Fig tree reformation

We received the following article by Wilhelm Erdmann from Germany

On December 15, 1843 God-As-Jesus-Christ said through the Inner Word to Jakob Lorber, who for the German enlightenment as „God’s writing servant“ got an explanation revelation for the instruction if the enlightened ones, about the fig tree parable: Luke 13, verse 6 to 9: See, in Luke, chapter 13, from 6. 9 Verse, is a parable of a man who had planted a fig tree in his vineyard, but it did not bear fruit three years! "I tell you: This image contains Great for anyone! - Now is it’s time! - Consider it in you, and happy is he who will find himself in this picture! This image is like a secret, hidden treasure. Blessed is he who finds it! But now that’s enough! More I won’t tell you about it, and you also need, therefore, no longer to write. Amen."

13.6. God-As-Jesus-Christ told them this parable: A man had a fig tree planted in his vineyard; And he came and sought fruit thereon, and found none.

13.7. Then said he unto the gardner of vinedresser of his vineyard, Behold, these three years I come seeking fruit on this fig tree, and find none: cut it down; why cumbereth it the ground?

13.8. And he answering said unto him, Lord, let it alone this year also, till I shall dig about it, and dung it: And if it bear fruit, well: (13.9) and if not, then after that thou shalt cut it down.

1. The Reformation of Martin Luther had the consequence that his coreligionists who were not church officials, were allowed to read the Bible. The Reformer Luther took over from the liberal Jews, the order of service and led the Christian world order in the modern era.

2. In worship Lutherans is, as opposed to the service of liberal Jews, the Lord's Prayer spoken together. The liberal Jews said in worship continue the Lord's Prayer each in an individual time, until the last Jew has finished his prayer.

3. This jumble speeches when speaking of the Lord's Prayer let the children ask, "Why the prayers speak all messed up?". This gives believers an important opportunity to explain to the children the right, divine praying that God may help blessing.

4. When the mind wanders while praying, the man is a prophet. He first continues praying, if the prophecy is finished. The Our Father prayer is in worship only at the end of the prophecy, when the last has finished his prayer, that no prophecy is lost.

5. This Our Father prayer prevented the Jews to become Lutherans, because the defiant Luther wanted to maintain his usual prayers. It came to the confrontation, because no Jew could say why they pray the Lord's Prayer in an individual time.

6. The Reformation of Martin Luther is for God-As-Jesus-Christ important, because in order to reap the fruits of faith, it is necessary to read in the Christian Bible or at least in the Gospels and the sermon on the Mount, so that the faith can bring up the wisdom in the sense of God.

7. Before the Reformation the general church, which is called Roman Catholic, stupefied their members, because they have been rhetorical, not only after death, sent to hell if they bought no indulgences from the violent rulers for their sins.

8. The Illuminati, who have been enlightened by the explanation-revelation of Jakob Lorber, visit the Jewish worship and want to continue to unite with the Lutherans. To realize this, they planned in 1871 a reformation 2.0 after the fig tree parable.

9. These three world wars and post-war period must support the Reformation 2.0. An evoked World War I, has to enable the Illuminati to overthrow the power of the Tsar in Russia, whereby this this country becomes a fortress of atheistic Communism.

10. The discord between the British and the German Empire, should be used to foment this war. At the end of the war, Communism will be built and used to destroy the other governments and weaken the religions.

11. After the First World War the Jesuit State Austria is eliminated and the members of the Church, which is called Roman Catholic are allowed, without being punished by the state, to buy a Bible, even though they are rhetorically sent to hell by the Pastors.

12. The fomented differences between the Fascists and the political Zionists bring the II. World War. It must be controlled so that Nazism is destroyed and that the global political Zionism may establish a sovereign state of Israel in Palestine.

13. During World War II the international Communism must become strong enough to be an equal reaction force for religion, then being hold back and kept them at bay up to the time when it is needed for the social breakdown.

14. After the Second World War, Catholics are finally allowed to read publicly in the Bible. The "Frankfurt School", which combines the political economy of Marx with the Freudian psychoanalysis to critical theory, will crucially weaken the churches.

15. A III. World War uses the by agents built differences between the political Zionists and the leaders of the Islamic world. The war is so directed that the Muslim world and the political Zionism with the State of Israel annihilate each other.

16. At the same time of these acts of war, the other nations will be forced as a result of acts of war and on the thereby triggered splitting, to fight each other in a way until they are physically, morally, spiritually and economically completely exhausted.

17. After the third world war may all Catholics, in which only the pastors drink the sacramental wine, absorb the blood of God-As -Jesus-Christ through the sacramental wine in the church sacrament, so that they understand the Bible when divine blood is in them.

18. In the postwar period the Socialist Revolutionaries and the atheists must be unleashed, they provoke a formidable social cataclysm which will clearly show with terror, what the result of atheism is, which is the cause of barbarism and the bloody riots.

19. Then the citizens will exterminate those destroyers of civilization. And those who will be completely disappointed from paganism, will adopt the true light through the Declaration Revelation from God-As-Jesus-Christ, which will finally be shown clearly to the public.

20. A consequence will be the destruction of the devil worshipers and atheism. In the postwar period, people will live according to the declaration revelation of 1840-2012 and then officially align their laws to those given through God-As-Jesus-Christ.

[Editorial Note G.]:

In the childhood of Jesus the infant Jesus spoke with Cyrenius about the fig tree the following: ***“However, I will curse the fig tree with the children which I planted in Salem already during the time of Abraham – in a city that I built through Melchisedech with My own hands – because it only bears leaves! Truly, it has always caused Me to starve! I had the tree in Salem fertilized many times by good gardeners, and still it did not bear Me any fruit! Therefore the city which I built for My children with My own hands will fall to you strangers before a century passes, for your brother's son shall take up the sword against Salem!*** [JJ.01_152.16-18]

Note to this: The Lord speaks in this connexion the following words at Robert Blum in 'Heaven and Hell,: [...] ***“what concerns the fruitless fig tree, the Lord Jesus presented in any case only a symbol, probably from the Roman Catholic Church, which is also full of pagan ceremony tradition, and behind this is no fruit perceptible”***. ... [Heaven and Hell-RB. 02_276, 06]

...'and you will become like any fig tree that stood there fruitless while starving Myself under its branches. Because your parents are such fig trees, your children are its fruit. However, these have become corrupted by the well-known 'perverters' either way, then it will prematurely drop the blossom and the fruit from its branches. And the Lord will pass by finding the tree empty, and He will do what he has done to the fig tree! - Remember this, our parents, and be aware of who He is, who tells you this! [Heavenly Gifts.01_40.12.14,12]

[HiG.03_41.01.02,40] (Matt.24,32. Luk.21,29) and [GGJ.03_41.01.02,40] [...] That they thereby are quite easily to recognize oneself and to the world in its whole, what right now is all the more needful **because My seventh and final arrival is just around the corner**. Just look at the fig tree, and there you will find that it is so!

Therefore, the purification of the spiritual sphere of the soul must be undertaken in accordance with what I said of the fig tree in the Gospel. When it starts to come into leaf and develop sap, it is the time preceding the summer, the time prior to development and fructification, which spiritually compares with the time testing and separation, when man has **to account for** the spiritual **values entrusted him**. **Natural events, accidents, and illnesses preceding this time, are the last efforts to save whatever can be saved, that all not may suffocate in the mire of selfishness.** The arrogant human heart can only be made pliable through misfortune and blows of fate. [The Lord's Sermons-01_053,08,09] Gottfried Mayerhofer.

And on the morrow, (early in the morning) when they had come from Bethany, He was hungry, and seeing from afar a fig tree having leaves. He went to see if perhaps He might find anything there on. But when He came to it: 'He found nothing but leaves, for it was not the season for figs. And Jesus spoke and said unto it, "May no one ever eat fruit from you again." And the fig tree withered at once'. [Matthew 21:18,19]

And His disciples heard it. [Mark 11:12-14] And Peter, calling to remembrance, said unto Him, "Master, behold, the fig tree which Thou cursed is withered away." And in the morning, as they passed by, they saw the fig tree dried up from the roots. Peter remembered and said to Jesus, "Rabbi, look how the fig tree you cursed has withered. When the disciples saw it, they marveled, saying, "How did the fig tree wither at once?" [Matthew. 21:20 and Mark 11:20,21]

In fact, Jesus foretold here, that from here, when the fig tree withered, the spiritual wintertime has come. **This will last in a time of tribulation, that the humanity has never known, since the creation of the man. But the Lord will come back if its branches becomesoft and puts on its leaves. Only then He will come back.** [Mark. 13:28 and further.]

[Note: the defined fig tree should not be confused with a thirty-year-old withered fig tree, which later went to flourish]

Take an example from the fig-tree: when its branches become soft and put out their leaves, you see that the summer is near; [Mark 13:28]

Dear Gerard,

Thank you for the 4th Edition. Here is my contribution to edition nr. 5: Right to abortion?

Answer

Dear Klaus,

We look forward to every post and are thus quite happy. (G).

Francis Minery from Germany

Best Lorber friends,

With the theme of the 'The Birth of Christ ' one must still add the following: **Look, this Jesus of Nazareth,who according to your **chronology** is born in **Bethlehem in the year 4151** after the existence of Adam, and more precisely at midnight on the 7th day of the month of **January**. [After the 8th day!](Lorb., GGJ. VIII, 86, 3-6). The fact that the Jewish evening begins at 18.00hrs and from that time the next day starts. Jesus is born on the 6th day according to our time calculation, "Shortly before midnight". So is still January 6, not on the seventh, unless you counted as the Jews at that time. The old date is therefore correct and we should all celebrate the three kings as Christ birth.**

Answer

Dear Francis,

Thanks for your wonderful addition, with regard to the Jewish daily schedule. I think the date of birth was first linked **to the Memorial feast of Jesus by the three wise men or 'Kings'**, 8 days after the actual birth. Not the day of birth of Jesus is celebrated on January 6, but the commemoration of the three wise men or kings.(Epiphany),who visited Jesus first, **after the 8th day** [the circumcision of Jesus] on **16 January**. [see Childhood of Jesus] - The popular opinion is not like Jakob Lorber describes this. **In some Orthodox churches, which still follow the old Julian calendar, the usual Christmas is indeed celebrated on January 7.**

In the Armenian church, Christmas is celebrated on 6 January, the original date in the Eastern Christian churches.

The regular "Christmas" is based on the figure Jews, which on the basis of the Hebrew name **Messiah** [Anointed] his numbers have added up to **358** [M = 40, Sh = 300, I = 10 and Ch = 8]. And **the 358ste** day of the year is exactly on December 25. In my opinion, two facts are mixed up here. [by the worldly thought of mankind!]

The common opinion is this, that the three wise men from the East first visited Jesus a number of days after his birth [as it is the supposed 25-12] And on 6 January they gave the Child Jesus the greatest honor with many gifts, although in reality this happened on January 16. The birth of Jesus took place before 00:00hrs. [Midnight]. Indeed, **at that time the day began at 18:00 until 18:00 hrs. the next day**,—and the next day it was still his birthday on 7 January until 18.00 hrs. - But according to the Gregorian calculation it was already 8 January after midnight.(00.00 hrs.) We do not know exactly how the time calendar then was connected with other calendars. It is impossible for me to make it a day earlier. According to Swedenborg, the numbers 1 and 7 are divine and sacred numbers {Royal numbers!}

Thanks for thinking along, Francis.

Right to Abortion?

Abortion means a targeted interruption of pregnancy of women.

According to media reports, there are annually about 100.000 registered abortions in Germany alone, without a secure considerable gray area. The reasons given for such 'abortions' are: rape, disability, financial reasons or now is not the right time...

Is there a right to abortion?

*'Man lives from two kinds of worlds which he has to unite in himself. On the one hand he is **the cornerstone of the outer, material creation** in which he is called the crown of creation and he is praised as such. On the other hand he is **the starting point of the pure spiritual world** which with him has reached the first stage of complete free self-awareness'. [GGJ.11_009,08]*

In the Old Testament means that:

Before I formed you in the womb I knew you; Before you were born I sanctified you; I ordained you a prophet to the nations. **"Before you were formed in the body of your mother, I had knowledge of you, and before your birth, I made you holy;..."** Jeremiah 1,5 –

The main question is, when **does life actually start**, during the act of procreation or at a later point in time so that an abortion can be justified?

Passages from the New Revelation:

*Raphael: ...“In proximity to where spouses feel the urge to procreate, such a **fully ripened and spouses resembling nature-soul**, through a hint from its aura, or attracted by the increased power of the spouses’ auras, enters with some degree of compulsion **during copulation into the man’s pro-creational stream and is placed into a small egg** through it, this being referred to as fertilization. And behold, **from there on, the life-soul resembles the grain of seed, that was somewhere sown in the Earth** and within the mother’s womb undergoes corresponding phases until birth into the world, as did the grain of seed is driving the sprout up to the surface!”* (GEJ.02_216,04), (GJE.04_120,15f) (GJE.02_216,02)
GEJ.04_246,05)

*Raphael: ...but if **fathering** takes place in the manner familiar to everyone, also a little lump is fertilized and excited, but it is torn off like a single grape from a bunch, brought to the right place and **an already completed soul is added**, looks for some time after this life grape, until the material in it has developed to such a state, that the continuously contracting soul can penetrate into the still very fluid embryo, which activity takes the soul two months to accomplish. Once it has completely empowered the embryo in the mother’s womb, the child becomes immediately noticeably alive and quickly grows to its orderly size. [GGJ.4_120,15]15*

Behold, the casting of healthy, lovely seed corresponds to man’s initial coming into being! It is like the incarnation of the more or less fully developed soul... [GGJ.2_216,02]

Yes, My friend, to create a son, an earth and all the things on it, is an easy matter! This requires not such a long time. **Also to create animal- and plant souls under judgement**, is not difficult. But to create a soul, **completely resembling Me in everything**, is also for the almighty Creator a quite difficult matter, since there My omnipotence is of no use, but only wisdom and the greatest patience and leniency! [GGJ.4_246,05]

Life thus begins with the act of procreation (at the moment of conception) in which an already clear soul (etheric substance) is attracted.

What does the ending of the already started soul-spiritual development of the embryo mean? In "Spiritual Sun", Part 2, School House of the 12 divine commandments: "you shall not kill", the 11th paragraph states: By a termination of pregnancy the development of the embryo is prevented. This implies, that the natural part is killed.

Say so instead of: you shall not kill – **you shall not destroy**, neither yourself, nor all that is your brother's; because **the preservation is the eternal Constitution in God himself**, consequently He eternal and infinite is in his power.

Because, however, on the Earth also the body of men, to God's appointed time for the everlasting development of the spirit, is necessary. So has no one, without an explicit commandment of God, the right to personally (self-willed) destroy his own body nor that of his brother's. [an embryo]

When here is spoken of the necessary preservation, then it speaks for itself **that everyone is even less justified, the spirit of his brother, as also his own by any means whatsoever, to destroy and make it incapable to obtain eternal life.** Sure, God kills people every day; **but (only) at the right time, if the spirit has acquired in one way or another, a certain maturity.**

Also the angels of heaven, as everlasting servants of God, are strangling themselves a way, in human bodies on Earth; but not sooner, than when the **Lord gives them the order** to and only then in this nature and to this manner, as how the Lord wants it to have. " [Spiritual Sun-2-78.11 e.v.]

"Has God given them the bodily life (embryo) so that they can destroy it?! The life of the body is the means given by God to man through which he should and must attain the life for the soul forever.

Now, if he however, destroys the means prematurely, with what will he then maintain the life of the soul and actually attain it in the first place? If a weaver destroys his loom, how will he then weave his canvas on it?"... [GGJ.6_163,02]

By a termination of pregnancy the development of the embryo is prevented. This implies, that the natural part is killed. **As** the result of the sexual pregnancy the already **developed soul** cannot be killed, hair becomes a **development on our Earth** respectively taken through "life test" (trial of the freedom of will).

The spirit-soul must there for **undeveloped** in the other worldly kingdom of children and must undergo a considerably longer and more difficult way (tetst) - . pregnancy (source: Spiritual Sun, part 2, 73-11 and 122-1-6, 10)

“Because little love can be found in the heart of someone who can watch with indifference when a human being or also an animal is perishing. Where there is true living love, there is also real compassion and true mercy. How can anyone possess neighboring love when he is taking pleasure in the painful dying of his fellowman? Therefore, away with everything that is unworthy for the heart of a good man. [GGJ.7_094,11]

Hello, Gerard

Jakob Lorber received all the new revelation in German language, right? I was wondering if the books I downloaded in http://www.new-bible.net/page/de/ebook/E-Books_for_download have the exact text, as received by Lorber. Thanks in advance!

Answer

Dear Lima Filho,

That's true. And best of all is, that I got a message, a few weeks ago, from a Lorber reader of the JLIB, that made us aware that non-German-speaking countries, especially the English-speaking countries, now also make a great effort to seize the German language, so that they can read all Lorber books in the German language. The Lord has dictated all books by Jakob Lorber in German.

We can easily download your e-books in English. Till so far, everything seems complete. What a great full work you have done!

The purpose is indeed to distribute the works of the Lord. **Together we span a large heavenly network 'on this earth'**. This gives a very good feeling": doing this together.

Thank you very much. G

Dear Gerard,

Thank you very much for the new magazine! After this, you will deal with the next theme 'Abortion'. I would like to make a small contribution to this.

I often write lyrics for songs with well-known melodies and below, it is also about abortion and its psychological effects. Please refer to the enclosed lyrics (new text and the original) which suits the song "A horse with no name" by the Band America. Unfortunately, it's been not displayed yet, but maybe there is someone who does that soon? More lyrics at: www.endzeit-lieder.de

Best regards,

Silvia Ohse

[Remark: the original texts are shown in German- and English Bulletin nr. 5 !]

On the first part of the journey
I was looking at all the life
There were plants and birds and rocks and things
There was sand and hills and rings
The first thing I met was a fly with a buzz
And the sky with no clouds
The heat was hot and the ground was dry
But the air was full of sound

I've been through the desert on a horse with no name
It felt good to be out of the rain
In the desert you can remember your name
'Cause there ain't no one for to give you no pain
La, la ...

After two days in the desert sun
My skin began to turn red
After three days in the desert fun
I was looking at a river bed
And the story it told of a river that flowed
Made me sad to think it was dead

You see I've been through the desert on a horse with no name
It felt good to be out of the rain
In the desert you can remember your name
'Cause there ain't no one for to give you no pain
La, la ...

After nine days I let the horse run free
'Cause the desert had turned to sea
There were plants and birds and rocks and things
there was sand and hills and rings
The ocean is a desert with it's life underground
And a perfect disguise above

Under the cities lies a heart made of ground
But the humans will give no love
You see I've been through the desert on a horse with no name
It felt good to be out of the rain
In the desert you can remember your name
'Cause there ain't no one for to give you no pain
La, la ...

With interest, I looked at your website. Some of them, I already knew. Meanwhile, I would gladly pass through the 'new added' lyrics. Listening to this is a good idea and fits very well with the theme. Thanks, G.

Divine Love and Wisdom

God is infinite, He is called the Infinite because He is infinite. An infinite being without infinite things within it would be infinite in name only. The infinite things in him should not be called "infinitely many" or "infinitely all," because of our earthly concepts of "many" and "all." are infinite things in Him Self. [Swedenborg – Divine Love and Wisdom 17]

God is infinite: he is in fact called the Infinite One. But he is called infinite because he is infinite. He is not infinite simply because he is intrinsically essential reality and manifestation, but because there are infinite things in him. An infinite being without infinite things within it would be infinite in name only. The infinite things in him should not be called "infinitely many" or "infinitely all," because of our earthly concepts of "many" and "all." [Swedenborg – Divine Love and Wisdom 17]

A certain Blake wrote to a Swedenborgian friend the following about the 'vision of the light ': 'even the smallest particle of nature is human!' Blake gave this friend of Swedenborg an answer on Newton's theory, namely that light exists from 'particles' and he wrote this in the following form:

*In particles bright
The jewels of Light
Distinct shown & clear
Amaz'd & in fear
I each particle gazed,
Astonish'd, Amazed;
For each was a Man
Human-form'd. Swift I ran
For they beckon'd to me
Remote by the Sea,
Saying: Each grain of Sand,
Every Stone on the Land,
Each rock & each hill,
Each fountain & rill,
Each herb & each tree,
Mountain, hill, earth & sea,
Cloud, Meteor & Star,
Are Men Seen Afar.*

HOMOSEXUALITY

follow-up

A good Austrian friend of mine wrote me his opinion, when I asked him, a few years ago, his point of view on homosexuality, in the context of Jakob Lorber! He answered, "Comments from Jakob Lorber about gays I can't recall, but statements from the Bible should suffice!" "A man shouldn't sleep with another man as he would with a woman!". As clear as that. Point! Gays are popping up like mushrooms. Our very stupid society promotes and explains in all that is perverse, it supports and defends all because of 'tolerance '. God is out, our mind is sufficient and determined!

Anyone how he will, each as he can, as often as he wants to do and can, with whom he will and can, as long as he can and may – what is it to the concern of others? A normal marriage is soon an expiring institution. Sodom and ancient Greece are turning back to us. That's our pleasure-society. And the blind churches and the more blind State Directors are not empowered to adjust this in a healthy manner. I mean; the temptation of Satan is especially successful with such men that are childishly soft, are made intelligent uncertain, does not find God, search strength in other men, are emotional lonely – however, eschew responsibility, shun confrontation with the female sex, pity themselves and have no clear idea of the purpose of this life.

They seem to be driven by their own emptiness and by the lack of control of the spirit of homosexuality also discouraged and confirmed. Additional to this, from the spirit world ghastly spirits with a predilection for homosexuality attach to such people and influence them! To explain it by the New Revelation to I would say with certainty: Gays are subconsciously influenced and possessed by spirits of the flesh resp. driven and subjected to their influence. Jesus spoke occasionally about some diseases, for example about a deaf-mute, that he was possessed. **Even more in the case of gays because the outer world is still an impression of the inner world.** This message so far.

We want to return to the essence of 'being a man and being a woman', then we are automatically reminded of the story about the creation of human Adam. **From this primitive man, his female part was separated.** [Adam was both male and female!] When he stood in front of Eva, his own female part, he was pleased. At a later conception between Adam and Eve the sons Abel and Kaïn were born and later also daughters; [Gen 5:4] they were not married yet. With Adam and his own 'bosom family', the part of the two-unity started as 'man' and 'woman'.

The children of the first human couple received each individually- just like the father and the mother- a male and female character. [Therefore, the Bible says: male and female search for each other and form one unity, as in marriage, but they are two individual beings]. Angels in heaven are both male and female beings but married they are one!

Each personal masculine and feminine part in them walks an individual path, in alignment with each other. Both individuals know exactly from each other what they are doing. The masculine cannot function without the feminine. They are a 'Heavenly team!' The primitive Adam was before the "Splitt" both male and female in its whole!

The female part is taken later from the man Adam, in other words: the woman is taken out of man later on. This is the basic principle of a marriage between two lovers. The woman became wife according to Genesis. She was created from the rib of the man. **Bone of my bone and flesh of my flesh.** In the Hebrew ' man' means **ISH** and 'woman' **Ishah** from where the people **Is[h] Rael** arose as 'man of light from God!' [Ish = Man, Ra = Sun and El = God]

There are some general references to two chapters in the book of Leviticus (in the Old Testament) that contain prohibitions on homosexuality. **Swedenborg** has in all his extensive writings never described a clear condemnation of homosexuality, but his view on marriage offer some light on homosexual relationships. [Swedenborg-Heavenly Mysteries 2322]

The inner sentence of "Sodom" [Hebr.: '**Sod**' = secret, hidden and 'Hebrews '**Dom** ' = blood] – means [hidden] evil, that comes from self[blood] love and is 'blood desecration'. The inhabitants of Sodom indicated the Supreme selfishness and arrogance; they dominated and humiliated others by their intention and **they tried to gang rape the two angels** who visited Lot. It seems that [Judges 19](#) has something to do with heterosexuality.

382 ... In Genesis 19 called men to Lot, who stood in the doorway, ' where are these two men who came to your home, bring them out to us, so that we may know them! '

All kinds of adulteries (many kinds are enumerated in Leviticus 18:6-30) signify the various kinds of adulterations and falsifications of the good and the truth. Swedenborg writes in his diary [magazine] e.g. ' about immoral girls' in the section of "spiritual experiences".

The described girls wanted nothing to do with men....that they had lived among themselves without men." In the course of this story, they look for a place where they can be alone together. Once they get there and make sure that there are no men present (apparently they were unaware that they were being watched) they agree that they can begin on their extremely lewd activities.

Swedenborg writes, "their obscenities were not shown to me, except a woman dressed like a man, then delighting themselves with abominably lewd practices." They have become captivated by such an extremely foul enjoyment. It is clear, that such immoral activities were going on among a large group of women. Swedenborg would strongly condemn **ANY** sort of group sex, whether heterosexual, homosexual or bisexual. He is very clear about it, that true love in marriage can only occur between two people and not with multiple partners. He thought of marriage as existing only between one man and one woman.

Swedenborg in Heaven and Hell 367: **Marriage in heaven is a conjunction of two into one mind.** The mind consists of two parts, one called **the understanding** and the other **the will**. When these two parts act as one they are called one mind. In heaven, the husband acts the part called the understanding and the wife acts the part called the will. When this conjunction, which belongs to man's interiors, descends into the lower things pertaining to the body, it is perceived and felt as love, and this love is conjugal love. **From this, it is clear that conjugal love has its origin in the conjunction of two into one mind.** This in heaven is called cohabitation and it is said that they are not two but one. **So in heaven, a married pair is spoken of, not as two, but as one angel.**

Swedenborg in 369... **with the man the understanding predominates, and with the woman the will predominates and the character is determined by that which predominates.** Yet in marriages in the heaven there is no predominance; for the will of the wife is also the husband's will, and the understanding of the husband is also the wife's understanding since each loves to will and to think as the other, that is, mutually and reciprocally. Thus are they conjoined into one. This conjunction is actual conjunction, for the will of the wife enters into the understanding of the husband, and the understanding of the husband into the will of the wife, and this especially when they look into one another's faces; for, as has been repeatedly said above, there is **in the heavens a sharing of thoughts and affections, more especially with husband and wife, because they reciprocally love each other.**

Haven't you read; "that He who created them in the beginning made them male and female and He also said: For this reason a man will leave his father and mother and be joined to his wife, **and the two will become one flesh**. So they are no longer two, but one flesh. Therefore, what God has joined together, man must not separate."Not all understand the word but for those who do. (Matthew 19:4-6, 11; Mark 10:6, 9; Genesis 2:24) Here the heavenly marriage is described, where the angels are. **The human must not separate what God has joined together, the good should not be separated from the true.**

374. Swedenborg heard an angel in heaven react on adultery. He said he was astounded to think **that within the Church, even more than outside it, adulteries are committed and even justified**; the delight of which in itself is nothing else in a spiritual sense, (and consequently in the spiritual world), than the delight of the love of falsity conjoined to evil, which delight is infernal delight because it is the direct opposite of the delight of heaven, which is the delight of the love of truth conjoined with good.

375.... **Falsity and evil also love each other, but this love changes afterward into hell.**

Especially from Leviticus 20:13 we must conclude that homosexual acts are condemned in the Bible. In Romans 1:18-32 is a total degenerated society, in which the homosexual excesses and heterosexuals surrender, involving all kinds of injustice.

In 1 Timothy 1:9-10-(Luke 10:35, 33.) we read e.g. about fornicators and **pederasts**. Or do you not know that the unrighteous shall not inherit the kingdom of God? Do not be deceived: neither fornicators, nor idolaters, nor abusers of themselves with men, nor adulterers, nor men who practice homosexuality, nor thieves, nor the greedy, nor drunkards, nor revilers, nor swindlers. [1 Corinthians 6:9-10.]

And **Asa** did that which was right in the eyes of the LORD, as **David** his father had done. He expelled the **male cult prostitutes** from the land and removed all the idols that his forefathers had made. [1 Kings 15:11-12]. **No Israelite boy should sit as a prostitute (catamite) at the temple.**

Because of this, God gave them over to shameful lusts. Even their women exchanged natural sexual relations for unnatural ones. In the same way, the men also abandoned natural relations with women and were inflamed with lust for one another. Men committed shameful acts with other men and received in themselves the due penalty for their error. (...) [Romans 1:26-27] - Although they know God's righteous decree that those who do such things deserve death, they not only continue to do these things but also approve of those who practice them. In fact, they welcome others to do it also. [Romans 1:32] - [Lev. 18:22, Lev. 20:13-26].

God has created man as husband and wife and that both only within marriage may have sexual intercourse with each other ("to become one flesh" or are one body") for example; Genesis 2:24, Matthew 19: (4-6) or Ephesians 5:31.

In the Jewish code of Leviticus the men are prohibited "to share the bed" with other men (about women is not spoken). You shall not lie with a male as one lies with a female; it is an abomination.[**Leviticus 18:22**. Homosexuality is included here in a long list of blasphemous and sexual death sins; including adultery, incest, sex during menstruation or animal sex.

When God created the people, it was his intention that the human would only have sex within a marriage [after the spiritual fall!] (Genesis 1:27, 28; Leviticus 18:22; Proverbs 5:18, 19). The Bible condemns all sex between man and woman outside a marriage whether homosexual or heterosexual behavior (1 Corinthians 6:18).

"Flee from sexual immorality whoever sins sexually, sins against their own body". (Romans 1:18 zjn):Therefore, God also gave them up to uncleanness through the lusts of their own hearts, to dishonor their own bodies among themselves. The Hebrew word for 'lie' is miskab. It also means ' place where you lie, as 'bed' in Greek koite. The Greek word arseno-koitai shows up twice. [in 1 Cor 6:9 and 1 Timothy 1:10]

Fornicators, those who lie with men, thieves, Liars, perjurers and anything else against 'sound teaching', there all homosexual behavior falls under. The translators have the word limited to homosexual pedophile behavior.The translators have confined the word to homosexual pedophile behavior.

A pederast is a grown man who assaults a young boy. In pederasty is also the idea of rape, abuse of power, a violation. Lay violent hands upon someone.

Now it is understandable why the Lord wiped out the land of Canaan before this could be taken over by the Israelites. The country had to be 'cleaned' from the sexual abominations that occurred there. That the land spew not you out also when you defile it, as it spewed out the nations that were before you. ... (Leviticus 18:24 t/m 19:2)

God said to Abraham: " only in the fourth generation (of your descendants) will come back here (this is to the land of Canaan), for the iniquity of the Amorites is not yet full." (Genesis 15:16) God did not just simply destroyed the Amorites by Israel. He waited until their community was totally depraved. The destruction of the nations of Canaan was the judgment of a total degenerated society. The country, because of the abominations which they committed, spits out the inhabitants (28).

In the teaching of the apostles is homosexual behavior directly condemned, even [transvestites](#). [See also Romans 1: 26-27 and 1 Cor. 6: 9-10 and 1 Tim. 1:10] - The keywords associated with the subject of homosexuality are a.o catamite and pederast. (effeminate and abusers)

According to the dictionary, catamite means "a boy who is having a sexual relationship with men" Synonym word is prostitute a pederast is someone who sexually assaults a young male. The age of a pubescent boy is the age 10-15 years. the context of 1 Cor. 9-11 shows that the Greek word 'malakoi " means the passive partner in a homosexual relationship. Paul warns in 1 Cor. 6 against homosexual behavior. The sex drive, sexual desire, is by itself natural. This drive has been placed by God at the creation in the people and is therefore essentially a good thing. That desire has to be controlled and channeled through marriage (1 Cor. 7). In Rom. 1: 26,27 it is a wrong oriented sexuality. To sex drive, which does not focus on the opposite sex, but the same sex. [homo means "equal with equal!"]

Till Deering from Germany

Dear Mr. Huige,

I assume that an old friend once subscribed me. [at Guiseppe] I had told him already, some years ago, that the Lorber philosophy 2000 years before its publication was already surpassed by the message of Jesus. I did not actually intend going into a detailed theological discussion. At that time, I've heard a lot, in the very detailed discussions, about the teachings of Lorber.

It seems to me rather resemble to the teachings of the Gnostics than the New Testament teaching. I have also seen it with my friend that the longer and the more he immersed himself in extremely detailed odd coded teachings about politics, male and female principles and previous rebirths. [also My alleged rebirths]

The language in some emails was extremely confused. All this seemed very complicated to me, especially when I compared it with the salvation that I had eventually experienced through Jesus Christ.

In particular, it is repugnant to me that salvation was not given after all, but had to be earned by working, and that the Evil and Matter were strangely combined, so that the devil was somewhat good, the creator somewhat bad and Christ and the devil sometimes were confused with each other. All this was absolutely not the teachings of the New Testament. And the Salvation that I had experienced and felt through Jesus, was so profound that I could feel the teachings of Jakob Lorber only as a step backwards. This in short. But as I've said, I have closed the theme Lorber and I do not want to participate again, so I would really love to cancel the newsletter and consider it as I've never ordered it.

Many greetings,

Till Dering

Answer

Dear Mr. Till Dering,

Thanks for the clear explanation. You've found your way, and that's good. Everyone finds his way for himself. One must work on himself - exactly – you have written that correct. In principle, it does not matter how they will come to our Lord Jesus. There are direct and indirect ways. Pity that your "friend" at that time, has confused you. I will now take you out of the E-mail circulation. In case you will become still curious later on, you can always look under www.zelfbeschouwing.info and under Jakob Lorber. There you will find the monthly bulletins. I wish you all the best and God's blessing. Greetings, G.

Note concerning the above mail and answer:

It might have put bad blood to 'convince' the reader that the teachings of Jakob Lorber could be the GREATEST GIFT in his life if he was not that 'blind'. However, maybe he gained two separate experiences: a bad one, that had upset him and a good one, that brought him on the right path.

The teaching of Jakob Lorber is written for every human being on Earth; for the one, who does not understand this very easy teaching yet, the Lord – Miraculously enough-has certainly still other methods, as we apparently could read in his defined story. It might have put bad blood to 'convince' the reader.

*I fed you with **milk**, not solid food, for you were not ready for it. And even now you are not yet ready, [1 Corinthians 3:2].*

Dear Maria Luise Kleindienst,

Thank you so much for this gift! There are plans to edit this Bulletin later, also in Portuguese. This could take a while, but such translations cost a lot of time and money. And this we can certainly use this. Thanks again! G.

Dear Irmgard,

Thank you so much for your communication. What is still left with you in your soul - and remained in your memory after 30 years? I'm very curious about that!

Hans de Heij from the Netherlands

Dear Gerard,

Thank you for the detailed response. You ask in your reply: **"What do you think (Hans) is 'evil', if "Lucifer" is not "evil" itself?"**

I wrote:

"Lucifer's first succumbed to the temptation to abandon God's order of true love. He was proud, imperious, and thus he ignored his command, "You will-not" (GJE 2, 224: 3) because he was seduced by his own freewill, he has not kept God's commandment".

I see it like this. Evil is not SOMEONE, some person or Lucifer. Lucifer was created with a single command by God: "You will- You will not." But at the same time, he also got the incentive to violate this rule. Thus, God created free will. (GJE 4, 102: 1; 4, 103: 1; 4, 104:5)

So must the incentive to violate the commandment also be present; he was an originator of the cognition and free will. He fills the soul with lust and joy as long as these stimulus feels really good, but are not obeyed, fights it always precisely with that free will which with the incentive in her was aroused and was provided of life, and so uses the free soul him as a tool but not as an end in himself.

Because Lucifer gave in to the temptation of lust, because he thought he was more than his Creator, he has become an evil spirit and many others with him, as others also have left God's order of true love. The texts you cited in the previous bulletin, show that Lucifer is indeed fallen. And because he has allowed himself to be tempted by pride, wanted to be the "boss", to lie and to cheat, he's "fallen" from the order of love.

Evil is hate, envy, lust for money, lust for power, jealousy, lust, lustful, anger, annoy, irritation, be pitiful, to feel as a victim, fear, sadness, depression, arrogance, lying and cheating, avarice, greedy, to revenge, you name it. The list is so much longer!

It is about how we are human. What is our state of being? From out of which spirit do I live, does anyone lives? Which mindset, in modern words, has someone?

Is he always on to his own advantage? Then he is not disinterested. More he does not have to know himself. When he realizes and knows that this behavior is not according to God's order, he may then ask Jesus to help him let go of this behavior. But there is sincere and vigorous self-examination required to recognize what weaknesses someone has. It is not easy for yourself to admit that you do not hate your neighbor because his TV is always turned so loud. The irritation which then wells up in you, that's at the same time, the space used by the opponent (Lucifer or another devil) to think even more bad things or even going to do so. Things that grow irritation in that man and which provoker even geactions. So do satanic people work and there are many, both in the 'flesh' as with no 'physical' body. They all are trying to influence us to a similar behavior. Such Satans enjoy it obviously, but I still do not understand what pleasure they there enjoy !

The man on the bench could be an evil spirit sitting next to a good human, the woman. Seen so, 'evil' and 'good' are sitting next to each other and yet infinite and unbridgeable far apart from one another

Seen so it is - I think –only about the temptation. That's evil. "Example: The one who has been seduced into selfish behavior, or someone who wants to be the boss (power), or someone who is always on to his own advantage, or anyone who wants a favor in return or expects one, those are already no longer in the true love. Because true love is truly unconditional and pure selfless. It requires a very good self-knowledge to know yourself when you nevertheless e.g. are waiting for a reward or appreciation if you have done something for someone else (the neighbor). The greed strikes immediately. You have to see that of yourself then and I see this as self-examination. `Such research leads to self-knowledge which is highly necessary to actually live God's order of true love.

People who let themselves be possessed by the spirit of power, leave at that specific moment directly the order of true love. You can also say, "The Lord in the man withdraws" because a Satan has that man affected at that time. If these people want to continue to exercise power, they already here on Earth become a devil. The same applies to all other wanderings of God's order of love. Someone who gives in to lust, which is doing that every day became voluptuary, and will have to fight hard to let go of that habit. Because an once ingrained habit is like an iron armor, which you can't take off alone. The help of Jesus is very hard needed there.

This reasoning applies to every vice. That is why self-knowledge and self-examination is of the utmost importance, because someone who recognizes his weaknesses, who knows with what and how the opponent, the non-love, so the devils around us, can seduce him, which can withstand and protect themselves with Jesus. That is indeed the case: Lucifer tries to seduce every man to behavior that does not comply with God's order of love. But therewith is Lucifer not the evil itself. In other words, the more people are getting rid of all forms of violence, the less violence there will be on earth over time. The more people can control their lust, the less lust there will be over time on earth.

Citation: "Humanity is one, we are connected with each other and influence each other with loving behavior(kindness), but likewise with malicious behavior. Quote: "The temptation has power, has intelligence, but not without a human, not without Lucifer, not without the need for those things that are the opposite of real life, of truth, of love, of God. The opposite is Satan, the temptation to the opposite is his power, the desires to the opposite gives Satan the opportunity to use his seductive power. As opposite, he knows everything about everyone with great precision and has access to a great intelligence, not as individual being, but as the opposite of real life, of God. This piece of text comes from "Heavenly Bread number 4748". See the website: www.hemelsbrood.nl

I hope that this gives more clarity. Because we humans are exposed to all kinds of temptation and it is the task of each of us, to live according to God's order of love. This is the goal of every living creature on earth. Do not lie, do not steal, be fair, exercise no violence, no killing.

Because, when someone hates another, he kills his love, the love within him for that person. Also in our thinking, hurt no one. Because it comes to Word, thought and deed. Every wrong thought which is indulged, is already the seed of the Act.

To this, a remark from Gerard:

Please have a look at: <http://prophetia.org/index.php?title=Satan> – there you will find even more, which might interest you. Perhaps the by your described here, it can be summarized in the following quote:

“Look, such chemist am I. I dissolved the crystals that became impure (Lucifer and his followers) in the warm water of love and I let those souls crystallize out again to make them pure. That this happened by the ascension through the mineral kingdom and the plant kingdom up to man is known to you. But as the soul of Lucifer encloses the whole material creation, also that has to express itself in the form of a human being. That is why always all unions of spirits unite in one person, expressed by the leader of that union, and they form what is called his sphere. There is nothing similar on the material level which expresses this clearly. That is why I say: open up the feeling of your soul”.[GGJ.11_017,26]

Spirit of satan or Lucifer is a person, is also evident in the following quote: “I have never actually personally met him, but I have tasted his commands, and assume that his person has to resemble his **inhuman orders to a hair’s breath**”.

[GJE.02_236,14]

Hans: 'beautifully written and explained!' One more question on this theme: would you like to describe us briefly, **then is the primal source of all the evil in man**, possibly with sources of Jakob Lorber or the Bible, etc.? G.

We thank Hans de Heij very much for his additional enlightening information!

Albert Hofmann from...

Hello, dear Lorber friends,

I find it very interesting what the Lorber friends have to tell each other.

If you don't mind, I would like to introduce my new Lorber-Web site: lorber.co.nf - The site is primarily intended to publish as many English translations from the Jacob Lorber books in one place for free. A highlight here is that the Household of God, Part 3 is now available in English. The completion of this will happen soon.

Warm greetings,

Albert

Answer

Dear Albert

From which country do you write? With great joy we read your message. The work that you perform is a blessing. There are already a number of translations in the English language. Look at: <http://www.franky1.com/languages.html> - [Unfortunately many of these links are making incorrect connections]. Maybe you can coordinate with the other translators

As on the very important 'classics'- Heavenly Gifts, which is not meant only for private circles, as some believe. Hereby all links of the English-speaking countries, who are concerned with the teaching of Jesus by Jakob Lorber.

We wish you well and God's blessing upon the translations, as also in the second part of Robert Blum {Heaven and Hell} - G.
