possible and should not let himself be charmed and seduced by the flesh of young and adult women, **for this draws the life of the soul outwardly and by that he prevents greatly the awakening of the spirit in the soul, without which however no complete rebirth of the soul in his spirit is imaginable or possible!**

[GGJ.08_041,08] A good marriage that is combined with reason, wisdom and self-denial does not hinder the spiritual rebirth, **but lewdness and lust makes it impossible. Therefore, avoid these more than the pest!**

10. This applies to all married couples, including all gay couples! If homosexual couples wanted to achieve mental and spiritual rebirth, they also have to avoid hornyness and lust evenmore like the plague! Because they can not produce children they had to aspire, in their daily self-denial, to live their life absolutely chaste and free of sex and had to bring down all worldly lust stimuli (sex drive) to the number (1)!

11. When in an earthly marriage or in a life of a gay community one partner psychologically loves the other to much, i.e. more than he loves Jesus, he has made his beloved partner an idol and is not worth the Lord:

12. Jesus at Matthäus:

10,37 Whoever loves father or mother more than me is not worthy of me, and whoever loves son or daughter more than me is not worthy of me.

10,38 And whoever does not take his cross and follow me is not worthy of me.

13. Jesus at Luk:

14,26 "If anyone comes to me and does not hate his own father and mother and wife and children and brothers and sisters, yes, and even his own life, he cannot be my disciple.

14,27 Whoever does not bear his own cross and come after me cannot be my disciple.

14. Jezus through JL:

RB. 02_157, 12 = *Heaven and Hell*] **'The pure love for the woman is self-love!**, Because those who let himself get carried away so far by the love for the woman that besides the love of neighbor and love of God becomes a burden, loves himself in the person of the woman! Therefore don't get excessively carried away by the charming appearance of a woman, otherwise you perish in the weakness of the woman, while the woman still needs to pull herself up to your strength to become one being with you and in you! As you love a particular feature of your own being, love the woman likewise, may she become one with you! But do love God above all, may you in such mighty love be reborn as true free citizen of God's purest heaven forever and your wife as one being with you!

15. A coexistence of two men or two women is only possible in the order of God, if they live as good boyfriends and good girlfriends together **without any sexual act** and each loves Jesus more than anything and sees his partner as his neighbour, as he had to love himself!

Dear Wilfried,

The reason why you have already indicated in the december issue of 2015. We wish you all the best and succes on your path of life and may the Lord protect you. G.

Hans van der Heij from The Netherlands

Best Gerard,

The quotations about the devil and satan are very clear but I believe there is an important point that is not mentioned. In other words, I think Lucifer is **not** evil itself, although that it seems to come forward from the quotations. The drawing of a devils person, in the quoted texts, strengthens this suggestion tremendously. But according to me is assumed wrongly.

Lucifer is first succumbed to the temptation to God's order of the true love. He became proud, domineering and with this he ignored his commandment: 'you will – and - you will not'. [GGJ2-224-3], because he was tempted by his own free will-he has failed God's commandments. And this is how he became the prodigal son. In other words, the temptation to leave Gods order by choice was a big mistake. That is the actual cause whereby someone can become a devil.

This is our common problem. Also we daily face choices e.g: Do I give room to the spirit of pride to feel superior than my fellow man? Do I envy my fellow man? Am I proud of the things I know, I can? Am I going to persuit even more money? Even More luxury? Power? Lust? If I permit such thoughts and feelings and give no honor to God or acknowledge that I am weak and need His help and strength to recognize and restrain my weakness, then I have already fallen to the temptation for example, proud, jealous, wealth, chic, power, and being lustful.

The same applies equally to hate, annoyance, feel victimized, be pathetic, anger, you name it. According to me, this is what it is all about. The point is that we (learn to) see of ourselves- This is introspection in practice to me - In what situation am I proud? When I'm proud? Why do I hate my fellow man? As soon as I start hating somebody, I instantly kill my love for that other person within me. Then I have been tempted to leave God's order of true love. When I am going on with it my whole earthly life, and I do not want to change my behavior? Then I go further as a "devil" on the other side. There I will receive new lessons from our merciful Father Divine to learn what true love is. And there we have an infinite amount of time! J.

*A support to this point of view I find here in **GGJ-5-125: 1-2 (the need to examine themselves)***

[GGJ.05_125,01] (The Lord) —So then do act accordingly; make every effort and check everything to see whether you have forgotten something, so that in the end you will not have to say: Look here, I have now done everything for a full ten or twenty years that the new teaching directed me to do, yet I am still in the same spot and feel within me no special enlightenment or a so-called eternal life! What is still lacking?

[GGJ.05_125,02] That is why I tell you: Check very carefully to see whether some strong thoughts of worldly advantage have not assailed your heart, whether temporal arrogance, a certain too extreme thriftiness – a younger sister of avarice – ambition,

sense of judgment, bossiness, salaciousness and the like have not captured your heart and thereby also your soul! As long as that is the case for one or another, he will not attain to the promise, that is, to its complete fulfillment for him.

And this quote from GGJ 4, 83:8

Who wants to examine himself, if his meekness is completely perfected, should ask his heart if he still can be offended by anything, and if he can easily forgive his greatest offenders and pursuers from the bottom of his heart, and do good to them who harmed him, and if he does not have from time to time any desire for any worldly magnificence, if he feels good about to be the smallest among the smallest, to serve everyone with everything. Who can do all this without sadness and grief, is already here an inhabitant of the highest heaven of God and will remain as such forever; because through such just humility, a soul does not only becomes one with her spirit, but also to the greatest part the body.

How can I see whether I make progress or not?

GGJ 11, 51, Advices to ennoble the soul

[GGJ.11_51,04] ... Examine your souls to see where there is still something impure and cast it from you.

[GGJ.11_51,05] As long as you can discover a bad mood, irritation, discontent or impure thoughts within you there will still be doubt which prevents the living faith from gaining strength. All these bad habits are alien to the spirit. That is why it cannot permeate the soul, which must divest itself of all this spontaneously.”

I wonder if you can share this view.

With kind regards,

Hans de Heij

Answer

Dear Hans,

What is 'the evil' exactly 'according to you'. When Lucifer is **not** actual all "evil" himself? Indeed, he is the prodigal son who can return if he wants to. As humans we all make many countless mistakes against the order of the Godness. In some way, therefore, those who have strayed from the path, 'have lost the divine spirit within themselves', but to return is always possible. If the "lost" follow the right path again, he will return like a 'lost son' to God, who lovingly embraces him. However Lucifer has such great power - equal to God, that he is able to solve the whole Earth and all its creature and the universe in an instant, if God Himself would not prevent this! Do not underestimate his strength, which slumbers in all forms of matter and in human thoughts. Perhaps the following quotes may clarify a few things here.

[Earth and Moon-1-56-3] **But since this spirit had such a high designation, to be a second god next to Me**, he had to pass, in accordance with his designation, the test of freedom. And as you know, he did not pass, because he wanted to rise above the divinity.

[Earth and Moon-1-56-4] **It was over a matter of rank that this spirit opposed the divinity.** Since this spirit could never be allowed to rule, he became enraged and conceived the intention of annihilating the divinity. **He would not have lacked the power for such a deed had not the divinity, in her eternal wisdom, severely imprisoned this mutineer and all his parts at the proper time.** It may seem amazing that such power existed in this spirit as to enable him to resist the eternal divinity successfully. But the matter will be more readily understood when you consider **that the divinity placed in this spirit, a complete second I,**” which, although created in time, was placed opposite the divinity with equal power in all realms of infinity.

[Earth and Moon-1-56-5] This spirit, into which the divinity herself had concentrated her light, was propagated throughout the whole of infinity. That is why it would have been possible for him to seize and eliminate the divinity everywhere. **Delusions of power awoke in him great vanity and self-complacency in his light and in his infinite sublimity and power.** He thereby forgot his Creator, the eternal divinity, and became inflamed in his impudence and hardened himself. **At this point the divinity seized his specific being, formed out of him celestial bodies through out the whole of infinity, and eventually shackled his spirit in the most restrictive manner, and banished him to the depths of the Earth.**

[Earth and Moon-1-56-6] In this position, this spirit is no longer Satana but Satan, because he freed himself from the eternal divine order. That means having the same pole as the divinity. You are aware of the fact that the same poles repel each other. Herein lies the reason that this being is now **the farthest and the most opposite from the divinity.** **And there it in are also his terrestrial anger**

Recurring to your important additional information that is sent to us, can be concluded – what a devil is [a demon!] that all are split-off parts [attributes] of Satana,-now called Satan – We see it and have seen it in nature – millions of years ago – these split-off particles have also incarnated as giantic animals on the Earth [when the people did not exist yet]. We found remains in the sea 2000 years ago, even in the sea of Galilee – eg. the so called Leviathan. All those features [split-offs of Satana’s life] still exist in the people. In the whole matter. The man therefore characterizes the good and the not-good features. The Earth is our purpose as a test and training school. How do we handle this?

GGJ6-199-14-17] Said also I with a fully serious expression: “I have showed you the reason clear and true. Why do you ask Me any further?! Yes, I then will also tell you further what you are, since you have asked Me about it! **Know, whose children you are: You are children of the father of devils! He was a murderer from the beginning and did not passed the truth; since the truth was never in him (in matter). If this spirit, who is your father, speaks lies, he speaks of his own; since he was always a liar and a father of lies.” {Joh.08,44}**

There is a big difference between Lucifer [Satan] and the Devil. If you refer your conclusion from **one** of both, then it becomes a complete different story.

The Lord was 'tested three times' by Satan, before started His mission in Palestine, on the Mount of temptation, near Lake Galilee. [**so, exactly 40 days after his 30th**

birthday] The Satan appeared to him in shape of an old wise man. [Magician]. This story can be read in the Big John's Gospel-9-134, [GGJ9-134] where the Lord talks about his seduction by an arch-devil, who – **as later revealed – was Satan himself**. [see also Matthew 4:1-11]. All differential facts between Satan and Devil are here summerised together in one story. The spiritual meaning of this story we read also in Sermons of the Lord, chapter 13.

That Satan has the evil in it self , the Lord will accentuates in:

[Earth-and-Moon_056,10] [...] Although they are “students of Satan,” there is still a vast difference between Satan and them, because only their souls are evil, their spirits remaining pure, even though severely incarcerated, whilst **the spirit of Satan is the actual evil**. **It can therefore happen that all devils can be saved before Satan, in his final fall, attains the fullest of maturity in evil.**

You've accentuated the following points in an enlightening way:

[1] **This is the actual cause, whereby one can become a devil.**

[2] **The point is that we (learn to) see ourselves - I think this is introspection into practice!** And here Hans you describe exactly what concerns myself, you and every other person.

[3] **You refer in context of self-examination, to texts GGJ-5-125 [1.2] and GGJ 4-83 [8].**

I see it as a nice addition and also very touching, that every man has to struggle when he doesn't want to live as a future 'angel'-human. I thank you for this lovely addition and useful contribution. G

HOMOSEXUALITY

Homosexuality -The theme homosexuality viewed from Jakob Lorber, Swedenborg – and related to the Bible, that very clear about this subject.

The Lord: 'Behold, the pure thought in your head about things which are still concealed by the dark future before your spirit, **can be compared to a man who wants to procreate a living fruit in a man as he can do it in a woman, which at the same time would also be the largest sinful fornication!**' [Household of God-03_031, 13] [Note: read the previous and successive texts here, for not losing sight of the context!]

Jakob Lorber describes, among other things, a quote about the early youth of Zorel, who had sexually sinned several times:

'You, Zorel, was in this regard also **not very pure; since already as a boy you were afflicted with all kind of impurities and was an irritating example for your fellow youth mates**'. [...] GGJ.04_080,18]

But despite all this I notice that there still exists a lot of fleshly lecherousness in you. I especially draw your attention to this point in which you should be very careful; once you are stuck in a somewhat better life, your flesh which is full of holes will start to stir in its still by far not cured fragility, and you will have your troubles to calm it and to finally heal its old fragility completely. Therefore be aware of any immoderateness; **since in immoderateness dwells the seed of carnal lust!** Be therefore moderate in everything, and never allow yourself to be tempted to immoderation with regard to eating and drinking, otherwise you will have a hard time to tame your flesh! [GGJ.04_080,19]

[Note]: **A homo defended homosexuality in a Dutch religious book and he discribed that** the following famous biblical passage can be read differently in this context in: 2 Sam. 1:26, where David exclaimed his lament about his best friend Jonathan: **'Your love for me was wonderful, more wonderful than that of women.'** His comment: 'One can translate the passage differently, i.e. >loving you was more miraculous to me than loving women?< ...

The Bible displays in many parts, why homosexuality is not allowed. Deuteronomy 22:5: 'It is not right for a woman to be dressed in man's clothing, or for a man to put on a woman's robe: whoever does such things is disgusting to the Lord your God'.

However, nowadays it has become a common thing. Transvestites dressing up like woman [and vice versa] or people undergoing gender reassignment. A theme that falls within homosexuality or lesbianism. [Deut. 22:5]

[Remark: because this Main theme is so important, especially now in this time of 'spiritual Fall', something about homosexuality will be written in the March edition!]
