An important question !!!

Dear and good Lorber readers,

Almost 3 years ago, I took over Giuseppe's initiative from Italy; he was the founder of the International Jakob Lorber Magazin! "For eight months the magazine appeared in five languages around the world. The response was overwhelming.

Five flags still flutter on his website. [See: <http://www.jakoblorber.it/>] Because there were not enough voluntary contributions to him, he unfortunately had to stop with this unique event. A sequel to that - and with my request to entrust his emails to me, I have gone further in his footsteps, albeit not in five languages, but still in German, Dutch and English.

I wanted to continue this magazine and tried to translate it into Portuguese as well. [But we already have a link to Portugal - see at the bottom of this bulletin]. The person, who initially was interested, has failed. I have no contacts in France, Italy and Spain. If you know someone from these countries and if they are willing to contact me, please!

**Now my main question:** Do you want to be so kind to list all the 'negative points' in the bulletins that published so far - with constructive criticism please and of course also mention the 'positive points'. What does not interest you, what makes the magazine so up-to-date ?!  
I would find it a shame if there is no response to this. Let's put our heads together for a moment ... G.

**Due to circumstances, the Jakob Lorber Bulletin International will be back in two months, around November 15th!**

**Manuela from Portugal**

Dear Gerard,

Greetings from our church to yours and all kindred, friends and readers around the world of Jakob Lorber's work dictated by the Lord. Thank you for your bulletins that you keep sending every month. The issue of May was quite a special one. Only those who are involved in the task knows how much work it represents.

We're attaching our edition of June, which celebrates the 25th anniversary of Bethany Church.

It has been a path with up and downs, but our Holy Father has kept us safe all the way. We pray that one day, in the future, we can get together rejoicing in the love of Christ. As His children, we must bind to each other, staying together as a family - our spiritual family. May all blessings from the High be with you, dear brother, your wonderful work and with all the readers that sincerely search and praise Him in spirit and in truth.

Your sister in the Lord,

Manuela

## News from Israël

Does the Wailing Wall crumble in Jerusalem?

## PEACE everywhere after the big cleansing.

Isaiah 2: 4 predicts that mankind would melt their swords into plowshares, and their spearheads into sickles! "All nations will accept the rule of the one God at the" end of time "[so after the great selection!] and will give up all violence [of the world]. Isaiah foresees in the near future [in which we now live in 2018, because he wrote this already in 725 BC]. A great leader who is both holy and wise and who will put an end to all social problems.

He gives justice to the less fortunate and the poor in the country receive an honest verdict. [Isaiah 11: 4]. Even nature will change and all struggle and suffering will vanish: "The wolf will live with the lamb, and the leopard will lie down with the goat. The calf, the young lion, and the fatling will be together, and a child will lead them. None will harm or destroy another on My entire holy mountain, for the land will be as full of the knowledge of the Lord as the sea is filled with water. [Jes. 11: 6,9]

## About the „millennial kingdom of peace“

[Shortened version]  
Klaus Opitz

Jesus has predicted us a great deal about the "great justice" that is being caused by the people themselves. Jesus has also shown us in many texts that after the judgment a "millennial kingdom of peace" will come. His doctrine will be accepted and He will be a "shepherd over His flock."

\*) see: 'Jakob Lorber International Bulletin', October 2017, Theme: 'the youngest or Great Justice '.

1. About the personal return of Jesus.
2. About the beginning of the Millennial Kingdom ".
3. About the number 1000.
4. A shepherd and a herd.
5. About the future church.
6. A completely free church.

### 1. Concerning the personal return of Jesus.

.....But in **this land** (Palestrina) where I am now persecuted by the Jews of the temple as a criminal from one village to the other, and which is trampled down by dark heathens, **I will personally not first act, teach and comfort the weak again. But in the lands of another continent** (America) that is now [at the time of Jesus] inhabited by heathens, **I will establish a new Kingdom, a Kingdom of peace, of unity, of love and of continuous living faith.** Fear for the death of the body will no more exist among the people who walk in My light and who will always be in contact with the angels of Heaven and associate with them. Here you have now a real answer to your question.” (GGJ.09\_094.09)

"Jesus will appear in a physical **help-body** like once Rafael did, **in North or South America**, visible as a young man [about 33 years old], i.e. **teaching and comforting the weak and creating a new empire**, and the places where His personal, physically visible appearance of the entire Earth will be the **most effective**. And this personal appearance of Jesus will be spread over the entire surface of the Earth, through all media [television; internet!] **This is followed by His personal appearance in Western Europe!**" (Wilfried Schlätz, WS-B3187))

## 2. The beginning of the "millennial empire".

"... **But do not ask much for the beginning of the `millennial kingdom on Earth`**, for such a Kingdom would be a kingdom of God with outward splendor! - **A real kingdom of God, however, can never exist in matter, but only in spirit** - And thus the **Millennial kingdom of God** 'does not appear anywhere outwardly, **but very quietly and without mercy in the hearts of the people who are of good will.**

Do not ask: when and how? - For the arrival of the **Millennial Kingdom of God** is the everlasting and always the same as **the complete rebirth of the human spirit.**

The `bound dragon` is the **tamed cravings of the flesh**. - And the short, one-time and final release of it, is the final deposit of the flesh, which is still for many spirits as like what it is to leave an apartment that someone has used for a long time.

**The matter (building material) for a general God Kingdom on Earth in the hearts of the people you already have in multiple, in your hands. [report of the New Word] Make sure it soon ends up in the hands of many, then you will see the true, millennial kingdom of God on Earth '! Amen.'**  
[Gifts from Heaven, part 2, p. 528]

## 3. About the number "1000".

"The number 1000 represents with its one, **Me in the human personality** and the three following zeroes following the one represent **Me in the fullness of My divine Trinity**. And so the term '**thousand years**' is to be understood as meaning that **the number 1000 represents Me in the fullness of My Divinity in accordance.** (Jehovah - Zebaoth Immanuel). **The word 'year', represents the time** in which I will remain at the top of the reign until the end and lead the people of this earth, partly myself and partly through many of my newly awakened servants.

They [the people in such a blessed period] will also have to pass through their **freedom-of-life test**, as they do now, and will have to deal with the matter a lot. But after a struggle they will be clothed with the garment of immortality, **and you are therefore in the great transitional period.** [Gifts of Heaven part 3, page 278]

## 4. A shepherd and a herd

... "Just as the Jews used to know only **one Jerusalem**, so too will there be **only one church**. There will be one shepherd and one herd! **The religious cults will disappear, the God, Creator and Lord, who once on your earth as a human being, will be recognized as how He was and will be forever your leader and father of all.**

**The fellowship of the spirit world will still be increased by the fact that I will come to see My children, in person, in** order to comfort them and to prove to them factually that everything that I once said, what My apostles wrote, and what John in his revelation said, will be fulfilled.

**When all spiritual and material wars have ceased**, then all will easily understand Me and also willing to keep My commandments, which will begin with **charity** and end with **the love of God**. ...

**A whole human race, held by a bond of love, will help each other helpfully, where not the Lord, not the servant, but the bond of brotherly and sisterly love has joined together all the people, where territorial boundaries have disappeared, and rulers and popes are no longer interested in serving the physical forces of the one and the mental powers of the other.**

Also guided in their interior by a **rational religion**, they will listen to the promptings of other spirits and even to My voice and believe in it. In this way, even the **association with the spirit world** has become a binder, which banishes death with its fears in this world and represents the other world as it really is. "

(From: Jakob Lorber, "The Second Coming of Christ": "Declaration of the Revelation of John", received in 1875 by Gottfried Mayerhofer)

## 5. About the future churches

... "During My earthly visit, I said:" I am a **Spirit**, and whoever wants to worship Me must worship Me in spirit and in truth! "What did I teach My apostles then? Was it a certain **religious-community**? I demanded of them **churches or similar buildings**, where only the Mines were to be commemorated and where if that had happened, the people as now with their church passages and their machine-like things and mindless **copycat-prayers** believe that they have coped with Me, to return to their worldly pursuits and pleasures again.

How I taught people at that time **to love Me and their neighbor**, and then, by virtue of the goodness of good deeds, to always have the church, God, and peace of mind within, as I recently did in all the sermons. (\* Explained on almost every page that I am a **spirit, and the exercise of my teaching must be understood only spiritually and then translated into practical life, so will the future church.**

\*) Gottfried Mayerhofer, "Sermons of the Lord", Lorber Verlag

**No organization, no religious cult will neither stimulate nor compel the people to follow My teaching**, but the temple or the sanctuary, where I am worshiped and where I will have My abode, as always, **only to be the human heart itself!**

If the flame of My love does not always burn there, then all sacred eternal lamps in **churches, mosques or synagogues** will not help! There must be organized, this sanctuary must be cleansed, that I may dwell there; and who then bears Me in the heart, for that is My nature, My entire visible creation from the largest central Suns has begun to the smallest moss plants or microorganisms [little microbe creatures],

**a temple, where he can find Me everywhere with the spiritual eye only Me and can only find, understand and learn to love only Me again!**

The only thing that will be possible and necessary in the future is that the better talented educates, guides and can support the weak, and that for this purpose **meetings** will take place, allowing the means of mutual exchanges, ideas and thoughts for all will become a common clock to fulfill what I once gave to the world in My above-mentioned **two love commandments!**

**This is the whole organization of a so-called church** (in my sense), because once people have come so far that rank and birth differences have ceased, **that all people respect each other and honor each other as brothers and sisters**, what more do you want? Or does not every **true religion** strives to achieve this?

I hope, My child, you will now understand what I want to say if in the future, I promise you that there will only be "**a Shepherd and a herd!**"! So take My doctrine with a childlike mind as once My disciples did, to whom I also said nothing else, then: "**Go into the wide world and preach my Gospel!**" That's why you received this for every Sunday of the year, **so that first you understand the Bible and their texts in the right way, and secondly, so that in meetings My Gospel and My words are thus explained and understood as I said so and what I meant by the same thing.**

**"This is the spiritual order by which I want and can raise people's souls to spirits for My Kingdom."**

*(From: Gottfried Mayerhofer: „Geistige und natürliche Diät-Winke“, „Lebensgarten“)*

.. [8] **I am now giving you a completely free church** that does not need any other fencing than with everyone his **very own heart**, wherein **the spirit and truth** are dwelling and **where alone God wants to be recognized and worshipped.**

[9] Because I gave you My Spirit first, you shall not imagine yourselves by a hair's breadth better than any other person, **and you shall not make any particular office of this gift** as is done by the heathens and the twice as dark Jews and Pharisees for **there is only One who is your Master** and all of you are equal as **brothers and sisters, and there shall never be any discrimination among you.**

[10] **Thus, there shall not be any rules** among you, and you shall **not observe any particular days or times** as if they were better or worse as if God had laid down only certain days on which He wants to hear your prayers and accept sacrifices. I tell you: **with God all days are equal and the best among many is the one on which you have done a truly good deed for your neighbor.** And thus only your deed shall in future determine the true and sole Sabbath day pleasing to God.

[11] **On whatever day you will be doing a good deed, that will be the right Sabbath,** which is considered by God, but the usual Jewish Sabbath shall be an abomination in God's eyes.

[12] However, if you wish to erect a so-called **house of God, then build hospitals and homes to care for your poor brothers and sisters in which you serve them with all they need.** Thus, you will perform the **truest divine religion** which will be most pleasing to the Father in Heaven.

[13] **By such a genuine and solely true divine religion** one will recognize that you are truly My disciples.

[14] **Go home now and act accordingly, then your work will be blessed.**'[GGJ1-202:7 ff.]

**..“And look, in the end this will also be the case with the people on earth, and some day, they will recognize in their spirit that there is only one God, one Lord, one Father and only one perfect life in Him!”** [Childhood of Jesus, chapter. 199:18]

## How life on earth will look like after the Great Cleansing.

[ After a request of a reader]

### A Look into the future!

Some believe that the Millennial Kingdom is already there, but I can assure you that we are living at the end of the End Times. In the next 1000-year empire there will be no war and unrest. As long as there is the height of materialism and the denial of God with all possible excesses on Earth, we cannot speak of a peaceful empire. But it's about to arrive. Faster than we expect. Jesus will come as a thief in the night when the worldly godless tide has reached its peak. For the time being this will be the last one, because the Earth must first be purified if rest and peace are to come to the 7 billion inhabitants.

### What will life on Earth look like after the Great cleansing?

Jesus gave his disciples a **'look into the future'** and they saw how a new Earth developed from the light clouds. To the question of Jesus, what these clouds, then had to imagine, He replied, that these are 'united' people, completely enlightened by the divine truth. These

clouds began to grow closer together. That is to say, they formed one large community and that is the new Earth, above which the full light and its brightness spread out a new sky. Furthermore, the Lord says: "You must not, however, believe that this natural Earth would then perish and be transformed into a new one - but people will only accept the spirit of divine truth in their hearts and as true brothers and sisters. Making a new spiritual Earth together in My Name. On this New Earth I will then be there MySelf and rule among Mine, and they will deal with Me and never lose sight of Me. [GGJ8-48: 3,4]

We now live in the latter - the iron age - that will eat and crush all countries: the industrial man according to Daniel 7: 19,23. A great Justice will first have to be held. The Lord will then pronounce justice [that is His Word], but the people themselves will be their own judges ... Jesus through Jacob Lorber in GGJ8-182:4,ff .: 'When I will come to this Earth the next time, to keep focused on all those dead epicureans [people who think only of their well-being], then with Me the Earth will no longer be measured by anyone with any advantage; for where one will stand, one will also harvest and meet his needs; and people will support each other well, but nobody will say: 'Look, that is my property and I am in charge of it! "For then people will see that I am the Lord alone and that they are all brothers and sisters ...

In advance, the Lord as He cleansed the temple about 2,000 years ago in Jerusalem, will now also pass the broom all over the Earth. Jesus said: "**From the vast airspaces I will send something to the Earth like a flashing lightning with a loud roar and thunder. [Probably a great meteorite in the size and breadth of a number of kilometers, that will hit the Earth!] Truly, all armies of the Earth will be able to do something in vain; but My few friends will not hurt the great, invincible enemy, and they will be spared for a whole new breeding school, from which new better people will come!** [GGJ5-108: 2-4]

The imposing of a small asteroid can have major consequences for the Earth, for example a shift of the pole axis. What should it be to an even greater consequence if this is a much larger comet, such as catastrophic tidal waves, unprecedented earthquakes and thunderstorms and a heavy darkness on Earth.

Ezekiel 38 and 39 write about a future crash of a Meteor that will hit the Earth during a great war. "And I will that all the Gentiles shall see My judgment which I have kept. The house of Israel will know that I am the Lord their God. [Ezekiel 39: 21-22]

Another Judgment that will come upon the Earth is caused by humanity itself by exhausting the Earth from within, such as gas and oil.

The Lord says through Lorber in the GGJ6-207:12-13: **once the atmospheric air gets too saturated with such gasses, they will ignite over almost the entire Earth and burn**

everything to ashes. But neither house nor people will stay alive. But those who continue to exist will now also be people of the right kind. They will then inhabit a truly completely renewed Earth. And you [i.e. The then disciples of Jesus] and many who will come after My name and be resurrected, will be their teachers and leaders. Only from then on will My empire be wholly all over the Earth. "

Malachi 3:18 and 4: 1: ... 'for behold, there will come a day that will burn like an oven'.

2 Peter 3: 10-11 ... "then the heavens will perish with a great noise; the elements will melt with heat and the Earth and the works that are on it [such as cities, all natural views, including the people] will burn. '

The sound of the last trumpet has already sounded: 1 Cor. 15: 52. This means responding to it as the last call to penance. 'You should not think that such a fire will immediately break out in all cities and places of the Earth at once, but as it were step by step so that people will still have time and space to improve their lives'. GGJ10-156: 5.6. See also Isaiah 66:15, Ezek.39: 6, Zech.13: 8, Matt. 13:49, 1 Cor. 3:13, Heb.10: 27.

The Lord urges us that we will also tell and preach the other people, that - so the Lord says - at the end no one can apologize, that he would not be warned of the danger. " GGJ8-51: 6

"Let them [the New Revelations] quickly fall into the hands of many, then you will see in them the true" millennial kingdom of God on Earth. "Gifts of Heaven 2, p.436

If at least 1/3 of humanity [that is 2 1/3 billion] will be aware of the New Revelation, 'then I - says the Lord - will also be personally and physically visible here and there to those who come who love Me the most and have the greatest desire for My return and also the full living faith for it. '

'I myself will form municipalities from them, where no power in the world can resist anymore since I will be their commander-in-chief and their ever-invincible hero and

**will direct all dead and blind worldly people. And thus will I cleanse the Earth of its old filth. "[GGJ9: 94: 6-7]**

*A Kingdom of peace, of unity, of love and of constant living faith, there the Lord will establish a new Kingdom. The Lord says that in the lands of another part of the world, inhabited by the Gentiles, "fear of the death of the body will no longer exist among the people who will walk in My light and will be in constant communication with the angels of heaven and will deal with them ... "*

*The Lord: "The Earth belongs to Me everywhere, and I know where My return will be most effective for the whole Earth! [GGJ9-94: 9-11]*

**"From America, humanity will hear things that concern us all!" The Lord then says, "But in America that history will not last too long. In South America, where Babylon is much worse represented than anywhere else on Earth, a great justice will soon be released; for Babylon must be transformed everywhere in a new Jerusalem, and the pigs of the pagan Gadarenes must perish in the grave of their night. "[GGJ. 10-29: 6] - [G]**

## **Our actions are closely watched. [Psalm 121]**

The primeval thoughts stem from God. Even your **entry and exit is perceived** by God Himself. The entrance and exit have the capacity of five hundred together and that is no longer in the materialistic sphere.

Psalm 121: 8: "The Lord will keep your **exit** and your **entrance** from now on for eternity." Chr. Matthes +, a student of Drs. Wuister + [and prof. Weinreb +], wondered how both underlined words are written in Hebrew; these words suddenly **took on a much deeper meaning for him, because the Hebrew word for:**

'Exit' [output] = TsaTh	= 90-1-400 = 491	[between matter and spirit, in the etheric sphere]
'Entrance' [input] = Bwa	= 02-06-01 = 009	[the entrance to the earthly sphere]
	=====	
	Total: <b>500</b>	

The distance from the Earth to Heaven is 500. Weinreb writes about this in 'Zahl, Zeichen und Wort': 'the 500 will only be fulfilled when the whole time becomes complete!' There is no Hebrew letter for the 500 [but as a closing letter] -

The exit means the end of time to enter the spiritual definitive dimension through the 9 [the cosmic womb].

## The original Biblical faith.

[Following the July issue of Refo-Web]

In Jakob Lorber, we find the original biblical faith again and this is again confirmed by the Lord through Lorber. As foretold in the Holy Scripture, the Lord will pour His Spirit upon every man in the 'end time', including atheists or non-believers. All will be addressed by Him in a certain way and be reminded, admonished and taught by Him personally or through His messengers [Angels or appointed persons].

Numerous churches exist and according to the Jacob-Lorber Works, **the Roman Catholic Church still has the purest truth.** The Lord will also "test" the most, those whom He loves the most, and so also the Roman Catholic Church. Everything that is wrong is not tolerated by the Lord. Regardless of the type of church, it is possible to be a good Christian anywhere on Earth. Where His Gospel is proclaimed, people have heard that and can live by it. Our Holy Father is concerned with the fact that man leaves the luciferic principle of pride, self-love and selfishness and returns to the divine principle of humility and giving love to God and his neighbor.

God has not bound our eternal salvation to the right knowledge, **but to do the right thing.** Who wants to live in the right way, in every church, even in Islam! The main rule is: "examine everything and keep the good!" The Lord: "I say to no one: become a Catholic, a Protestant

or an orthodox person! But: what a person is, he remains that if he wants to, but be an active Christian in the spirit and truth. ' [Source: Earth and Moon, chap. 73] - James 1: 22-26 and 2: 14-23.

The friends of His new Word can safely remain faithful to their mother church. Only the Roman Catholic church is examined more closely in the Lorber Work and must endure a strict criticism from the Lord. **With reading alone, it is not finished.** There must be an inner process of self-appropriation. The enormous abundance of the spiritual good of the Holy Revelation must be processed and eventually come to our own consciousness with the help of the awakened spirit of God. This depends on how this is put into practice and at what level that is possible. It is not surprising that when reading the new Revelation Scriptures, it sometimes creates a false impression when only a small part of the extensive writings is read. From this a misconception can arise that obscures the radiant light of the new Divine words.

The Bible is not guilty of the emergence of many churches and its derivative sub-churches [sects]. The Bible is partly written veiled; the New Revelations [NR] is written down in such a way that believers receive more 'steadfast nutrition'. The NR does not replace the Bible, but it gives an illuminating answer to the contents of the Bible. If man were to receive everything just as spiritually, he would soon be lulled into 'sleep'. After all, he has to stay awake and look for himself in the Bible and the NR. In the end the Lord gives us the light of what is needed to solve ambiguities and for everyone to the degree of his inner contemplation, which is due to him.

In the Household of God, part 1, chap. 4: 9 the Lord speaks to Jacob Lorber, as He used to speak to the patriarchs, the prophets and the kings in the Bible. Why should that not be possible now?! 'Tell everyone, they can be as they want, regardless of religion, and whether that is' Roman, Protestant, Jewish, Turkish, Indian or pagan ', to all of them is said:' On Earth there is only one true and pure church and this is the love to ME in my Son [the love of the Lord] who is the Holy Spirit in you and proclaims THIS through My living Word. And this Word is the Son and the Son is My love and is in Me and I fully penetrate this. And We are one. And so I am inside you and your soul is My dwelling place, that is already the only true church. In her alone is eternal life and she is the only sanctifying. The Kingdom of God is within you, says the Bible. "You are the temple of God!"

In the future, the church will also be an 'outer form' in its spiritual experience, because everything in the material creation has an outer form and also has to have the forms in order to appear in their appearance. The churches also serve the eternal salvation of man. [Gifts of Heaven1: 1] **"A church is only a church, if it teaches My will and preaches life out of Love, Who bled on the cross for the whole Earth, yes even for the total creation."** In the true church is life. It is about the right order of our spiritual footsteps. First learn to love God in Jesus, absorb Him in your heart, fill your heart, with all your love to Him, so that it becomes a place of eternal love.

If we study the Lorber Works thoroughly, you take the spirit in you. Stone churches, ceremonies, sacred images, knife offerings with bell sounds, organ music, feudal music, Latin chants and confessions, monastic life and the papacy, the Lord does not like at all. Jakob Lorber describes in Heaven and Hell-2-226: "that the churches have become an institution; God is placed in the second place because the consciousness is separated from Him; it is coming more and more to empty forms [habits and rituals!] without having God close in his heart. **The Lord only looks at the heart, never in the outer form!**

There are, here and there harsh words about the Roman Church. We must, however, determine who the speakers were in the Lorber Scriptures. Lorber quotes the opinions of dead people, who had bad experiences with ecclesiastical persons on Earth. Of course, not everything is bad about the Roman faith, says the Lord in Heaven and Hell, part 2, chap. 233: 8. The Lord emphasizes the self-interest of the church as a great sin [and that applies to all other churches!] In order to bind it fully, to dominate it and to exploit it through external forms. The aids have been made into the main issue and the most important commandments of love have been repressed. With baptism and confession, especially the Roman Catholic Church has come to the forefront, so that the people have passed, through a 'deceitfulness' and laziness.

The man inclined to inertia is pleased that he has been "born again" by baptism and has become "a child of God" through baptism. Now he does not have to do anything himself anymore. **The church does not make him aware that he is only a potential child of God**

**and that baptism is given as the basis for spiritual rebirth**, and with that the seed grain of the childhood of God is laid. GJE4-220: 10-11

Yet the sacrament of forgiveness of sins and confession in the Roman Catholic Church can bring man closer to God, even if it is God Himself who can only forgive sins.
