### A message from the Netherlands

Dear fellow lucky ones!

My name is Helen and the first booklet that came to my attention was 'words of Jesus', in the 80s. I recognized His voice immediately. After living for more than 30 years with the ever-changing translations, and especially their content, I became aware of the increasing worldwide madness in all ranks of society. I have noticed that there is a suggestion and an awakening also in all ranks of society.

There is a worldwide call (still cautiously) for a return to Christian values, but especially to deepening.

The urge has come to me to respond to this call. And remembering His words: "My words must be spread all over the world and that will be possible at that time with the speed of lightning," I have started a YouTube channel.

It is my intention to make the Content of what we have so richly received, accessible without mentioning the name of the Source; attentive readers get them out anyway. The day before yesterday my first post was posted and I am now working on the second one.

The name of the channel is 'Center of gravity' and I write in English, mainly because I focus on international audiences, but also because I express myself most easily in that language.

I would like to make this channel known to the fellow Lorber readers, but I must add that I do not want people to refer to the Lorber work in the comments. That may

sound silly, but I want to let the Content speak for itself and encourage people to think autonomously.

Years ago I was once with an Italian Lorber friend in Venice; Guiseppe, but unfortunately I have lost his data. He is the one who set up our planets in his garden. Is he known to you and if so, could you send me his e-mail address?

With a greeting in His presence,

Helen

## **ANSWER**

Hello Helen,

We have already exchanged a few things privately. What a good initiative Helen! As you know, I immediately started looking on the Internet with Google, but I couldn't find anything about it. Fortunately, you sent me the necessary link shortly afterward. Beautiful images, beautiful music but above all the substantive message of your texts. Because that is what it is all about, to spread this over the entire globe. If that technique exists, we can use it in the right way [at the speed of lightning - nicely said]. In the meantime, I have given you the two email addresses of Guiseppe. He is still nationally active. Perhaps your clip or video will be viewed a lot and I am already looking forward to the second one.

# **On Christmas day**

Received by Gottfried Mayerhofer on December 21, 1875

In infinite space, the suns move around the suns, and the planets must always feel their changes, including their interactions, under their influence. Everything has its final purpose, including the circling of worlds around the worlds.

In the whole ether, there is not one place, no matter how small it may be, completely equal to another, because it is precisely there that existing conditions again require different living conditions.

It is the same with you on the small earth, on the seashore is a different life than in the mountains, in marshlands different from in the steppe or the desert – everywhere,

even the organization of living beings suffers under these climatically different conditions, and these again partly determine the spiritual development.

Just as this example in the small, so in the starry sky in the large: there too, other influences determine other effects and other purposes.

It is not for nothing that millions of miles are the necessary distances for the existence of one or the other body of the world; it is not for nothing that even greater distances are needed for even greater suns. They must have space for their material formation and for the perfection of all the smaller worlds that depend on them. Nothing is placed in vain as it is now, was once and will always be.

An infinitely lasting work must be built on a broader basis if, in addition to entering life, it must also preserve itself, perfect itself and bring itself to a certain final result. I [the Lord] gave the first impulse of existence, the rest must develop from itself.

In your soul life, it is the same, the first ray of light of love for God and men must first be laid, and then it is incumbent on every person to form himself to what I actually created him; **The thought ray "the Word" must awaken him**, the rest of the process of decomposition and perfection must therefore be carried out by him.

How the worlds are led through the wide spaces in order to absorb everywhere from the ether what they need for their preservation and formation, **as does the human spirit in the great realm of thought, where also he has the task of understanding and fulfilling his mission from the words left behind, be they divine or human.**

Far behind the material creation "the Great Spirit" dwells in the midst of His spirit realm, and far above the world of thoughts actually lives only the SOURCE of the spiritual understanding of the given [spoken] words! **It is not the words, not the thoughts, which must lead men to their goals, but their spiritually correct conception, their practical realization.**

Just as light with all its creative power only works when it falls on a solid object; as well as the whole world of thoughts only becomes fruitful when it can also bear fruit falling on the receptive ground.

**See My Teaching, how simply I gave it to even uneducated people, like My apostles only fishermen et., and not scholars! And nowadays, with all the scholarship of the whole world, there is still no one who can give it back to men as I have spoken it and as I want to see it understood; but I Myself again have to start anew as it were and for the time being, explain everything again individually to only a few, if I want that My words,- words of the highest spirit,- are also to be understood spiritually.**

How often have I tried this remedy? **For centuries to centuries, I spoke through different people always in accordance with the spirit of the time, in vain!** My words were not heard or overheard or misinterpreted; and now you too are again one of those chosen ones through whom I want to supplement My curriculum and, nevertheless, look at your followers how few understand what you [Gottfried Mayerhofer] have to write and what I let them say in My infinite grace.

From all kingdoms of nature, from all corners of the earth and of creation I seek out objects which receive under My hand an importance as no man has ever imagined. I dissect what is nearest to them as well as farthest, everywhere I show them the same purpose, the same loving father and the same cause.

Everywhere I explain to them what the source of all creation is, whether through the microscope or telescope, they want to contemplate My miracles - everywhere it is, was and will be love that created everything, preserves everything and perfects everything.

**From Orion**, as in the smallest atom of the world's ether, it calls to you all what My angels once sang at My Birth: "Peace" with the world! **"Peace" preaches My creation**, "peace" is My ultimate goal - and "peace" shall also reign among you!

Look where you want to go, and you will find that nature always wants to establish peace where it has been disturbed by elementary events or something else. Every created being longs for peace.

**The approaching Christmas should also remind you of this peace.** "Peace with the world, with yourselves" be also your watchword for the coming year, that you may spread it wherever your position is!

**So may the light from the last nebulas of Orion also send you peace, where worlds whose distance and greatness may be incalculable for you, but whose tendency and existence likewise only obey the laws of peace and send you the gentle ray of love of their light**, so that you may recognize that even there the same law still exists, the same care is given, which does not forget the last worm also here on your little earth and which only wants to spread peace everywhere, **because only in peace love alone can be active!** Amen. [Secrets of Creation, Chapter 27]

## The Birth of Jesus.

"And it came to pass in those days, that there went out a decree from Cesar Augustus, that all the world should be taxed. (And this taxing was first made when Cyrenius was governor of Syria.) And all went to be taxed, every one into his own city. And Joseph also went up from Galilee, out of the city of Nazareth, into Judea,

unto the city of David, which is called Bethlehem; (because he was of the house and lineage of David:) To be taxed with Mary his espoused wife, being great with child.

And so it was, that, while they were there, the days were accomplished that she should be delivered. And she brought forth her firstborn son, and wrapped him in swaddling clothes, and laid him in a manger; because there was no room for them in the inn. And there were in the same country **shepherds abiding in the field, keeping watch over their flock by night.** And then the angel of the Lord came upon them, and the glory of the Lord shone round about them: and they were sore afraid. And the angel said unto them, Fear not: for, behold, I bring you good tidings of great joy, which shall be to all people. For unto you is born this day in the city of David a Saviour, which is Christ the Lord. And this shall be a sign unto you; You shall find the babe wrapped in swaddling clothes, lying in a manger. And suddenly there was with the angel a multitude of the heavenly host praising God, and saying, Glory to God in the highest, and on earth peace, goodwill toward men." **Luc. 2, 1-14:**

**This chapter deals with My birth, a day you celebrate each year on December 25th in accordance with the rites of the church.** You are already familiar with the events at the time of My birth, (See also: "The youth of Jesus") but there are still many unclear points concerning this act of My first visible appearance on your earth, the deeper meaning of which, in its spiritual correspondence, is still unknown to you!

Therefore, I shall make further revelations for your benefit, as well as that of My believing children of the future, to show you that even the smallest thing concerning Me and My coming to the earth is of the greatest significance and will repeat itself on My Second Coming to this small globe, the dwelling place of My children who will be great one day. [Sermons of the Lord, chapter 5:1,2]

As the conditions on earth once made it necessary for that particular people at that particular time to witness the great act of grace and love which I accomplished for you and all the spirit world, **on My Second Visible Coming a time and place will again be chosen** to suit My purpose best.

You were right in calling this feast "**Holy Night**". It was, indeed, a hallowed night when I consecrated Myself for your sake and that of all material creation as an offering of meekness, when I, the infinite Lord of the entire creation, put on a fragile, perishable garment, which among millions of beings on other worlds, as far as its outer appearance is concerned, is far beneath the supreme archetype of a human image.

Many inhabitants of other worlds are endowed so richly that the man of this earth appears to be only a weak imitation of that which I put into this form as an image of My own Self. And yet, although the dwellers on other globes surpass men of this earth in many ways, spiritually the latter is destined for something infinitely greater than the dwellers in paradise-like worlds and suns.

Although they enjoy an eternal spring and live in conditions you cannot even imagine, they lack a clear comprehension of Me, of My spiritual creation and My fatherly love.

They are good because no evil endeavors to induce them to the contrary. They recognize a Supreme Being and kneel before Him in awe, but none of them dares to think that this Supreme Being might wish to press any of His created beings to His fatherly heart and give it the sweet name of a child.

Only those who have gained this position through struggle and victory are entitled to this, and they can become children of God. In the school where such children of God are educated, besides the greatest spiritual exaltation, there also has to be the opposite - the greatest possible humiliation, and they must be able to turn completely away from the good if they so desire.

In order to demonstrate to you that it is possible to make positive progress between such extremes and overcome all obstacles, **I clothed Myself in one of the lowest and most unpretentious human forms** and I descended upon this dark globe which - as regards its endowment and size - ranks in My creation similar to infusoria compared with all the beauties and wonders of your earth.

But since in My creation everything is made with the same care, even the minutest infusoria has been made as perfect as a human, the lord of this earth. So My principle of creation, on all levels of created beings, shows that I am greatest in the smallest, and particularly at this point stand forth as the mighty Creator and Lord.

**This was the reason why I chose one of the smallest globes** to reveal My greatness, thus proving to My entire world of spirits and souls that only in the smallest is the greatest possible and that the greatest glory is gained in the greatest humiliation; that he who sacrifices all is worthy to possess all.

Therefore, I was not born in a palace to parents of high standing, but in lowly circumstances. However, in the circumstances of My birth the sublime, the spiritual, had to be suggested. Thus, the census was decreed by Herod and I was not born in a house built by men, but in **My own house, that is, in the open, in a cave.**

Neither emperors nor kings witnessed My birth, not even ordinary people, but only animals - unspoiled creatures. The census was responsible for Mary's journey to Bethlehem in order to bring about that which would honor the King of all creation.

Millions of superior spirits sang the hymn of praise: "Glory to God in the highest and peace on earth to all men of goodwill!" These and the animals, as they had gone forth from My hand, were present at My birth. Such witnesses were befitting to Me, the Lord of the heavenly hosts, wrapped in swaddling clothes.

On account of the census, My birth could not remain unnoticed. Thus, at that time, Herod, the cruel governor and Tetrarch of Jerusalem had to rule, thereby making My further education and My later career more difficult. Through the overcoming of all

these difficulties, it had to be proven that, although I placed Myself in the lowest position, I would -witnessed by My entire world of spirits - still fulfil My task, namely, **besides setting an example of the greatest humility and self abnegation, to make this small earth into a training-school for My children, who are destined one day to change, for all the beings living on other globes and suns, the image of the Great Spirit and Creator of all visible nature into one of a loving Father.**

What I had planned eons ago and had begun to carry out over a thousand years ago, is now nearing its completion. **My religious teaching, My word, which cannot be replaced by a better one, - My teaching of love must be universally accepted.**

Love alone must rule; all passions of the human heart, which I have put into it so that through battling against them love could be won, all these passions must be controlled and placed before the altar of love. Hatred, vengeance, pride and whatever they may be called, these powerful impulses of evil within man, must all be silenced.

The cross, nailed to which I once asked forgiveness for erring mankind, must - as a symbol of reconciliation – beloved and honored by everyone and sometimes even carried in remembrance of the way I have shown, which is the only one that can lead men to spiritual heights.

As towards the end of My sojourn on earth circumstances seemed to work against Me, apparently leading to My death, but through the resurrection from matter and My return into My spiritual kingdom actually bringing about My greatest triumph, at the present, too, **men seem to be afflicted by an ever-growing number of misfortunes and catastrophes.** However, man shall rise, like the phoenix from the ashes, out of burnt worldly opinions and prejudices, unscathed as a spiritual product of his Creator, as a spiritual child of a supreme spiritual Father.

Like a rudderless ship, mankind is drifting towards this destination. But first all the artificial walls the human intellect has built around the loving heart, **the barriers of birth, station and superficial knowledge must be pulled down. Man must cease to think with his intellect and learn to feel with his heart.** Only when the warm fire of love has warmed his whole soul, can wisdom, as a regulating impulse, set limits to love and let men feel all that with which I have endowed them and why I have created them such and not otherwise.

Whenever I, as Christ on earth, prayed to My Father, **it was Wisdom calling to Love** to limit its boundless action. Just as wisdom and love can only exist with each other, I, as the Christ, was **one** with My Father, the Love, and therefore I could say: 'No one knows Me, except the Father in Heaven and I alone know Him', or I go to the

Father' and so on. Thereby I meant to say: All the world was created out of love, but wisdom has regulated its conditions. Love creates, and wisdom preserves.

Love, as the "Father", was the highest symbol of purity; whereas I, wisdom, as the "Son", proved it through the deed. Thus also man, as My descendant, shall become a manifestation of love and wisdom. He shall love first and only then shall he learn to be wise so as to comprehend fully My creation and his mission in it.

My purpose is directed towards you there, and all events encourage you to do so, to bring the rebirth of your Jesus within you. He wants to lead and guide you there as an expression of wisdom and love, until soon this Creator of all visible things, the Lord of hosts, as Father (Love) accompanied by the Son (Wisdom), the earth will again be visible in person to enter for the second and last time what He has proclaimed on the cross more than a thousand years ago, namely, "It is finished, the great work of reconciliation!"

I have demonstrated to My spirits how what they considered impossible has become possible. I have led with My example and have made My beings on this small earth into citizens of My Infinite Kingdom, into My sole children.

What I once started as a babe in a cave near Bethlehem and what was praised by millions of angelic spirits, but not comprehended by men, except vaguely suspected by a few, has now been accomplished.

I have accomplished the work of reconciliation, of love and forgiveness. **The world is cleansed of all impure dross of selfishness. And even if afflictions and catastrophes destroy the human's physical body, they cannot harm his spirit and soul.**

This part of man is standing above the ruins of the world with arms outstretched towards the divine Saviour Who - as once on earth - is calling to all: "Come unto Me all ye that are heavy laden that I may take off your burden and refresh you! Come, you fighters for love and wisdom, receive the crown of life; the realm of spirits is open to you and you may see the hosts of angels rejoicing and praising the Lord with the same words as once before: "Glory to God in the highest and peace to men on earth!" For He came into His own and His children have recognized Him. Amen. [Sermons of the lord, chapter 5]

## **The return of Jesus Christ.**

The Lord first appears to us in the OT as the Creator and promises to come one day as Savior, [Savior or Messiah] that took place in the NT. Again He promises to come

again as "the Spirit of Truth." [The New Revelations]. That Jesus could not say everything in the NT meant that the people were not yet ready for it. They couldn't quite understand it. That is why Jesus said: "I have many things to tell you, but you cannot bear it now; but when He [that is the Holy Spirit of the Father!] - the Spirit of Truth comes, He will guide you into all truth. [Joh. 16: 12,13]

The Lord will never give us the feeling that we - each person for himself - are on our own in the world. "I will not leave you as an orphan, but I will come to each of you [Joh. 14:18]

In the period of Jesus on Earth, He often had to speak in parables with the people and with His disciples, as we tell our children fairy tales or anecdotes today. Then Jesus says in John. 16:25; "I have spoken these things to you in parables, but the time is coming when I will no longer speak in parables, but I will proclaim you freely from the Father [in Me].

This is the central message of the Bible. The Second Coming occurs visibly and simultaneously with all people. All eyes will see Him and all generations of the Earth. [Rev. 1: 7]

When this great event in Luke 17: 34 + 36 depicts the situation of both the day and the night, this is only possible in a sphere of the Earth. [But the Lord can at the same time manifest Himself in countless forms, anywhere in the infinite spaces of the universe, because all of this is HIMSELF!

The structural question about the universe is described in Jeremiah 31:37. If the human could measure Heaven from above and examine it in relation to the bottom of the Earth, then I would also reject the entire generation of Israel for what they did above all, the Lord says.

In our time we could say, "If the astronomers understand the structures and far-flung spaces of the universe and can search through the interior, then I also want to reject the people.

"In Job 26: 7 it says: "He stretches out the north over the void and hangs the earth on nothing. [The world space is dark; it is empty and the Earth floats around freely without hanging in it.]

Isaiah 50: 3: "I dress the heavens with darkness." This is completely astronomically accurate down to scientific details.

Jeremiah 33:22: God says something about the number of stars here. Here God compares the number of stars with the sand on the sea. Both are no longer countable.

Psalms 147: 4: "That someone has counted and that is the Creator Himself. He counts the number of the stars and he gives names to all of them. That is why we also read in Isaiah 40:26: "Lift your eyes and look!"

At Jakob Lorber we read:

**But before I can come back as the Lord and Creator of all life, the earth must be thoroughly cleansed of all weeds and this cleansing has just happened on all points of the Earth.** - He who is now a conscious soul and does not try to make his soul healthy, will not have much time left before he will perish! [Gifts of Heaven, Volume 3, page 36]

**The purification time will be four weeks in the shortest;** for there will then be hours in which more will happen than before in a century. - A longer-term is set at **four months**; for there will then be days of which one will mean more than before a whole century. - Another term has been set at **four quarters**; because more will happen in a week than in the primeval times in a whole century. - A further period has been set at **four years** and a little more time; for there will be months in which more will happen than in the primeval times in seven centuries! [Gifts of heaven, Volume 3, page 361]

But I also tell you now that before My arrival on this Earth, much weeds and withered grass and all sorts of unsound and barren scrub must be destroyed by the sharpness of the greatest judgment; because where there are two, almost one will be accepted and the other will be eliminated - so a great cut to more than half! [Gifts of heaven, Volume 3, page 374]

## Signs of the Time.

Received through Jakob Lorber on 25 Januar 1842

**From the old-German book 'Lebensgarten': 'Signs of our Time!'**

The Lord says:

It is now a dancing and jumping time, the darkest! That is a sign that the world is very close to an unexpected leap, a leap from My now greatest love over an infinite gap in the sea of My greatest fire of wrath!

The shameful way of clothing is a sign that the world has passed over into the most disgraceful harlotry, whereby everyone has become a gloomy idol for himself, and serving oneself, close to worship, and most of all man wishes to be worshipped. - Behold this, it's like Sodom and Gomorrah! - For that reason, the end has come!

For the sake of the rich usurers, the people without marriage are increasing, because the poorer people are forced to remain without a wife, like a **semi-human being**, and this is a terrible sign! With all the heathens, even the slaves were allowed to have a woman. But now they set boundaries to the free man, because he is poor and that

the usury does not suffer any harm! - Therefore, cursed be this last time and each usury with it!

Take a look at the so-called industry, that terrible sign of this time! It is the soul of all usury, the oppression of all brotherly love, **the last and the widest path to hell**. The finalization will be brought about by the metallic roads (railway)! - Do you understand the speaking sign of this time!? [Note: Everywhere on Earth at that time - in 1830 - the iron railways already existed!] {Including the iron weapons of war}

The proud expansion of the cities, **wherein among the many thousands of houses not even ten are being built for the poor**, is a strong sign of this time. For also in Sodom's time, the poor brothers were expelled from the city, to secure the treasures of the (native) wastrels - Do you understand this sign? [Note: today 'refugees' - rental usury, especially in large cities - B. Berlin - Amsterdam]

What does one human being mean to a man? - I'm telling you, one pays several silver coins for a load of garbage. But organize once a market with poor people, so they may be bought in order to support them, and this market will be an utter flop! **It wasn't even that bad in Sodom!** - Do you understand this sign of the recent time?

**Behold, this paper time!** - What solidity shall it offer? I'm telling you, it will not be able to take any more pressure! But how easily the paper can be ripped apart is already shown by even the weakest of children! - Do you understand this sign? [Today the plastic!]

Do you understand the color of the houses? - Is it not like the one of death? - Thus it is already written everywhere upon the walls of the houses, what time it is!

It was shown by John, what will happen **when the price of the bread will be raised and taxed!** [Rev. 6: 6] - Just read what has been declared to the locusts, if they would dare to do that! [Rev. 9: 1-11] - Behold, that time is here!

10. Behold, the usury is clothed with all protection, shields and safeguard and an entire world of custodians is equipped and ready to defend its 'rights'. **Look at how they rip My earth apart and hack it to pieces!** Should I just stay quiet and do nothing? Recognize this last and hellish sign! Ownership rights before rights! And yet, I alone am the Lord! - Therefore, recognize also this terrible sign!

Behold the fornication of the women of this age and the **utter callousness of the youth**, which is now brought up for the carnal wellbeing only, and finally, for the premature harlotry before the entire world! Where to with the world?! - Yes, straight into hell with it! This is the last time! - Do you understand it?

Finally, look at what almost all churches quarrel over! Behold, it is **the gold of the world**. But regarding the world, gold and death mean pretty much the same to Me! Look, that is the true **antichrist**, who is doing great wonders now! **But his time is right at the door!** Understand it, the end of iniquity and its last judgment is before you, and before all! Amen, amen, amen. [GH.02\_42.01.25,01-12]

[GH.03\_48.03.19,00] Write in divided verses what I will give you here in the spirit of providence concerning this **and a future time**.

[GH.03\_48.03.19,01]What does the great jumble race, what does the empty weapons game of the naughty youth? - Do people want to seize the rights of God?

[GH.03\_48.03.19,09] I say: one thing is needed, namely **true love and a true light**; everything else would be self-evident. Get rid of excessive taxes, especially stately ones and get rid of paganism, otherwise it will never get better, but only get worse moment by moment!

[GH.03\_48.03.19,10] Instead of the ribbons and cockades the wealthy city dwellers should rather make rich collections among themselves and thus **rush to the aid of the poor rural dwellers**, they will be calmed down and the movements in the cities will be a blessing look at.

[GH.03\_48.03.19,13] Where is one who would now repent? Where then only a people who turned to Me at the time of the tribulations?

[GH.03\_48.03.19,26] What do you already need that war equipment for if the main issue was already arranged in the imperial city [Rome]? All your hassle is just vain boasting that will not escape his discipline.

But I say to you, who are My friends, go with Me to the poor and not without the Me to those who are significant, then I will also protect you at the time of danger, otherwise you would have to seek protection from your loved ones and loved ones. I cannot tell you whether you find it!

[GH.03\_48.03.19,36] For truly I say to you: I have no pleasure in it and in these times they dress according to fashion, in which even so many can hardly cover their shame with the worst rags. [Note: today: refugee flows]

[GH.03\_48.03.19,40]But rather visit the poor frequently, and I will protect you and shield you in every need!

[GH.03\_48.03.19,41] So do not take part in this present armament. I tell you, it will offer you little protection; because she is not under the one who walks with Me! But those who are now their leaders I do not know, as they too do not know Me! [Note: today: Syria and many other countries]

[GH.03\_48.03.19,42] I tell you, these blind, haughty leaders will sooner or later attack each other because one will want one white and the other black! [Erdogan, Trump, Putin, etc.]

[GH.03\_48.03.19,43] 43. But if you all but trust in Me and judge you according to My will, I will protect you and your belongings and shield you from every attack; for I know that you are honest in mind and heart. Therefore My strongest blessing to you all. Amen. [Source: Gifts from Heaven, part 3, pages 320-322]

## The second coming of the Lord

Received on August 11th, 1878  
From Festgarten

Come Lord Jesus! Come soon, "and to those with whom I put these words of comfort in his heart:" Behold, I am with you every day, even unto the end of the world, "if you only wish that I dwell in your heart. Every soul who is searching for Me in earnest can testify to that, for he will feel a power within him that can withstand all freak storms. He [man] will close his ears to the influences of the dark forces because his soul needs every moment to be with Me and not to be interrupted in it ....

But I tell you further, investigate whether the divine words that are being read are also being observed, without the spirit processing this in you and satisfying you? To bring love back into the hearts of the people again, I now come to the people again and knock on their self, that is, on those who seek Me in all sincerity and therefore ask: "Come Lord Jesus, come soon ! "

Dear children! My second return is no more incomprehensible to many people than it was the first time, [2000 years ago] because your heart is still full of material wishes; for with My outward appearance, they hope that everything will be fulfilled through Me again ... [source: Festgarten]
