## **Contacts and reactions**

We received friendly and useful responses to the Jakob-Lorber-Bulletin Nr. 10. Reactions will be published to the incoming order again:

The send copy [preferably between the 15th and 20th of a month] is processed in the next issue. Incoming copy outside the specified dates is then postponed and is naturally included in the subsequent publication

Gerard

Good people,

All greeting in the Lord. Sometimes we cannot avoid discussing certain [current] themes double, even triple or quadruple. Many people will respond: ' That theme is already defined once!?' 'And that conclusion is also correct but the difference is in the nuanced comments. This can put certain texts by Jakob Lorber often in a new light. In this 'end time', it is very important to pay attention to the important instructions of the Lord. A text more often read, can then all of a sudden read again in an entirely different context. G

**André Molenaar from the Netherlands**

Good evening,

## **Albert Hoffmann from Namibia [Africa]**

Hello good Lorber-friends,

I find very interesting what the Lorber-friends have to tell amongst themselves. If you don't mind, I want to make you aware of my new Lorber homepage: [lorber.co.nf](http://lorber.co.nf) .  
The goal is to get as many English translations of the Lorber books, free to publish in one place. A highlight is the household of God part 3 which is now also available in English. The final processing will follow shortly.

Warm regards,

Albert

## **Answer**

Dear Albert,

With interest I looked at your homepage. My English translator and I like to use your website. We are also looking forward to the second part of Robert Blum that is still not translated (nowhere) in English yet. It is available in printed copy-form [or handwritten] at the Jakob Lorber publishing house in Germany. We follow you closely. G.

Thank you so much for these encouraging words! G.

## **Amsterdam from Brazil**

My name is Amsterdam and I am from Brazil. I am familiar with Jakob Lorber teaching. I tried to find the address of the j.lorber.de but this website is written in the German language. I couldn't find it under contact. So I wondered off whether you could mediate for me.

Thank you for the English bulletin. Would you please put me on the mailing list ? If it is possible, I would like to have all previous newsletters. I am very pleased that we have an Organization here in Brazil that is called the ' Neoteosophy uni ' and they print and publish the teachings of Jakob Lorber and send them digital for free to everyone who is interested in it.

We have weekly meetings in five different cities, where we spread the teaching of the New Revelations. We accept Leopold Engel's continuation of the Great Gospel of John and also the books of A. Hedwig and some others, although our main focus is on the Great Gospel of John along with other books of Lorber.

The Portuguese translations are fully made by Paulo G. Jergensen and Yolanda Linau. Our Lord and Savior, bless all and that the new revelations will reach all those who are ready.

I assumed that I had sent you the English Bulletins at the same time with the Dutch and German translations. I will look into what caused this and will – as already happened – send you again the missing bulletins. I admire your efforts for the Jakob Lorber Works, upon which God's blessings will not lack. # **The Return of Jesus and the greatest Justice**

by Wilfried Schlätz

## **1. Jesus by Jakob Lorber(JL):**

*[GGJ.06\_150,17] Thereupon the greatest revelation through My repeated return to this earth will take place; but this revelation will already be preempted by the greatest and sharpest judgment and be followed by a general thinning of the world-people through fire and its projectiles, so that I Myself can establish a completely different plant-school for true people on this earth, which then will last until the end of times of this earth.*

## **2. Comment:**

**2.1.** The greatest Revelation and the descending of Jesus on this Earth in that time consists of:

**2.1.1.** The return of Jesus in the "Clouds of Heaven": this is His spiritual return mainly in His works, which he dictated word for word to Jakob Lorber.

### **2.1.1.–1.Jezus by JL:**

*[GGJ.09\_094,03] First I will come invisibly in the **clouds of the Heavens** which means: first I will come close to men by truthful seers, wise men and newly awakened prophets and in that time also woman will prophecy and young men will have clear dreams by which they will announce My coming to the people and many will listen to it and improve their life but the world will call them daydreamers and will not believe them, as this was also the case with the prophets.*

*[GGJ.09\_094,04] **So I also will awaken men from time to time to whom I will say everything, that now during My presence happens and is being discussed, by means of their heart to the pen,** What will then be written once, will in a short time of a few weeks and days be multiplied in many thousands of copies in a very artful*

manner which will be very well known by the people of that time and so they can be conveyed to the people. And since the people of that time will almost generally know how to read and write, they also will be able to read and understand those new books themselves.

[GGJ.09\_094,05] In this way, the spreading of My teaching will then again be given anew and pure from the Heavens to all men on the whole Earth, much faster and effective than now by messengers in My name from mouth to mouth.

**2.1.2.** The personal-visible return of Jesus in each re-created Earthly help-body shall be as the Archangel Raphael appeared each time in the tree teaching years of Jesus.

#### **2.1.2.–1. Jesus by JL:**

[GGJ.09\_094,06] Once My teaching will be brought in this manner among the people who are of good will and have a living faith, and when at least  $\frac{1}{3}$  of the people will know about it, **I will also personally, visibly and bodily** (the glorious spiritual body; see verse 2) **come to different places to those** who love Me most and have the greatest desire for My return, and who for that reason will also have full and living faith.

#### **2.1.2.–2. Jesus via JL:**

[GGJ.09\_094,09] But in this land where I am now persecuted by the Jews of the temple as a criminal from one village to the other, and which is trampled down by dark heathens, **I will personally not be the first to act, teach and comfort the weak again. But in the lands of another continent** that is now inhabited by heathens, I will establish a new Kingdom, a Kingdom of peace, of unity, of love and of continuous living faith. Fear of the death of the body will no more exist among the people who walk in My light and who will always be in contact with the angels of Heaven and associate with them. Here you have now a real answer to your question.”

[GGJ.09\_094,10] The scribe said: “Thus, Asia, the old cradle of mankind and of many blessings from God, will not be fortunate anymore to see and hear You when You will return to this Earth? This is truly not a happy news for this continent.”

[GGJ.09\_094,11] **I said: “The Earth belongs to Me everywhere and I know in which place My return will be most beneficial for the whole Earth. At that time however, men will be able to contact each other from one end of the Earth to the other, and this as fast as the lightning that strikes from a cloud. And through the use of the spirit that are bound in the fire and the water they will, riding on iron roads, cover the greatest distances on Earth, faster than the heaviest storms that drives from one end of the Earth to the other. And the ships will, by means of these same powers, cross the big ocean in a much shorter time than now the Romans from Rome to Egypt. So then it will be possible to spread the message of My**

**personal return in a very short time over the whole Earth, and thus also to Asia.** ( So a world-widespread of the message by the current media!!)

[GGJ.09\_094,12] But then there is again the question: Will the blind and deaf heathens of this continent also believe it?

[GGJ.09\_094,13] I think and say: this will hardly be possible before it will be purified by a great worldly judgment.

[GGJ.09\_094,14] **There is a big country, far in the west that is surrounded on all sides by the great world oceans and which is, across the sea, nowhere in connection with the old world.** [So in America, that means in South or central or North America!] **From that country, first the people will come to know great things and they will also come up in the west of Europe.** [ After that also in West of Europe] And from there, there will be a bright shining and a shining in return. The lights of the Heavens will meet each other, recognize and support each other.

[GGJ.09\_094,15] Out of these lights, the sun of life will develop – thus the new, perfect Jerusalem – and in that sun I will come back to this Earth. And now we have talked enough about what will happen in the future.[when on television, in America, the personally visible returned Jesus ( **who first no one recognizes**) is shown as a thirty-year young man who again heals sick and teaches in a miraculous way, then the friends of the NR Jesus through JL, will recognize Him right on His fantastic teaching because it will be the words of Jesus entrusted to them which they already know a long time through Jakob Lorber, so they know immediately: it is you! ']

**2.2.** The greatest Revelation and the return of Jesus on Earth shall precede with a great Justice.

### **2.2.1. Jezus with JL:**

[Gifts of Heaven.03\_49.04.06,104] But this I tell you now, that **before** my arrival on this earth, a lot more weeds and dried grass and all sorts of unsound and barren scrub will with the utter sharpness of the Court be destroyed; for there are two, one is seemingly accepted and the other is rejected. - **So a huge selection up to about half!**

**2.2.2** This huge selection of all humankind to about half = that would be 4 billion dead whose souls Jesus brings in the hereafter to recovery-resorts to save them from the spiritual and eternal death, that will take place **before** the personal return of Jesus and this has not happened yet so far because the total of the first and second world war and all present smaller wars thereafter (= by the fire and its projectiles!) would result in approximately no more than 100 million dead!

**2.2.3.** The in number: (1) paragraph cited word of Jesus to certain pupils of the year (approx.) 32, outlines the following sequence: 1. The greatest Justice, 2. The spiritual

and personal return of Jesus, 3. A selection of the world people by conventional wars.

**2.2.4.** We people, living nowadays know:

**2.2.4. – 1.** That by the fire and its projectiles during both world wars and in all the subsequent smaller wars to the present day, a maximum of 100 million sick souls in the afterlife are transferred to the cleaning-institutions.

**2.2.4. – 2.** That the largest cleaning "to about half, with about 4 billions of deaths has not taken place yet. (This word of Jesus in the third part of Gifts of Heaven, page 491.99 of 6th April 1849 is addressed to us present people. This, Jesus could not have revealed that exactly to his pupils then!)

**2.2.4. – 3.** That the personal physical return of Jesus also has not taken place yet but that up to now, only the spiritual return came through His greatest Revelation of the Word and mainly by JL.

**2.2.5'.** From the following words of Jesus, we know that it will not come to a nuclear World War III. Because then it would not only all hydrogen-atomic bombs are inflamed, but also at least 16 cobalt bombs (8 of the US-Americans) and 8 of the Russians. A cobalt bomb consists of a hydrogen-atomic bomb covered with cobalt, which is converted into radioactive cobalt. In an explosion, which the radiation of just about 8 of such bombs is sufficient, in order to destroy every living cell on Earth. Both superpowers, however, each have about 50 of them, ready-to-shoot to launch cobalt bombs. I.e. every super power is in possession of these 8 x overkill-bombs! Under the situation of a nuclear checkmate, survives the humanity since 60 years. About this Atomic stalemate, Jesus already predicted with the following words:

**2.2.5.–1. Jezus with JL:**

*[08\_185, GGJ. 09] With **these weapons, the inventive people will come to the point when soon no nation will be able to start a war against the other,** for when two nations should attack each other with such weapons then they easily and quickly will exterminate each other up to the last person which would certainly not give a true victory and no gain for neither one of them. Those kings and their generals will soon realize that and that is why they will rather tolerate each other in peace and good friendship. And if somewhere a very proud and ambitious disturber of the peace should rise and would attack his neighbor, then the peaceful ones will unite themselves and chastise him. And in this way, the ancient peace will be set for the people on Earth and will be established durably.*

**2.2.6.** Because each great justice is caused by people who are far away from God and through their complete free will (such as the flood, whereby the Hanochites drowned themselves when they blew up multiple mountains and thus removed the cover of the gigantic underground water reservoirs) so also will the forthcoming biggest selection takes place to about half (about 4 billion people will be brought to otherworldly purification resorts !) only by the people who stand away from God and have caused it voluntarily themselves, most likely caused by the climate change

caused by us. (global sudden collapse of food production around 50%; and the increasingly bigger fires; lack of water).

**2.3.** First, after this greatest selection to far over half, Jesus will personally also visible come back and the surviving smaller half of humanity (3 billion) will gradually recognize Him, so that he can establish His thousand years of peace!

## **The prediction of the GGJ.**

### **1. Jezus with Jakob Lorber (JL):**

*GGJ.04\_112,04] 04] Nevertheless, **all this** ( what Jesus has spoken and have done in His three teaching-years) will not be lost, and when a thousand and almost another thousand years have passed and My teachings have been completely submerged under the most vile materialism, I will at that time again awaken **men** (at least two), who will conscientiously make a full verbatim record in a large book of the discussions and events that have taken place here in our joint presence. This will then be given to the world and will cause many eyes to be opened again!"*

**2. 2.** Jesus has in 1840 Jakob Lorber (JL) and in 1891 Leopold Engel (LE) awakened who wrote down, **all that** what was discussed by Jesus with his pupils and what was done at that time, completely word for word and made it known to the world in a big book – In the 11 volumes of the Great gospel of John. (GGJ.1 to the GGJ.10 by JL and GGJ.11 by LE).

### **3. Jezus via JL:**

*[GEJ.09\_094,04] So I also will awaken men (at least two) from time to time, to whom I will say by means of their heart to the pen, everything that now during My presence, is, happens and is being discussed. What will then be written once will in a short time of a few weeks and days be multiplied in many thousands of copies in a very artful manner which will be very well known by the people of that time, and so they can be conveyed to the people. And since the people of that time will almost generally know how to read and write, they also will be able to read and understand those new books themselves.*

**4.** Jesus has in 1840 Jakob Lorber awakened and had given him, after countless other works from 2. August 1851, **everything** through his heart with the pen (without the last half-year with the preparation for the passion in Ephrem and without the passion itself), **that** was discussed and happened at the time under His presence whereby the first ten bands of the Great Gospel of John arose (GJE1 to the GJE10.)

**5.** When Jesus awakened in 1891 Leopold Engel and gave him, also **everything what** in the last year (in Ephrem and the passion] happened and was discussed in his presence, through its heart with the pen, making it the 11. part of the Great Gospel of John.

## How Love develops

According to Genesis 1:30, the natural man needs a natural diet. We humans cannot suddenly put aside our desires and bad habits. Otherwise, we would be completely destroyed. This should happen gradually. In every human being also evil spirits are hiding. [without knowing it!] But these are necessary to stimulate Lust (= desires) for a long time. If we overcome this, then even such low spirits [according to Swedenborg and Lorber] are guided in a good direction. Only in this way we can be 'reformed'. The six days of creation in Genesis 1 can be regarded as different phases. On the sixth day [in the sixth stage] the Man is ripe. Then the good spirits appear to him and the evil spirits withdraw.

The Bible describes the oldest and the old church. With Adam is the first [thus the oldest] historic church intended. Then Noah follows as the old church and so it goes on. If the man has a loving-faith in himself, then he justifies this faith in his heart and he is fully in line with that what animates him because the right and the 'enlightening' lives here in him. [Genesis 1: 2-25]

What is love? It is like a luminous heavenly "bulb" [ as the light source ! ] Larger and smaller. When human has once found his 'soul faith' then he does everything out of love that comes from his soul. If the person has his faith from love, then the Bible mentions the little light. Both lights, the large and small light, belong to each other. In order for the lights 'to arise' there instead of 'be there' .

So love is related to faith and warmth, and warmth to light. We read in Genesis: "and when the lights were installed in the firmament". In other words this means, put the love sphere into the people, the great light in himself!

Meanwhile, we are with David, a royal person, the inner meaning of the Lord. The Star of David comprises two isosceles triangles, which mirror each other.

David means "beloved"! The Hebrew numerical value of David (dwd) is from 14:

D[aleth] = 4

W[av] = 6

D[aleth] = 4 = **14** ....

One can read this as 4 and 4 while 6 in the middle, the 6th Hebrew letter, means the conjunction "**and**". The number 14 has as meaning 'love'! Each Hebrew letter contains in secret the love **because all Hebrew letters begin with a joD sign**. [J = 10 and D = 4 = 14].

On February **14** it is Valentine's day, the day of **friends**. The 14<sup>th</sup> letter is the letter N with us. The 14<sup>th</sup> Hebrew letter also stands for the letter N and means 'Nun=' fish. As a fish sign it has the meaning 'Subservient'. In this N letter, two Laf-Runes mirroring which form together the N-letter again. And the 'Laf-Rune' as 14<sup>th</sup> Rune means also love! "Laf" is in the old Nordic language LOVE which is pointing to the word love. There is much more to discover in this matter. Even at 'Noen time' or 'NOON time' it is 12:00 pm AFTERNOON, then the great material light - the SUN - is at its peak. Consider in this context 'after-noon'! In this case, much more is going on.

The Star of David, named after King David, is a symbol of the hexagram and has a religious significance. It is primarily today a symbol of the people of Israel and Judaism. This symbol consists of two interwoven equilateral triangles, one pointing upwards and one pointing downwards, whose Center-points are identical.

This results in a regular hexagon (six-angle) in the middle of the figure at whose sides six small triangles unite, and the side lengths [and thus of the hexagon] are each 1/3 of the side length of the two base-triangles.

If we give every point including the indentation (inside angle) a number according to order the following results:

We get here optional:

**01**

02-12=14

03-11=14

04-10=14

05-09=14

**07**

=====

**14=50**            and 50 = **Noen = Fish!** = 14th letter = **N**

=====        **14 & 50 are intertwined!!**

64

[50 = 7x7 is a reference to the **8th!** The **1st**, according to the sequence numbers has a connection to the **7th**]. David was the 8th son, also Solomon was the 8th son of David. And 64 is finally 8x8; which gives us an important clue to Jesus, born on the **7th** of the **1st** month. We look from the top down to the described 1-7 connection.

Back to love. **The neighbor love** is like a flame, like faith with light beams. The "light" in the human is not from faith but from love itself. These are the rays that come from love. Men 'radiates' happiness in love ! Only where the Lord lives in us, there is LIGHT. The seed can only arise if the Sun gives its light. So it will be with the spiritual seed, from which arose the matter. If the self- love is transformed into a real love, it creates a true neighbor love. In the next bulletin about the consistency with the golden ratio. G.

# The latter days

## **Matthew 24 15-31**

<sup>15</sup>“So when you see *the abomination of desolation*—spoken about by Daniel the prophet—standing in the holy place” (let the reader understand), <sup>16</sup>“then those in Judea must flee to the mountains. <sup>17</sup>The one on the roof must not come down to take anything out of his house, <sup>18</sup>and the one in the field must not turn back to get his cloak. <sup>19</sup>Woe to those who are pregnant and to those who are nursing their babies in those days! <sup>20</sup>Pray that your flight may not be in winter or on a Sabbath. <sup>21</sup>For then

there will be great suffering unlike anything that has happened from the beginning of the world until now, or ever will happen. <sup>22</sup> And if those days had not been cut short, no one would be saved. But for the sake of the elect those days will be cut short. <sup>23</sup> Then if anyone says to you, 'Look, here is the Christ!' or 'There he is!' do not believe him. <sup>24</sup> For false messiahs and false prophets will appear and perform great signs and wonders to deceive, if possible, even the elect. <sup>25</sup> Remember, I have told you ahead of time. <sup>26</sup> So then, if someone says to you, 'Look, he is in the wilderness,' do not go out, or 'Look, he is in the inner rooms,' do not believe him. <sup>27</sup> For just like the lightning comes from the east and flashes to the west, so the coming of the Son of Man will be. <sup>28</sup> Wherever the corpse is, there the vultures will gather. <sup>29</sup> "Immediately after the suffering of those days, the sun will be darkened, and the moon will not give its light; the stars will fall from heaven, and the powers of heaven will be shaken. <sup>30</sup> Then the sign of the Son of Man will appear in heaven, and all the tribes of the earth will mourn. They will see the Son of Man arriving on the clouds of heaven with power and great glory. <sup>31</sup> And he will send his angels with a loud trumpet blast, and they will gather his elect from the four winds, from one end of heaven to the other.

### **Sermon 53 (Lord's sermons Meyerhoffer)**

This is the last Gospel I shall explain to you. It deals with **the latter days of Judaism also the final conditions among mankind** and even the last events at the end of the visible world which transformed and is rising to higher levels, will commence a new cycle. I once predicted to My disciples the destruction of the temple in Jerusalem, the first act of the end of the Jews as a people. They had then lost their importance as a people **and were no longer worthy of living together in a country of their own on this earth**, after having endeavored to destroy the greatest kingdom that has ever existed, My everlasting Spiritual Kingdom. They had been chosen from the very beginning through their religion and their prophets to become that nation into the midst of which I could descend to the earth but afterward they proved themselves quite unsuited to embrace and spread My teaching. The light of truth was conveyed only to My disciples and a few elect of that nation. The others rejected it and preferred the darkness and sticking to the dead letter, a trait they have not got rid of to this day, although they **are compelled to live dispersed among all the other nations**.

History tells you clearly how everything I predicted really came true soon after My ascension to My Kingdom. Thus ended with the temple which spiritually had already been destroyed long ago, the history of a people I had chosen from among many to be the carrier and promoter of My eternal truth. I had also predicted to My disciples how, in the course of time, My religion, My teaching, would keep growing stronger in its fight with Judaism, in its progress benefitting its followers more and more, whilst Judaism with its cult, instead of progressing, has remained stagnant and its followers **are still today waiting for the Messiah** with the same worldly ideas as they did almost two thousand years ago. Already then I had endeavored to enlighten them with regard to their wrong concepts but their obstinacy was My greatest opposition. Everything in My creation keeps progressing. Everything changes and in this change perfects itself. **Only the Jews did not want any innovation or change**, and so they can blame only themselves for their lot - **being despised by all nations** -since they serve only that which is the most inferior thing on earth, mammon. Thus he who strives after material instead of spiritual values punishes himself, for My Kingdom,

even though it appears to be material in its visible form is only spirit and not matter. What happened to the Jews at the time Jerusalem was destroyed, will happen again at the end of today's mankind. There will again be the horrors of war and destruction, only in a different form. And just as in those times the few that believed in Me had a better lot or, if it was hard, were better able to bear it thanks to their firm faith in Me thus it will be in the time preceding My Second Coming. Then, too, faith and trust will have disappeared on earth because mankind, or at least the majority of men, will be favoring the world and its pleasures as can already be noticed everywhere.

Therefore, the purification of the spiritual sphere of the soul must happen in accordance with what I said of the figtree in the Gospel. When it starts to come into leaf and develop sap, it is the time preceding the summer, the time prior to development and fructification which spiritually compares with the time of testing and separation, when man has to take the spiritual values entrusted to him into account. Natural events, accidents and illnesses preceding this time are the last efforts to save whatever can be saved, that not all may suffocate in the mire of selfishness. The arrogant human heart can only be made pliable through misfortune and blows of fate. Like reality, truth must present itself in a naked form, unembellished by illusions. Only then can it have a healing effect. And when the material world presents itself undisguised in its transient and deceptive nature, when it rejects a man mockingly, scornfully turning its back on him who wanted to caress it, only then - usually too late - can the spiritual begin to effect its influence; only then are better thoughts and purer emotions awakened. Thus I, as a loving Father, have to guide man towards recognition of the true value of things so that he may find Him Who is permanent peace. It is obvious that these ever-increasing efforts are being opposed by all available means, that believers have to put up with ridicule, revenge and persecution, that false as well as true prophets will endeavor to teach the people and that in the end, most will be totally confused. As it was before the deluge, My admonitions will be futile with many, and only few will mend their ways. However, when events precipitate, most people will be saved spiritually and then they will thank Me that I have saved them through such severe measures from the general destruction. When all these unfortunate happenings will befall mankind, as once happened to the Jews with the destruction of their temple and Jerusalem - whose fault will it be? Am I a God of revenge, Who wants the blood and misery of so many thousands? Or are not they responsible who want to bend everything to their own will and would like - if possible at all- to upset even the great laws of the material as well as the spiritual world? I have it written down here for all the world to know! As I once predicted the downfall of the Jewish people, which also came to pass, you have here in 53 sermons plenty of admonitions and predictions wherein I have made it quite clear to you what is going to happen and how and when it will take place, in order to guide My erring children onto the right path. Already at that time, I told My disciples: "The Gospel of the Kingdom of God will be preached in all the world!" - and it is this work which I now give you as a token of My love and grace. The time of abomination and desolation is to be understood in a spiritual rather than a material sense because what is said in the Gospel as, for instance: "Let him which is on the housetop not come down!" and so on, means: Let go all that is worldly and stick to that which is spiritual imperishable! There you find the anchor that can securely hold the vessel of your life in the storms of material misfortune and spiritual distress! Without this anchor you will find no rest, no peace!

Therefore, gather around Me and hold fast to Me and My teaching! For, as is written: "Heaven and earth shall pass away." Yes, heaven and earth will pass away; they will dissolve into other elements from which other forms and other worlds will arise. The whole of creation will go through the same process as the Jewish people who with its traditions and its religion was the basis for My teaching.

I have put My Spirit into everything in creation, even the smallest atom to enable matter to develop into something greater and higher. Thus the Jewish people were the best-suited element within which I could descend to the earth and - as in the entire visible creation - complete My great spiritual task. However, just as the Jewish people after its mission ceased to be a nation and as mankind, after its purification, will cease to be a carrier of all the selfish desires because there has to be made way for something better, the whole of creation, which so far is still the basis of My love for all created beings, also will one day have to cease being the manifestation of My divine thoughts. When the created beings will have matured to a stage of spiritualization where even the finest matter must appear big, then this world, so rich in wonders and beauty, will be a big carrier for the purely spiritual and the entire creation must be adapted to those dwelling in it, of which her solution is necessary.

At that time the Son of man will appear in glory - as I once stated - because also the created beings will have attained a spiritual condition that will make it possible for them to bear this brilliance and glory. Then the highest spirits and angels will be gathering the elect from the four winds and from one end of the universe to the other. This will happen repeatedly, each time on a higher level involving greater beatitudes. I can reveal Myself to My spirits only to a point comprehensible to them. However, since I am infinite, conceptions of Me are infinite too and My Kingdom would not be infinite if a constant enhancement of the spiritual potencies were not possible.

All this I predicted to My disciples using parables, not only that they might know it, but to provide proof that My words are not transient and will remain true forever. Do not think that I came into the world for you alone and suffered only for the sake of the small earth and its inhabitants. My deeds are deeds of infinity! Also the Bible in which

partly is written My words spoken during My years on earth, is not just for you but belongs to all creation. Even if millions of worlds do not yet know of My existence, the time will come when these words of God will reach them and be comprehended according to their spiritual level. Then those who are fully reborn in the spirit will shed the hard shell of the letter and literal interpretation and the pure and profound meaning of God's words, the words of a loving Father, will speak to all creation, clearly comprehensible: "All of you love, oh, love one another!" For I created the world out of love and out of love, I performed the greatest act of meekness on your earth; out of love I am purifying mankind through distress and suffering so that My words which I once spoke and have now explained in this Gospel, shall remain true everlastingly. They have no other purpose than to make My children into that which many have been only in name. As after a thunderstorm, so it will be after the abomination of desolation, and the sun of grace shall shine again for all in its full brilliance. As the spiritual atmosphere will have been cleansed from all the poisons, everything will be ready for a new, active life, just like the refreshed earth after a thunderstorm. Amen.

## The future role of the people

We must not forget Hildegard von Bingen because it was likewise 'consecrated' in the teachings of Jesus and that she received important notifications about the later times, in which we live now. She cites in regards to the passed messages, to the two Bible texts: 1 Thessalonians 5:18-23 and Joel 2:

... "Thank God in everything; for this is the will of God in Christ Jesus concerning you. Quench not the Spirit. Do not despise prophecies. Prove all things; retain the good. Abstain from all form of evil. And the very God of peace sanctify you wholly; and your whole spirit and soul and body be preserved blameless unto the coming of our Lord Jesus Christ. "

"And it shall come to pass afterward that I will pour out My Spirit upon all flesh; and your sons and your daughters shall prophesy, your old men shall dream dreams, your young men shall see visions; and also upon the servants and upon the handmaids in those days will I pour out My Spirit. And I will show wonders in the heavens and in the earth— blood and fire and pillars of smoke. The sun shall be turned into darkness and the moon into blood, before the great and the terrible day of the LORD come.

And it shall come to pass, that whosoever shall call on the name of the LORD shall be delivered; for in Mount Zion and in Jerusalem shall be deliverance, as the LORD hath said, and in the remnant whom the LORD shall call. [Joel 2 ,28-32]

Hildegard: ' And then when the big 'cleansing of the Earth', where we have already often spoken and written about, meanwhile, is over, "then also the air smells delicious again and the fruits of the Earth useful and the people will be healthy and strong. In those days, also

many prophecies and many wise men will stand up so that the hidden things of the prophets and other writings are fully open for the wise. And therewith will their sons and daughters prophesy, as it was predicted for long time ago in Joel 2 '.

And this will happen in such purity of truth, **that the spirits of the air can make then no mockery to them anymore'**.

' these and those will prophesy in the same spirit, by which the prophets have announced once the mysteries of God and in similarity to the teachings of the Apostles, the teaching that was all above each human mind.

'In those days The people will turn to regain their old habits and to the teachings of the former people and covert in righteousness and hold and observe how the elderly at the time [in former times] preserved this. But then also any King, Frost and Bishop of ecclesiastical value, will improve himself if he perceives justice them to and sees them live pure and honorable.

And every tribe will of the other tribe accept their reprimands if they will learn that makes this and that good progress and is open to sincerity and frankness.

## **Preparations second coming Jesus**

In Heaven and hell 2, chapt. 190 –is written about Robert Blum by Jakob Lorber, especially in the first six verses in which RB asks the Holy Father to shorten the terrible times in which we still live:

All the prophets and apostles come to me and say, "Yes, amen! Hallowed be thy name, both here in your heavens and on your Earth, the true school for the generations for an everlasting existence germinates under your heart . Only that one, holy Father, we ask you as one heart and one mouth: let it finally be done with the nefarious work of Satan! Take away the purple of your Earth and let gold, silver and gems disappear so that people no longer prey upon the glimmer of these unholy things but only pursue pure love and truth. How many treasures of the mind have to be brought to the grave there, because to hunt all these vain things hinders humanity

to awaken her spirit according to Your order and to draw from that imperishable wealth for time and eternity ! [ Heaven and Hell - 2-190-1 ]

Make an end to the practices of Satan! With the disappearance of his influence on the sphere of human action. Humanity must tend to the good and the true; If not, then humanity will sink ever deeper into ruin. Well, Your Council decisions are unsearchable and your ways unfathomable. No one knows how you proceed to finally lead everything to the best destination. For many beings is a very long length of time required to reach their final destination. So to shorten the long way and the time period, as you, o Lord, have promised Your people Yourself, is the most ardent desire of us who are God-friendly! [Heaven and hell-2-190-2]

It is really a shame for your beautiful Earth, that it is unable to cure the again and again inflicted wounds to her, if you do not manage to keep away the always the same tormentors. What You Lord and Father, whatever you are going to do, do it soon because otherwise people are consumed by excessive fear of the expected things which will befall the Earth!

We here, have obviously an easily wait because of our great salvation to thee, Holy Father, also for us a thousand earth years are equal to one fleeting spring day, but to the still in mortal envelope living brothers on Earth fearful minutes are as years and years to eternities. Therefore, O Father, open your rich source of love and mercy, test the poor on Earth gracious and shorten this bad time! Your holy will always be done! ' [Heaven and Hell-2-190-3]

I say, 'You do well to ask so but it will happen to you with your questions like those who always came around too late and therefore should always come too late for Me because I'm everywhere and in everything the First. You are like the limbs of my body, which are not able to act sooner than when My Spirit drives them to act. However, if you need my spirit, how can you think that I first by your request must be moved to accomplish something in which I've seen the need before a spirit from me is looking forward to a free consciousness! when you only start thinking about a thing, I have already taken a thousand years precautions and set everything in motion so that the effects just must come so exactly to light. Otherwise the general principal purpose is impossible to achieve namely your eternal, free creating life in My divine presence. [Heaven and Hell-2-190-4]

Must I destroy all hierarchies by fire from heaven at one stroke? After the great work of redemption, this is not done anymore! No general flood and no more destruction of Sodom and Gomorrah! [Heaven and Hell-2-190-5]

But every evil on earth is now his own judge and the punishment follows sin closely. The hierarchs longed for their old cruel priest freedom. And behold, it was given to them but without material power! But if the hierarchs continue to make use of their cruel freedom, they will thereby prompt thousands to go from their poor community to a better one. While you are asking here, thousands have already fallen of Rome. Can

the time be more shortened than? Is not everything done to their destruction that now soon will become necessary ? [Heaven and Hell-2-190-6]

How could I ever come back to Earth , if not effectively is put an end to the ancient practice of the bad hierarchy? If I would come as God, well, you know certainly that the whole Earth would then be addressed and there is no creature on her that would still be able to breathe freely ? [ Heaven and Hell - 2-190-7 ]

However, when I come to Earth, I can only come to the poor. Only then there is on Earth a proper settlement of all imperious efforts possible and also my rush to come to the lost. [Heaven and Hell - 2-190-8 ]

.. [ ...] "But God, the Lord will first have to call all, even the most wretched. The Lord Himself will come in the spirit realm and make himself known to all who are imprisoned by their night. Those who will turn to Him, He will retain. But his servants Peter, Paul and John will go before him and will proclaim the light that comes from the name of the Almighty God to the prisoners . Those who will take this name in their hearts will be renamed themselves and the Lord will raise their decaying fortresses and their dilapidated castles again. [ Heaven and Hell - 2-207-3 ]

Likewise, the Lord will come to earth, first only through the Word from the heart and mouth of the Wise who He has awakened and those who He is about to awaken. But then, as the earth will be purified, He will come in His Most Holy person to all those who love Him and are pure and compassionate in their hearts! ... . [ Heaven and Hell - 2-207-4 ]

..[...].Although I will soon leave this world, and during the time that I will be absent visibly, the lie and its false and evil things will still be rampant for some time among the people on Earth, but then at the right time I will come back to you people with all might and power and will make an end to the dominion of the lie and deceit. [GGJ9-69-12]

... [...] The disciples asked Jesus: **Please tell us now also something more specific about Your 2<sup>nd</sup> coming. In which time will You return, and where and how?** [GGJ.09\_070,01]

... [...] **The year, the day and the hour I cannot tell you with certainty because everything on this Earth depends on the complete free will of men.** Therefore, not even an angel in Heaven knows it but only the Father and also the one to whom He wants to reveal it. Besides, it is for the salvation of the soul not absolutely necessary to know it very precisely beforehand. [GGJ.09\_070,02]

**The day of My 2<sup>nd</sup> coming will be as a lightning that goes from the east to the west, high in the clouded sky, and will illuminate everything that is under the sky.** (Luk.17,24) Before that will happen – as I have told you already several times – the Son of Man must still suffer many things and be rejected entirely by this

generation, (Luk.17,25) namely by the Jews and the Pharisees and in later times by those who will be called the new Jews and Pharisees.

**As it happened during the time of Noah so it will happen in the time of the 2<sup>nd</sup> coming of the Son of Man.** [GGJ.09\_070,06] - (Luk.17,26 and farther and Matt. 24)

## Prayers of the New Revelations

(A short presentation)

By Klaus Opitz

### 1. Who comes to me is always being heard.

From general human vision by prayer is meant the “communication with a deity” the “conversation with God”, the request, the thanks, surrender or letting go in trust to the eternal.

Usually people first come to prayer when life is not going as he desires so: if he has to endure accidents, illness or death-cases, he’s looking for a support-point.

*"Looking up, for the invisible Being which he [man] had often suspected but was never worthy enough ..."*

*Millions of people **pray or believe to pray and see no results of their prayers**, partly because they require the fulfillment of wishes which are not feasible because they believe that with prayer all their entire obligation is redeemed against their Creator.*

*From these insights emerge naturally a quantity of **errors** which then often result **from belief to disbelief** because man does not see granting (fulfillment) of his prayers. It must therefore here a limit be placed to **why one prays, how and to what one should pray.***

**Why one should actually pray** is therefore, because a prayer, when it comes from the heart, this will be expressed more easily peace and joy ...

*One should pray because no one can comfort more as I can, especially if you know how to appreciate my words; because I **do not reject a child** when it looks up in sorrow to me and pours out his whole heart before Me; I **do not present him the mistakes he made** but his prayer itself testified already that he already knows them himself and now for the evil consequences begs for my help.*

*Whoever comes to Me is always heard, that is, he finds his peace again which he formerly thought he has lost ...*

*The power of prayer should elevate man, **bring them to me**, this (is) the purpose; because `prayer` means nothing else than **to think of me and the relationship between me and the human**. Who is praying this way has come into connection with me and gains a lot because he sees his own position in the world better and reconciles more easily from all conditions and facilitates through prayer the **passage into the other life** and because he has already mentally emphasized before the earthly envelope was laid down which separated him from the spiritual realm (From Gottfried Mayerhofer: "The power of prayer" (Festgarten) (Full text see also [www.JESUS2030.de](http://www.JESUS2030.de) left-hand column under "prayer / meditation / Health (1)" From the content: When should you pray? / How you pray? / To what should we pray? ...)*

Jesus himself tells us in the New Revelation by many texts, how to pray and what to pray. Here is a small selection:

## **2. The primal our Father , how it is displayed in the Great 'Gospel of John'**

*A disciple: "Lord and Master, how should we pray in a for You well pleasing manner and thus that we also should not ask in vain for something which is justified? For man can come into many different kinds of needy situations in this world and can then only turn to You with a real request for help. But then how should he ask and pray?"*

*I said: "**Pray in every need and adversity with natural words in your heart to Me, then you will not pray in vain.** But when you ask Me something, then do not use many words, and absolutely no ceremonies, but pray very quietly in the secret love chamber of your heart:*

*'Our loving Father who lives in Heaven,  
Your name be sanctified always and forever!  
May Your Kingdom of Life, Light and Truth come to us and stay with us.  
May Your only holy and righteous will be done on this Earth among us people,  
in the same manner as in Your Heavens among Your perfected angels.  
But on this Earth, give us our daily bread.  
Forgive us our sins and weaknesses, as we will always forgive those who sinned against us.  
Let no temptations come over us that we cannot resist, and free us in this way from all evil in which man can fall as a result of too strong enticements of this world and its evil spirit.  
For to You, o Father in Heaven, belongs all might, all power, all strength and all glory which fills all Heavens from eternity to eternity.'*

Look My friend, in this way everyone should pray in his heart, then his prayer will be heard if it was meant in all seriousness. But not only with the mouth **but truthfully and lively in his heart!** Because God is in Himself a **purest** Spirit, and so He should be worshiped in the **spirit** and in the **full earnest truth**. If you do see and understand

this, then act accordingly. Then you will live, as well as everyone who will do the same." (GGJ.10\_32,03ff)

### 3. Our Father...(The Lord's prayer) Questions in the spiritual light,

"... However, what concerns our Father ', it is with this prayer just as with the question how to pray it so that it is bearing fruit. Because who does not pray the same in spirit and in truth, is similar as a blind to who colors are being clarified.

*How can the (spiritually blind) say: "our Father" he has never taken the trouble to know the Father in his heart by love and by recognizing the lively faith and approach him in spirit and in truth?*

*How can he say: "You who is in heaven" who neither knows the Father nor less the Heaven !?*

*How can he say: 'hallowed be Thy name !?' he who does not know my love and much less my living Word and therefore impossible to know the life of the life and holiness of all salvation and all the new wording of me, what only my name is pronounced! "How do you tell the `Hallowed be thy name` he who does not know My love, even less My living word and therefore impossibly knows the life of life and the sanctity of all salvation and becoming a new from Me which is alone My outspoken Name! "*

*How can he say: 'Thy kingdom come' he with all his senses as a parasitic plant on the tree that has to bear fruit, that is he who hangs on this world !?*

*How can he say: 'Thy will be done`, who has never taken the trouble to recognize My will and against to all that easy commandment in his heart or with a great tinged feeling, often in his youth, cherishes the rebellious disobedience and carries everything concerning all things of eternal life with the utmost levity within itself.*

*How can he say: `Give us the bread of Life`, he that the requested bread has no idea in his heart but all the greater eat- lust in his stomach that is the actual main heart(part) of such a fruitless praying !?*

*How he can ask for 'forgiveness for his Sins` whose heart is still full of unfairness because nothing else lives in it than wrath, anger, pride, envy, brutality and many other characteristic vices !? –*

*Hear, for fruit-rich achieving of forgiveness of sins, to do this is more required than in not to be hostile. favorable situations For who has no enemies, how he must ask, forgive me my sins as I forgive my enemies!?" -*

*I do not mean that you have to make enemies, only to have something to forgive; but I want to say that your heart on every insult, how perverted this may be, should be exalted. Otherwise you get instead of forgiveness, judgment and condemnation on your neck.*

*How can he furthermore say: `Lead us not into temptation` who doesn't even know Me in first place and pray in this way in the nothing, so that I, also him anyhow*

unremarkable spare from any temptation even though he's running as a possessed man from danger to danger, from abyss to abyss, from death to death!?

Behold, how it goes after such a request! Doesn't he Resembles a fool who asks a great benefactor for a support and when he gets it, he throws it partly into the fire, partly in dirty water, partly in the smelly sewage and partly in filth and in tombs full of decomposing corpses. And do you think that such fools uses his gift !?

How can the finally say: '**Deliver us from evil**' who with all his effort is plunging himself in all evil!

So if you want to pray this prayer **fruitful**, then you have to pray it **in spirit and in truth** and perhaps rethink what is required in order to reap the true fruit from this prayer. Otherwise, this prayer becomes the opposite of the great blessing for you and for any other grownup ." (Gifts from Heaven 01\_41. 03.13, 08ff)

**Other interpretations**, such as "The Lord's Prayer in relation to `Light", "The Lord's Prayer in relation to `Life", "The Lord's Prayer in relation to Life", "The Lord's prayer in relation to Truth", "The Lord's Prayer in relation to `Order", "The Lord's Prayer in relation to Freedom" see Jakob Lorber, Gifts from Heaven, volume 2, page 163, et seq.

#### **4. Lord, You long-suffering.**

"... As such **spiritually formed man** prays for the people so also pray **my angels as the highest spirits** who only wish **the spiritual welfare** of all beings entrusted to them.

In such a man is such prayer most useful to himself because he will feel **a peace of conscience** in which elevates him far beyond all material and solves all the small shortcomings of human life into nothingness.

The One who freely from his heart speaks to me:

**O** Lord! You long-suffering, most loving Father of us all!  
Let Your Spirit of love flows down this **lost human race**, which how drunk by worldly desires, have completely forgotten you!  
Let in them shine your love, your mercy and grant them insight **into your immutable laws of the matter- and spiritual nature**, in that they do not continue to **sin and bring thereby disaster and need upon himself!**

Let them understand that **brother- and sister- love** is a weak ego of your infinite Father's Love, to bind them together and that not hatred, ambition and vile greed should be the motive of all their actions and therefore the source of all suffering .

Let your **light of insight** shine so that the darkness may disappear in which faulty **upbringing and false religion concepts** have fallen into!

**Bless, O Father, Your lost children** because, although still lost, they are still your children, your creatures!  
Give them peace and quiet, so that they may be given light, from the eternal light of your love! Amen!

So who is able to pray for the people, who thus with the same nature can do this all days and with the same love and where this agreement whatsoever is directed in his daily actions, who prays to me every moment, **without ceasing** and builds in his inner a **stamp of peace**, which no one can destroy and practices the people-Love as I once preached it and have myself practically shown. (From Gottfried Mayerhofer, "the power of Prayer" (Festgarten))

## **5. A good little prayer**

Herewith I give you a good little prayer for those who can't resist the worldly pleasures because he imagines it as entirely innocent and harmless while by My love warmed heart he experiences this as refreshing and thereby cherishes the worldly desires but thereby the extremely **poisonous snakes** sneak up more; and such evil, true hellish snakes sleep in for me, sleep softly in for My love and mercy with magnetic manipulations so that the heart of Me has fallen from them over time and must pass over into eternal death!

So Therefore I give you this **powerful little prayer!**

**Who will say this lively, loyal and in truth will herewith banish these evil snakes from his heart!-**

And so write the little prayer:

**Holy, loving father!**

**See me poor, weak, completely exhausted sinner with great mercy!**

**You, o dear Father, have moved me with the highest, eternal true love fire and pulls me greatly to you!**

**But I, a lukewarm, Yes from the basis a cold being, move me only in the old elements of my inherited deathly-cold now merry, excited and lively, further.**

**In your sacred elements of the fire of your love I will become slow and unfounded lazy and it is to me much more easier and warmer to walk around for days and weeks in the old elements than just **one hour** long in the big warmth of your love.**

**That teaches me the daily experience!**

**However, I see that this can cost me only the **complete death of the spirit** because such a feeling is from hell! So I ask you, without delay, o Holy Father, drive the evil asleep hushed snake away from me **and breath me in with Your Divine consolation,****

**so I no longer end up in the my old death present elements and get destroyed in the soft cooling poisons of my own **worldly snakelike characteristics** because they, from the by your warmed heart, if it clears worldly in the meantime, still overcomes me and sneaks up on me!**

**O see, how I enjoy, because I run into something with my world's joyful company and have fun with her about **the vain and wholly insignificant things!** But with you, o Father, to talk and to turn my heart and face to you, I become **sleepy, quickly filled with boredom.** And it is not uncommon to me to cheer me up all day with the least worldly works and then devote only to you.**

*O Lord and father, question me and be gracious and merciful to me poor and weakest sinner!*

*Your love brings life to me, your mercy enlightens and Your compassion and generosity strengthens and draws me ever more powerful to you.*

*O Father! Take me with your hand and lead me forever in your Kingdome and in your father's House Amen. ' (Gifts from Heaven. 2\_ 43.07.18, 01)*

## **6. Lord, it be done there, what comes**

*"Lord! It will be done, what comes, You alone are our Father, temporal and eternal.*

***Our future [true] well- being depends on you alone and nobody else:** for we already know that all human help, how it may be, is good for nothing.*

***Your will be done!***

***We want to fear no one but you alone, O Lord and from no one, we expect help only from you, O good Father! "***

***"With you we want to be in the whole life of this world and also in its necessary death that will make us free from the body and finally lead us to You for You are our only living hope through faith and our only love in the cheerful life of our Spirit! "***

*Is a **complete devotion** to me not possible for you, **in which the triggered living faith is at home**, for that is an appropriate means whereby the repose of the soul can be achieved.*

*(Gifts from Heaven03\_ 48.09.03)*

## **7. Prayer from the heart.**

*"O Father, Lord and God, we praise you, we thank you !*

*You, God and Father, praise the creation far and wide, all the stars and all heavens are full of your glory !*

*All angels and heavenly armies always serve Your will !*

*Cherubim and seraphim sing with high voices : `holy is our God, holy is our Father ! All countries , all worlds, all the heavens are full of His great name! `*

*Oh, my God and Father, help , help, help, that **your most holy, above all most mighty and powerful name, the most worthy to us and may be sanctified by us!***

*Do especially not allow, that we may ever be defiled by thoughts, words or works !*

*Have mercy, **have mercy on me and my family and all people!***

*See, my God and Father, You have given me graciously a bright shining in my heart; **let me realize and experience the heavenly wisdom, which is in the hidden and flows solely from Your infinite love and mercy in my still highly unfair hart flows! "***

*Oh, hide your divine face for my crimes and bring, bring in me, O God and Fathe, a pure heart and give me a certain spirit, yes give me your holy spirit!*

*Do not reject me, O my God and Father !*

*Comfort, comfort, comfort, me always with your love and mercy !*

*Ah, my Father, God and Lord, covert us, so we are converted! Help us, so we are helped! **And have mercy on all people, souls and spirits ! - Amen .***

*O my Jesus, in You most holy , all the mightiest and most powerful name. Amen " (Heavenly Gifts 01\_41.05.04.b , 01ff )*

### **8. Statement Jesus for all the impatient:**

*"When the prayer has reached the **right power of faith** that knows only I.*

*Success always aimed at the **self-acting power of faith**. The more this is **fixed and imperturbably** persists **in My name**, the closer is also the success which is lying in the **whole undoubted dedication, patience, love and gentleness**.*

*When it has reached the correct level, that only knows I, as I already said.*

***For that reason, any request should not be excluded**, that each one examines himself, how strong he holds himself by my name.*

***This I say, in His name in who all power and strength is hidden! "***

*[Note: I've read from Jakob Lorber that we shouldn't ask the Lord so much for we've receive after all so many from him and often without realizing it. HE knows what is going on with us!*

*But on the one hand, the Lord will surely be happy that we ask Him but he accentuates by Jakob Lorber that it is even better to give thanks!*

*If we ask him, it will then be given to us only when it is fruitful for us.*

*But we can better thank HIM more in every way. Give! [in German: Gibtt!] while the German word Gébet means "prayer".*

*Give and you shall receive too! We should dedicate to the Lord. Too much paying [beten, bitten = asking] can also be selfish. From that point of view, there is a difference between worship and praying, asking and begging... (G).]*
